Seair Announces Additional Secured Debt Financing

CALGARY, ALBERTA – (March 2, 2017) - Seair Inc. (TSX VENTURE:SDS) ("**Seair**" or the "**Company**") announces that it has entered into an agreement with 1979927 Alberta Ltd. (the “Lender”) pursuant to which the Lender has agreed to loan Seair the aggregate principal amount of $100,000 (the “Loan”).

The Company anticipates using the proceeds from the Loan for working capital purposes. This loan is an extension of the loan announced November 22, 2016 with substantially the same terms. In particular, the maturity remains unchanged and this financing does not change the default status of the existing loans.

In connection with the Loan, the Company has granted the Lender a security interest in all of the Company’s present and after-acquired personal property, subject to certain permitted encumbrances and ranking *pari passu* with certain other creditors of the Company.

About Seair

Seair Inc. is a Calgary-based cleantech company. Seair has commercialized proprietary technology that can diffuse gases, such as oxygen, ozone and carbon dioxide, into liquids more effectively and with lower power consumption than the competition. Seair's patented technologies can produce micron size bubbles that are more efficient than other diffusion technologies because the diffused gases remain in solution for extended periods of time, leading to increased productivity and lower operating costs. Seair has been working with customers in the oil and gas industry for over five years. Seair applications include oil sands SAGD water solutions, frac and produced water treatment, industrial ponds treatment, mine dewatering/treatment, end-to-end sewage treatment for permanent residential communities and remote work camps, golf course irrigation and pond treatment and most recently, industrial emissions treatment. Parties interested in obtaining further information or receiving news releases and corporate documents from Seair may email such requests to info@seairinc.com or visit the Seair website at www.seairinc.com.
