Dear Sirs/Mesdames:

Re: Frontera Copper Corporation (the "Corporation")

In regard to the filing of the short form prospectus of Frontera Copper Corporation dated February 27, 2006 (the "Short Form Prospectus") and the technical report entitled "Amended Technical Report for the Piedras Verdes Copper Project, December 2005" authored by Conrad E. Huss of M3 Engineering and Technology Corp. (the "Technical Report"), the undersigned hereby consents to:

1. The filing of the Technical Report.
2. The written disclosure of the Technical Report and such extracts from this report that have been included in the section entitled "Description and Development of the Business" in the Short Form Prospectus.

We confirm that we have read the written disclosure being filed and do not have any reason to believe that there are any misrepresentations in the information derived from the Technical Report, or that the written disclosure contains any misrepresentation of the information contained in the Technical Report. We do not offer any opinion on the content of the Short Form Prospectus that is outside of the scope and content of the Technical Report and other forward-looking statements by Frontera Copper Corporation.

Conrad E. Huss, Ph.D., P.E.
M3 Engineering & Technology Corp.
