

Morien Receives Notice from Kameron to Explore Sale of Donkin Mine Interest

HALIFAX, Nova Scotia, July 17, 2025 -- **Morien Resources Corp.** ("**Morien**" or the "**Company**") (TSX-V:MOX) reports that it has received notice from Kameron Collieries ULC ("Kameron"), owner and operator of the Donkin Coal Mine (the "Donkin Mine") in Nova Scotia, of Kameron's intent to explore a sale of its 100% ownership in the Donkin Mine.

Under the terms of the Royalty Agreement between Morien and Kameron, Morien holds a 2-4% production royalty on coal sales from the Donkin Mine. This royalty is binding upon Kameron and successor owners of the Donkin Mine and will continue if there is a change in ownership.

The Company understands that Kameron is in the early stages of initiating the sale process and has not yet entered into any binding sale agreement with a third party. Kameron's parent company, The Cline Group ("Cline"), has engaged U.S.-based Perella Weinberg Partners to lead the sales process.

Morien will publish further information on the sale process when it becomes available and as the process advances. There is no assurance that the sale process will result in a completed transaction, nor can Morien provide guidance on timing, transaction terms, or expected outcomes at this stage, or the impact of the sale process or any completed sale on the prospects for the Donkin Mine to restart operations.
