Refiled reviewed condensed interim consolidated financial statements
For the three-month and six-month periods ended June 30, 2020
Project No: 03092094

Dear Madam/Sir,

On August 5, 2020 we filed the condensed interim consolidated financial statements for the three-month and six-month periods ended June 30, 2020.

We note that information contained in the notes to the consolidated financial statements on page 7, note 5 (Marketable securities) wherein a maturity date and an interest rate on face value of the GIC have changed including on page 7, where the maturity date of March 2019 and the interest rate of 0.90% on face value (per annum) in the table from the top as at June 30, 2020 have been changed to March 2021 and 0.50%.

We note that information contained in the notes to the consolidated financial statements on page 18, note 18 (Subsequent events) has changed to reflect the proposed reverse take-over with Abaxx Technologies Inc. announced on September 18, 2020. For more information on the proposed reverse take-over , please see NML's press release of September 18, 2020.

We have corrected this situation and are filing again the interim consolidated financial statements for the three-month and six-month periods ended June 30, 2020, therefore replacing the version previously filed on SEDAR on August 5, 2020.

We thank you for your cooperation,

Yours Truly,

(signed) Robert Boisjoli
