**KEEPER RESOURCES ANNOUNCES FILING OF
ANNUAL INFORMATION FORM AND RESERVES INFORMATION DISCLOSURE**

CALGARY, ALBERTA, April 30, 2007. Keeper Resources Inc. has filed its annual information form (AIF) for its year ended December 31, 2006.

The AIF contains the detailed reserves information required by National Instrument 51-101 of the Canadian Securities Administrators, including the statements and reports required by forms 51-101F1, 51-101F2 and 51-101F3. A copy of the AIF can be viewed on SEDAR or on Keeper's website.

About Keeper Resources Inc.

Keeper Resources Inc. is an oil and gas exploration company with operations in Canada and Vietnam. Keeper's corporate philosophy is to develop lower risk opportunities in Canada while at the same time participating in higher risk, high impact international petroleum opportunities. This offers stable revenue in Canada while exposing investors to potentially significant increase in share value.
