NEWS RELEASE

NETWORK MEDIA GROUP ANNOUNCES CHANGE TO CFO

Vancouver, B.C., June 2, 2025 – Network Media Group Inc. (TSXV: NTE) (OTC: NETWF) ("Network" or the "Company") today reported the resignation of Darren Battersby as the Company's CFO. Mr. Battersby was appointed as Network's CFO in October 2014, and has served in such capacity since that time.

Network CEO, Derik Murray, stated: "On behalf of Network's board of directors, I would like to thank Darren for his significant contributions throughout his tenure at the Company, and we wish him the best in his future endeavours."

Mr. Battersby added: "I have greatly enjoyed the opportunity to work with the talented team at Network over the last decade, and wish them much success moving forward."

The Company is currently actively reviewing candidates for the CFO position.

About Network Media Group / Network Entertainment

Network Media Group is the parent company of Network Entertainment Inc.

Network Entertainment is a creatively driven, boutique film, television, and digital content production company that creates, finances and produces award-winning programming for television, digital platforms, and movie audiences around the world.

The Network premium brand of content delivers world-class casts and features visually cinematic, richly crafted storytelling. The Company's productions are consistently embraced by both audiences and critics alike, garnering awards, record ratings, and unparalleled media coverage for Network and its partners.
