NEWS RELEASE

VANCOUVER, BC

Cogent Integrated Solutions Announces Private Placement

Vancouver, BC - Cogent Integrated Solutions Corporation (CSO:TSX-V), a leading solutions provider to the health and social services sectors, today announced a non-brokered private placement of up to 2,200,000 common shares in one or more tranches at a price of \$0.23 per share to raise up to \$506,000. Proceeds will be used for working capital purposes. The private placement is subject to approval by the TSX Venture Exchange.

About Cogent Integrated Solutions

Cogent Integrated Solutions Corp. is a growing clinical healthcare software company whose primary product, EQUICARE™, integrates client care, existing systems and legacy data with proven collaboration and case management tools. Through the use of Microsoft's .NET products, Equicare clinical modules are web-based health and social care applications that improve the efficiency and quality of care delivered to clients served by multidisciplinary teams. Equicare is offered on a hosted or enterprise basis. Cogent's main areas of focus include publicly funded, integrated healthcare organizations and medium sized acute care hospitals. For information about Cogent and its products please visit www.cogent-is.com.
