Suite 300
717-7th Avenue SW
Calgary, AB T2P 0Z3

Item 2. Date of Material Change

September 16, 2008

Item 3. News Release

A news release was issued on September 16, 2008 through the services of CNW Group.

Item 4. Summary of Material Change

On September 16, 2008 the Corporation and its U.S. subsidiary completed the sale of the Corporation's Wellcore oil and gas well life cycle management software platform (the "Transaction"), which includes all of the assets (including all applicable intellectual property) and personnel associated with the development, marketing, sale and support of the Wellcore software application (collectively the "Wellcore Assets"), pursuant to the formal asset sale agreement dated August 28, 2008 between the Corporation and a subsidiary of P2 Energy Solutions, Inc., as buyer (the "Wellcore Asset Sale Agreement").

Item 5. Full Description of Material Change

On September 16, 2008 the Corporation and its U.S. subsidiary completed the sale of the Corporation's Wellcore oil and gas well life cycle management software platform (the "Transaction"), which includes all of the assets (including all applicable intellectual property) and personnel associated with the development, marketing, sale and support of the Wellcore software application (collectively the "Wellcore Assets"), pursuant to the formal asset sale agreement dated August 28, 2008 between the Corporation and a subsidiary of P2 Energy Solutions, Inc., as buyer (the "Wellcore Asset Sale Agreement").

In accordance with the Wellcore Asset Sale Agreement, P2 Energy Solutions paid to the Corporation CAD$4.5 Million of the total purchase price of CAD$5.0 Million (subject to holdback and release conditions, the "Purchase Price") for the Wellcore Assets. P2 Energy Solutions is to pay the Purchase Price holdback during the year following the Transaction closing, subject to certain conditions being met and subject to P2 Energy Solutions' claims against such holdback, if any, under the Wellcore Asset Sale Agreement**.**

In connection with P2 Energy Solutions' acquisition of the Wellcore Assets, approximately half of the former DDY employees will become employees of P2 Energy Solutions. Decision Dynamics has licensed from P2 Energy Solutions rights to use and support the X-core technology (the X-core assets were conveyed to P2 Energy Solutions pursuant to the Transaction), which is the foundational technology for Decision Dynamics' Linecore product line. Other than the Wellcore product and the X-core technology, none of DDY's Oncore or Linecore assets were conveyed to P2 Energy Solutions pursuant to the Transaction.

The Corporation proposes to use the sale proceeds from the Transaction to increase market penetration in all North American markets for its remaining products (primarily, Oncore), continue with technical upgrades to the remaining product lines, reduce existing debt, accelerate new product development and augment working capital.
