## **2.2 Binding Agreement**

The agreements of the Vendor and Purchaser set forth in Section 2.1 create and constitute a binding agreement of purchase and sale of the Purchased Assets on and subject to the provisions of the Agreement.

## **2.3 Effective Time**

The parties intend that the sales, transfers and assignments referred to in Section 2.1 shall occur at the Closing Time.

## **2.4 Satisfaction of Purchase Price**

The Purchase Price will be payable to the Vendor (or as the Vendor may otherwise direct) on the Closing Date in the following manner:

2.4.1 the assumption by the Purchaser of the principal amount of the Assumed Mortgage; and

2.4.2 the balance of the Purchase Price, subject to the Adjustments, will be satisfied by delivery to the Vendor of a certified cheque, payable to the Vendor drawn on one of the Canadian chartered banks listed in Schedule 1 to the *Bank Act* (Canada) and payable in Toronto.

## **2.5 Allocation**

The Purchase Price shall be allocated among the Purchased Assets as set out in Schedule "D" annexed hereto. The Vendor and the Purchaser shall treat such allocation as binding for all purposes, including the filing of all tax and other returns and the preparation of all financial statements and other documents and records legally required by the respective parties.

## **2.6 Transaction Taxes**

In addition to the Purchase Price, the Purchaser shall be liable for and shall pay when due all applicable land transfer taxes, provincial sales taxes, federal goods and services taxes, if any, and all other taxes, duties and other like charges, including licence transfer fees, if any, (excluding any liabilities of the Vendor under the *Income Tax Act* (Canada) or any similar provincial legislation, including in respect of capital gains or recapture of capital cost allowance realised in connection with the purchase and sale of the Purchased Assets contemplated herein, if any) and registration costs properly payable in connection with the sale, transfer, assignment and delivery of the Purchased Assets by the Vendor to the Purchaser.

## **2.7 Assumed Obligations**

The Purchaser shall assume at the Closing, and shall pay, perform and fully discharge, all of the covenants, liabilities and obligations of the Vendor in connection with the Purchased Assets arising from and after the Cut-Off Time, including under each of the following (collectively, the "Assumed Obligations"):

The Vendor shall indemnify and save harmless the Purchaser from and against all claims, demands and liabilities of whatsoever nature and kind relating to or arising under the Purchased Assets before the Cut-Off Time.

## **2.8 Non-Assignable Contracts**

This Agreement shall not constitute an assignment or an attempted assignment of any Non-Assignable Contracts. The Vendor shall assign to the Purchaser all Non-Assignable Contracts when such assignment is permitted and as the Purchaser may from time to time direct. The Vendor shall use its commercially reasonable efforts to obtain all consents required for the assignments contemplated herein. The Vendor shall not, however, be obliged to make any payments to third parties in addition to those required to be made by such Non-Assignable Contracts in order to obtain such consents, unless the Purchaser reimburses the Vendor for such additional payments at the time such payments are made. To the extent permitted by Applicable Law, if any of the Non-Assignable Contracts are not assignable by the terms thereof or where consents to the assignment thereof have not been obtained, such Non-Assignable Contracts shall be held by the Vendor in trust for the Purchaser and the covenants and obligations thereunder shall be performed by the Purchaser and all benefits and obligations existing thereunder shall be for the account of the Purchaser. The Vendor shall take or cause to be taken such action in its name or otherwise as the Purchaser may reasonably require at the Purchaser's cost so as to provide the Purchaser with the benefits thereof and to effect collection of money to become due and payable under the Non-Assignable Contracts and the Vendor shall promptly pay over to the Purchaser all money received by it relating to the Non-Assignable Contracts. The Vendor authorises the Purchaser, to the extent permitted by Applicable Law and the terms of the Non-Assignable Contracts, at the Purchaser's expense, to perform all of the Vendor's obligations under the Non-Assignable Contracts.

## **2.9 Adjustments**

**2.9.1 General.** The Vendor and the Purchaser shall adjust as of the Cut-Off Time on account of the following items relating to the Purchased Assets:

- (a) all rents, and other recoveries actually paid under the Approved Leases for the month in which the Closing Date occurs, including operating costs, taxes, local improvement charges and utilities and any applicable goods and services tax collectable thereon;
- (b) security deposits and prepaid rent (and interest thereon, if any) paid or received under the Approved Leases;
- (c) taxes and local improvement rates and charges;
- (d) utilities, fuel accounts and utility deposits;
- (e) all other expenses and operating costs in respect of the Property;
- (f) any payments or receipts in respect of obligations or benefits due to or from the merchants' associations and the promotion funds, if any, for the Property;
- (g) any prepaid amounts or any amounts payable under the Approved Property Contracts and any prepaid amounts or amounts payable under Permitted Encumbrances;
- (h) any proceeds of insurance received by the Vendor on account of damage to the Property occurring on or after the date of this Agreement and not applied as of the Closing Date on account of the cost of repair;
- (i) any principal and interest on the Assumed Mortgage and related deposits or security; and
- (j) all other items reasonably capable and, subject to the provisions of this Agreement, properly the subject of adjustment in connection with the ownership, operation and management of the Property of whatsoever nature.

2.9.2 *Adjustment Period.* The Purchaser shall be credited with and shall be entitled to the revenues and incomings received or receivable in respect of the period from and after the Cut-Off Time. The Purchaser shall be responsible for and shall be debited with and shall pay all costs, expenses and outgoings paid or payable in respect of such period. The Vendor shall be credited with and shall be entitled to the revenue and incomings received or receivable in respect to the period up to the Cut-Off Time and the Vendor shall be responsible for and shall be debited with and shall pay all costs, expenses and outgoings paid or payable in respect of such period. All such revenue and expenses incurred during the month of the Closing shall be apportioned between the Vendor and the Purchaser on a per diem basis, based on the number of days in the month.

2.9.3 *Recoveries.*

- (a) prior to the Closing Date, the Vendor agrees to complete its billings to Tenants for all recoverable expenses for the 2003 operating year for the Property;

- (b) as soon as reasonably possible after the Closing Date and in any event no later than six (6) months after the Closing Date, the Vendor and Purchaser shall, to the extent possible, adjust with the Tenants as of the Closing Date on account of all expenses recoverable from Tenants under the Approved Leases including, without limitation, common area charges, operating costs, escalations and property taxes or other similar expenses in respect of the period prior to the Closing Date; and
- (c) in the event that one or more Tenants dispute the Vendor's right to make the interim adjustment referred to in (b) above, the Vendor and the Purchaser shall adjust as of the end of the day on the Closing Date on account of those expenses recoverable from such Tenants, provided that such adjustment shall be made as soon as reasonably possible after the Closing Date.

**2.9.4** *Arrears.* Arrears of rents and recoveries from Tenants with respect to the period prior to the calendar month in which the Closing Date occurs shall remain the property of the Vendor. The Purchaser shall use reasonable commercial efforts to assist the Vendor to collect any such arrears of rent or recoveries but, this covenant shall not require the Purchaser to expend any amount of monies, to initiate any legal action nor to take any action which could have the effect of terminating the Approved Leases. Any amounts received by the Parties from or with respect to any such Tenant shall be applied, within 30 days of receipt as follows:

- (a) first, against the arrears accrued prior to the calendar month in which the Closing Date occurs; and
- (b) thereafter, the excess, if any, against other arrears accrued prior to the Cut-Off Time.

## **2.10 Readjustment**

It is agreed by and between the Parties that if the final cost or amount of any item which is to be adjusted under this Agreement, including all expenses recoverable from Tenants under Approved Leases, cannot be determined at Closing, then an initial adjustment for such item shall be made, such amount to be estimated by the Vendor, acting reasonably, as at the Closing Date on the basis of the best evidence available at the Closing as to what the final cost or amount of such item will be. The Vendor or Purchaser, as the case may be, shall make a final adjustment as at the Cut-Off Time, forthwith after recovery adjustments are completed with Tenants in respect of the year in which Closing occurs. In the absence of agreement by the parties hereto, the final cost or amount of an item shall be determined by the Vendor's auditors with the cost of such auditors' determination being shared equally between the Parties.

## **2.11 Tenant Inducements**

The Vendor shall be responsible for real estate commissions, tenant allowances and tenant inducements payable with respect to the Leases. The Purchaser shall be responsible for all real estate commissions, tenant allowances and tenant inducements payable with respect to the Proposed Leases it approves.

## **2.12 Realty Tax Appeals/Reassessments**

In the event the Vendor has appealed the municipal realty tax assessment relating to the Property, or any part thereof, with respect to any period prior to the Cut-Off Time, the Parties shall continue such appeal and the Vendor, subject to the entitlement of Tenants, shall be entitled to receive any realty tax rebates, credits, refunds or payments resulting therefrom or from any other statutory or legislative change, or for any other reason, with respect to such period, provided that the Vendor shall pay the costs for such appeals. In the event that any such rebates, credits, refunds or payments or any portion thereof are paid to the Purchaser or otherwise credited to the Purchaser, the Purchaser agrees to forthwith pay or cause such amounts to be paid to the Vendor, including any such amounts credited directly to the tax roll for any portion of the Property subject to entitlements of Tenants. The Purchaser agrees to fully co-operate with the Vendor in collecting any such rebates, credits, refunds or payments relating to the period prior to the Cut-Off Time at the cost and expense of the Vendor. Similarly, if the applicable governmental authority reassesses the Property or any portion thereof for any period prior to the Cut-Off Time the Vendor shall be responsible for any supplementary or omitted tax bills relating to such reassessment. The Purchaser's share of any realty tax rebates, credits, reductions, refunds or omitted realty taxes referable to the calendar year in which Closing occurs shall be readjusted between the Vendor and Purchaser based on their respective periods of ownership of the Property for such calendar year subject to the entitlement of Tenants.

### **ARTICLE 3 PURCHASER'S EXAMINATIONS**

#### **3.1 Access to Information**

Until the Closing Time, the Vendor will make reasonable access available during normal business hours on Business Days at the Vendor's or their counsel's offices to the Purchaser and its representatives to inspect and make copies if desired (at the expense of the Purchaser) of all such relevant information in the possession of the Vendor relating to the Purchased Assets as may be reasonably requested by the Purchaser. During the Inspection Period, the Purchaser shall have the right to inspect (a) the Property and conduct tests in the course of its inspections and (b) the Vendor's books and records relating to the operation and management of the Property. Such right shall also extend to the Purchaser's consultants.

#### **3.2 Governmental Inspection**

The Purchaser may not initiate inspections of the Property by governmental authorities. The Vendor agrees to provide authorizations to any relevant governmental departments and other authorities, authorising the release of any and all information on file in respect of the Property but specifically denying any right of inspection. If for any reason the transaction contemplated by this Agreement is not completed, the Purchaser shall return all documents and materials which it has obtained from the Vendor and repair and restore to the condition existing on the date prior to any such inspection or test any damage to the Property caused by the Purchaser's inspections or tests.

### **3.3 Physical Inspection**

The Purchaser shall be entitled to carry out physical inspections and tests of the Property including, without limitation: (a) their structure and the electrical, mechanical, plumbing, heating, air-conditioning, ventilating, garbage disposal, fire alarm, security and other systems servicing the Buildings; (b) the surface and sub-surface (including ground water) of the Lands by means of such soil tests, bore holes, test pits and other excavation as the Purchaser deems prudent; and (c) the environmental quality of the Buildings and the Lands subject to the rights of Tenants and the other occupants of the Property.

### **3.4 Inspection condition**

It is understood and agreed that this Agreement shall be conditional until the Inspection Termination Date on the following: (a) the Purchaser satisfying itself with all aspects of the Purchased Assets, including the results of any tests, reviews or inspections, and (b) the Purchaser satisfying itself with the terms and contents of the Leases, the Assumed Mortgage, the Property Contracts and the Immediate Deliveries. The Purchaser shall have the right should it not be satisfied, in its sole and absolute discretion, within the Inspection Period with any of these conditions to declare this Agreement null and void by a notice in writing delivered to the Vendor or the Vendor's solicitor's within the Inspection Period, whereupon neither party shall have any further liability to the other (save for the Purchaser's obligation to return documents and restore any damage as set out in Section 3.2). These conditions may be waived in whole or in part by the Purchaser. If the Vendor or the Vendor's solicitors have not received within the Inspection Period any notice in writing advising that the conditions contained in this Section 3.4 have been satisfied or waived, then these conditions shall be deemed not to have been satisfied or waived by the Purchaser.

### **3.5 Immediate Deliveries**

To the extent not already done so, the Vendor agrees to provide or make available to the Purchaser as soon as reasonably feasible and in any event within five (5) Business Days after the Execution Date the following:

- (a) true copies of the Property Contracts, Assumed Mortgage and the Leases;

## ARTICLE 4 REPRESENTATIONS AND WARRANTIES

### 4.1 Vendor's Representations and Warranties

The Vendor represents and warrants to the Purchaser as follows and acknowledges that the Purchaser is relying upon such representations and warranties in entering into and performing its obligations under this Agreement:

4.1.1 *Incorporation and Power.* The Vendor is a corporation validly subsisting under the laws of its jurisdiction of incorporation, is registered as an extra-provincial corporation where required, and has the corporate capacity to own the Purchased Assets and to sell or assign the Purchased Assets and to enter into, execute and deliver this Agreement and the agreements and other instruments contemplated hereby.

4.1.2 *Authority Relative to this Agreement.* All necessary corporate action has been taken by the Vendor to authorize the execution and delivery of this Agreement and all deeds, documents and instruments contemplated by this Agreement and the performance of the Vendor hereunder and thereunder, and this Agreement has been duly executed and delivered by the Vendor and constitutes a legal, valid and binding obligation of the Vendor enforceable against the Vendor in accordance with its terms.

4.1.3 *No Rights to Acquire Purchased Assets.* There are no agreements, options or other rights pursuant to which the Vendor is, or may become, obligated to sell any of the Purchased Assets.

4.1.4 *Title to Purchased Assets.* The Vendor is the absolute beneficial owner of the Purchased Assets with good and marketable title thereto, free of all Encumbrances, except for the Permitted Encumbrances. The Vendor has the exclusive right to possess, use, occupy and dispose of the Purchased Assets, subject only to the rights of the other parties to the Approved Leases and the Permitted Encumbrances.

4.1.5 *No Contravention.* None of the entering into of this Agreement, the sale of the Purchased Assets or the performance by the Vendor of any of its obligations under this Agreement, will contravene, breach or result in any default under its articles, by-laws, constating documents or other organisational documents or under any mortgage (including the Assumed Mortgage provided any required consent is obtained or notices given), Lease, agreement, other legally binding instrument, licence, permit, statute, regulation, order, judgement, decree or Applicable Law to which it is a party or by which it or the Purchased Assets may be bound. This Agreement and the transactions contemplated hereby will not on Closing relieve any other party

to a contract relating to the Purchased Assets, (including the Assumed Mortgage), from or enable such party to determine its obligations thereunder.

4.1.6 *Approvals and Consents.* Any authorization, consent or approval of, or filing with or notice to, any governmental agency, regulatory body, court or other Person required in connection with the execution, delivery or performance of this Agreement by the Vendor or the sale of any of the Purchased Assets by the Vendor to the Purchaser will be obtained by the Vendor prior to Closing, or as and when the parties may agree would be appropriate.

4.1.7 *Building Integrity.* Other than as disclosed by any inspection report provided to the Purchaser, to the best of the Vendor's knowledge and belief, without independent inquiry, the Property (including the foundation, the outer and inner walls, the roofs and the roof membranes) are free from material structural defects and the plumbing, mechanical, electrical and heating systems are free from material defects.

4.1.8 *Litigation.* There are no actions, suits or proceedings pending or, to the knowledge of the Vendor, threatened against or affecting the Vendor at law or in equity, or before any federal, provincial, municipal or other governmental department, commission, board, bureau, agency or agencies, which, if successful, would materially adversely affect the value of the Purchased Assets or the ability of the Vendor to sell any of the Purchased Assets to the Purchaser in accordance with the terms hereof and there exists no order, judgement or decree issued by, any federal, provincial, municipal or other governmental department, commission, board, bureau, agency or agencies which is or could be materially adverse.

4.1.9 *No Default.* The Vendor is not in material default under or in material breach of the Assumed Mortgage or any Permitted Encumbrance and there exists no state of facts which by notice or passage of time, or both, would constitute such a material default or material breach, and the Assumed Mortgage and Permitted Encumbrances are now in good standing and the Vendor is entitled to all benefits, rights and privileges thereunder. The principal balance of the Assumed Mortgage in the aggregate does not exceed \$7,700,000 and the interest rate under the Assumed Mortgage does not exceed the greater of a) the Royal Bank Prime rate plus 3.5%, and b) 8%. 4.1.11 *Property Contracts.* There are no Property Contracts other than those in the Ordinary Course and no default thereunder exists on the part of the Vendor, or, to the best of the Vendor's knowledge and belief, on the part of any of the other parties thereto which would have a Material Adverse Effect on the Purchased Assets. Correct and complete copies of all material Property Contracts, or where such contracts are oral, correct and complete written summaries of their terms, have been or will be made available to the Purchaser and provided as an Immediate Delivery pursuant to Section 3.5.

4.1.12 *Leases.* Except as disclosed in the Rent Roll, no material default under any of the Approved Leases on the part of the Tenants has occurred and is continuing which individually or

in the aggregate would have a Material Adverse Effect. The Vendor is not, as of the Execution Date, in default of its obligations under any of the Approved Leases, which default would have a Material Adverse Effect. The Vendor, subject to the Assumed Mortgage, has the right to receive the rents payable under the Approved Leases free of all Encumbrances or rights of set off in accordance with the terms thereof. The Approved Leases are not subject to the *Tenant Protection Act* (Ontario) or similar legislation in other jurisdictions, or if so subject, then the Approved Leases are in compliance and no lien is claimed against the Vendor under such legislation. The Vendor has not entered into any leases, licences, agreements to lease or other tenancy agreements with respect to the Property, which are currently in effect, save and except the Leases (true copies of which have been or will be provided as an Immediate Delivery pursuant to Section 3.5) and at Closing shall not have entered into any leases, licences, agreements to lease or other tenancy agreements with respect to any Property which are in effect at Closing, save and except the Approved Leases. The leasing files to be made available to the Purchaser during the Inspection Period contain all of the documents which constitute the entire arrangement between the Vendor and each respective Tenant under the Approved Leases. 4.1.14 *Zoning and Other Matters.* To the best of the Vendor's knowledge and belief, the Property and the operation and maintenance thereof, as now operated and maintained, comply with all Applicable Laws, except where failure to comply would represent legal non-conforming uses. The Vendor has received no notice and is not aware of (i) any restrictive covenants, municipal by-laws or other laws or regulations which in any way materially restrict or prohibit the use of the Property for the purposes for which it is presently being used, other than the Permitted Encumbrances, or (ii) any proposed changes to the official plan or zoning by-laws which would have a material and adverse effect on or prohibit such uses.

4.1.15 *No Expropriation Proceedings.* There are no expropriation or similar proceedings actual or threatened against the Property or any part thereof of which the Vendor has received notice.

4.1.16 *Environmental Matters.* Other than as specifically identified and disclosed in the Environmental Reports, the Property and its uses comply with, and the Vendor is not, and to the best of the Vendor's knowledge and belief, none of the Tenants is in material violation of, any Applicable Laws relating to the environment. Without limiting the generality of the foregoing, there are no outstanding orders or directions relating to environmental matters requiring any work, repairs, construction or capital expenditures with respect to the Property, and the Vendor is not aware of the basis for, nor has the Vendor received any notice of, such. Other than as

Contaminants, pollutants, substances and materials currently prohibited, controlled or regulated by any Authority, and "contaminants", "dangerous substances", "hazardous materials", "hazardous substances", "hazardous wastes", "industrial wastes", "liquid wastes", "pollutants" and "toxic substances", as may be deemed by, defined in, referred to or contemplated by Applicable Law, including any breakdown products related to such materials or substances, are deemed to be hazardous materials. Without limiting the generality of any of the foregoing, to the knowledge of the Vendor, except as specifically identified and disclosed in the Environmental Reports, none of the Buildings is insulated with urea formaldehyde foam and none contains asbestos or asbestos containing materials, polychlorinated biphenyls, or radioactive substances, and no underground or above ground storage tanks are present on, at, in or under the Property except as maintained in accordance with Applicable Law. The Property has not been used for the disposal of waste in a manner that would restrict its use pursuant to Applicable Law, including section 46 of Ontario's *Environmental Protection Act*.

4.1.23 *Services.* On Closing, the Property will be serviced by all required municipal, private and public utility services including, without limitation, storm and sanitary sewers, water,

hydro, cable, internet, telephone and gas, and which services will be installed fully functioning and adequate for the existing use of the Property. The provision of such services shall have paid for by the Vendor and shall not be chargeable against the Property by way of local improvement charges.

4.1.24 *Report.* To the best of the Vendor's knowledge and belief there have been no changes to the Property which would cause any of the Inspection Reports or Environmental Reports to be materially inaccurate or out of date.

4.1.25 *Permits.* All Permits necessary for the operation and ownership of the Purchased Assets are in full force and effect and unamended. The Vendor is in compliance in all respects with all provisions of the Permits and there are no proceedings in progress, or pending or threatened, which may result in revocation, cancellation, suspension or any Material Adverse Change to any of the Permits. No Permit is void or voidable as a result of the completion of the transactions contemplated hereby or by the Closing Documents nor is any consent or approval of any Person required to ensure the continued validity and effectiveness of any Permits in connection with, this Agreement, any Closing Document or the transactions contemplated hereby or thereby.

4.1.26 *No Facts Withheld.* The Vendor has not knowingly withheld any facts relating to the Purchased Assets which would be material to an intending purchaser thereof.

The execution by the Vendor of a Proposed Lease approved by the Purchaser shall render such lease an Approved Lease. The Vendor shall not enter into any Proposed Property Contract without the prior written approval of the Purchaser, such approval not to be unreasonably withheld or delayed. The execution by the Vendor of a Proposed Property Contract approved by the Purchaser shall render such contract an Approved Property Contract. The Purchaser shall supply to the Vendor within five (5) Business Days of the date of the Purchaser's receipt from Vendor of a request for consent or approval of any modification, amendment, alteration, cancellation, surrender or forfeiture of any of the Leases, Property Contracts or of any Proposed Lease or Proposed Property Contract, its written approval, consent or rejection (with reasons) for any such proposal, failing which the Purchaser shall be deemed to have given its written consent or approval to the proposal. Each Party shall take all such action as is within its power to control, and subject to any other provision in this Agreement, shall use reasonable commercial efforts to cause other actions to be taken which are not within its power to control, so as to ensure compliance with all conditions which are for the benefit of any party. The parties will cooperate in exchanging such information and providing such assistance as may be reasonably required in connection with the foregoing.

- (a) the Purchaser and the Vendor shall immediately do, or cause to be done, the necessary work to satisfy the Work Order as soon as possible, but, in any event, prior to Closing;
- (b) if such Work Order(s) cannot reasonably be satisfied by Closing, the Vendor and the Purchaser shall, acting reasonably, engage a professionally qualified independent engineer (the "Engineer") to provide an estimate as to the cost to rectify any such Work Orders and the following shall apply: (i) if the report (the "Report") of the Engineer confirms that the cost of satisfying the Work Order(s) in the aggregate (the "Satisfaction Cost") does not exceed \$100,000, then such work shall be contracted for and the Satisfaction Cost thereof, to the extent not paid by the Cut-Off Time shall be adjusted on Closing; (ii) if the Satisfaction Cost exceeds \$100,000.00 in the aggregate the Vendor shall have no obligation to satisfy or rectify such Work Order(s) and the Purchaser shall, by notice to the Vendor within four (4) Business Days after the receipt of the Report either: (i) elect to terminate this Agreement and this Agreement shall, upon delivery of such notice and notwithstanding any intermediate acts or negotiations, be terminated

and the Deposit (together with any interest accrued thereon) shall be returned to the Purchaser and no Party shall be liable for any costs or damages of the other or (ii) elect to reduce the Purchase Price by an amount equal to the Satisfaction Cost in which event the Purchaser shall deduct such amount from the amount payable on Closing, retain the same for its own benefit, close the transaction and assume full responsibility for satisfaction of the Work Order(s).
