About Cipher Pharmaceuticals Inc.

Cipher (TSX: CPH) is a specialty pharmaceutical company with a robust and diversified portfolio of commercial and early to late-stage products. Cipher acquires products that fulfill unmet medical needs, manages the required clinical development and regulatory approval process, and markets those products either directly in Canada or indirectly through partners in Canada, the U.S., and South America. Cipher is focused on a three-pronged growth strategy – including acquisitions, licensing, and selective investments in drug development – to assemble a broad portfolio of prescription products that serve unmet medical needs.
