FOR THE ANNUAL AND SPECIAL MEETING OF SHAREHOLDERS

TO BE HELD ON Thursday, May 26, 2016

PROXY SOLICITATION

PURPOSE OF SOLICITATION

This management information circular (the “Information Circular”) is furnished in connection with the solicitation of proxies by the management of Copper Fox Metals Inc. (the “Corporation”) for use at the annual and special meeting of common shareholders of the Corporation, to be held at Hotel Arts, Galleria Room, 119 – 12 Avenue SW, Calgary, AB, on Thursday, May 26, 2016 at 10:00am (MDT) or at any adjournment or postponement thereof for the purposes set out in the accompanying notice of meeting (the “Meeting”).

The cost of such solicitation will be borne by the Corporation and will be made primarily by mail. Directors and officers of the Corporation may without special compensation solicit proxies by telephone, facsimile or in person.

APPOINTMENT AND REVOCATION OF PROXIES

The persons named in the enclosed form of proxy are directors and officers of the Corporation and are nominees of management. Shareholders have the right to appoint a nominee (who need not be a shareholder) to represent them at the Meeting other than the persons designated in the enclosed form of proxy, and may do so by inserting the name of the appointed representative in the blank space provided in the form of proxy.

A form of proxy will not be valid for the Meeting or any adjournment or postponement thereof unless it is completed by the shareholder or by his attorney authorized in writing and must be delivered to: PROXY DEPARTMENT, CST Trust Company, PO Box 721, Agincourt, ON M1S 0A1, or by email to proxy@canstockta.com, or by fax at (416) 368-2502 (Toll Free: 1-866-781-3111 Canada & US Only), not later than forty-eight (48) hours (excluding Saturdays, Sundays and statutory holidays in the Province of Alberta) prior to the time set for the Meeting or any adjournment or postponement thereof.

In addition to revocation in any other manner permitted by law, a shareholder who has given a proxy may revoke it as to any matter upon which a vote has not already been cast pursuant to the authority conferred by the proxy. A proxy may be revoked by either executing a proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the shareholder or by his authorized attorney in writing, or, if the shareholder is a corporation, under its corporate seal by an officer or attorney duly authorized, and by depositing the proxy bearing a later date with Canadian Stock Transfer Company Inc. at any time up to and including the last business day preceding the date of the Meeting or any adjournment or postponement at which the proxy is to be used, or by depositing the revocation of proxy with the chairman of such meeting on the day of the meeting, or any adjournment or postponement of the Meeting.

VOTING OF PROXIES

The persons named in the enclosed form of proxy are directors and/or officers of the Corporation and have indicated their willingness to represent the shareholder who appoints them as proxy. Each shareholder may instruct his proxy how to vote his common shares by completing the enclosed form of proxy.

The person indicated in the enclosed form of proxy shall vote the common shares in respect of which they are appointed in accordance with the direction of the shareholder appointing them.

In the event of an absence of direction to vote the common shares in respect of which they are appointed, the management appointees named in the accompanying proxy will vote such common shares in favour of:

1. **Electing the persons proposed to be nominated by management as directors;**
2. **Re-appointing KPMG LLP, Chartered Accountants, as auditors of the Corporation for the ensuing year;**
3. **Approving the Corporation's 2009 Omnibus Share Compensation Plan, as more specifically described in this Information Circular; and**
4. **Transacting such further and other business as may properly come before the said meeting or any adjournment or postponement thereof.**

THE ENCLOSED FORM OF PROXY CONFERS DISCRETIONARY AUTHORITY UPON THE PERSON INDICATED IN THE PROXY WITH RESPECT TO AMENDMENTS OR VARIATIONS TO MATTERS IDENTIFIED IN THE NOTICE OF ANNUAL AND SPECIAL MEETING OF SHAREHOLDERS (THE "NOTICE") AND WITH RESPECT TO OTHER MATTERS WHICH MAY PROPERLY COME BEFORE THE MEETING. At the time of printing of the Information Circular, management of the Corporation knows of no such amendments, variations or other matters to come before the Meeting other than the matters referred to in the Notice and the Information Circular. If any matters which are not now known to the directors and senior officers of the Corporation should properly come before the Meeting, the persons named in the accompanying form of proxy will vote on such matters in accordance with their best judgment.

ADVICE TO BENEFICIAL SHAREHOLDERS

The information set forth in this section is of significant importance to many shareholders of the Corporation, as a substantial number of shareholders do not hold common shares in their own name. Shareholders who do not hold their common shares in their own name (referred to in this Information Circular as "Beneficial Shareholders") should note that only proxies deposited by shareholders whose names appear on the records of the Corporation as the registered holders of common shares can be recognized and acted upon at the Meeting. If common shares are listed in an account statement provided to a shareholder by a broker, then, in almost all cases, those common shares will not be registered in the shareholder's name on the records of the Corporation. Such common shares will more likely be registered under the name of the shareholder's broker or an agent of that broker. In Canada, the vast majority of such common shares are registered under the name of CDS & Co. (the registration name for The Canadian Depositary for Securities, which acts as nominee for many Canadian brokerage firms). Common shares held by brokers or their agents or nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. Without specific instructions, a broker and its agents and nominees are prohibited from voting shares for the broker's clients. **Therefore,**

Beneficial Shareholders should ensure that instructions respecting the voting of their common shares are communicated to the appropriate person.

The Corporation does not know for whom the common shares registered to CDS & Co. are held. Therefore, Beneficial Shareholders cannot be recognized by the Corporation at the Meeting. In order to ensure that their common shares are voted at the Meeting, Beneficial Shareholders should carefully follow instructions received from their broker or intermediary. Often, the form of proxy supplied to Beneficial Shareholders by their brokers is identical to that provided to registered shareholders, however, its purpose is limited to instructing the brokers/registered shareholder how to vote on behalf of the Beneficial Shareholder, and it is often referred to as a voting instruction form (“VIF”). The majority of the brokers now delegate the job of obtaining instructions from clients and voting shares according to their client’s instructions to a corporation named Broadridge Financial Solution, Inc. (“Broadridge”). Broadridge mails a VIF to you in lieu of the form of proxy provided by the Corporation. The VIF will name the same individuals as the Corporation’s form of proxy to represent Beneficial Shareholders at the Meeting. Beneficial Shareholders have the right to appoint a person (who need not be a Shareholder of the Corporation) other than the individuals designated in the VIF, to represent Beneficial Shareholders at the Meeting. To exercise this right, Beneficial Shareholders should insert the name of their desired representative in the blank space provided in the VIF. The completed VIF must then be returned to Broadridge by mail or facsimile or given to Broadridge by phone or over the internet, in accordance with Broadridge’s instructions. Broadridge then tabulates the results of all instructions received and completed in accordance with the instructions provided on the enclosed VIF and provides appropriate instructions respecting the voting of common shares of the Corporation to be represented at the Meeting. **If a Beneficial Shareholder receives a VIF from Broadridge, the VIF cannot be used to vote common shares of the Corporation directly at the Meeting – the VIF must be completed and returned to Broadridge, in accordance with its instructions, well in advance of the Meeting in order to have common shares of the Corporation voted.**

All references to shareholders in this Information Circular, the accompanying instrument of proxy and Notice are to shareholders of record unless specifically stated otherwise.

Notice and Access

The Corporation is sending meeting materials for the Meeting to shareholders using the “notice and access” provisions of National Instrument 54-101 – *Communication with Beneficial Owners*. Pursuant to such provisions, the Corporation provides shareholders with a notice on how they may access the Information Circular electronically instead of providing a paper copy.

VOTING SHARES

Only the common shares of the Corporation are entitled to vote at the Meeting. As of the date of this Information Circular, 417,060,495 common shares without nominal or par value are issued and outstanding. Each common share entitles the holder to one vote on all matters to come before the Meeting. No group of shareholders has the right to elect a specified number of directors, nor are there cumulative or similar voting rights attached to the common shares of the Corporation. There are no other classes of voting securities of the Corporation outstanding.

The quorum for the Meeting is the shareholders or duly appointed proxy holders personally present not being less than two in number, and holding or representing by proxy, not less than five percent (5%) of the common shares entitled to vote at Meeting.

The directors of the Corporation have fixed April 11, 2016 as the record date for determination of the persons entitled to receive notice of and vote at the Meeting. Only shareholders as of the close of

business on April 11, 2016 are entitled to receive notice of and vote at the Meeting, or any adjournment or postponement thereof, in the manner and subject to the procedures described in this Information Circular.

On a show of hands, every shareholder who is present in person and entitled to vote will have one vote, and on a poll, every shareholder present in person or represented by proxy or other proper authority will have one vote for each common share of which he is a holder.

PRINCIPAL HOLDERS OF VOTING SHARES

To the knowledge of directors and executive officers of the Corporation, as of the date of this Information Circular, no person or company beneficially owns, or controls or directs, directly or indirectly, voting shares of the Corporation carrying more than ten percent (10%) of the voting rights attached to all of the issued and outstanding common shares of the Corporation other than the following:

Name of Shareholder	Number of Common Shares Beneficially Owned, or Controlled or Directed, Directly or Indirectly	Percentage of Outstanding Common Shares
Ernesto Echavarria	226,253,189	54.25%

EXECUTIVE COMPENSATION

COMPENSATION DISCUSSION AND ANALYSIS

Overview

The compensation committee of the Corporation (the “Compensation Committee”) is responsible for annually reviewing the Corporation’s compensation arrangements with Named Executive Officers (as defined below), with resultant recommendations being made to the Board of Directors as a whole. The Compensation Committee is currently composed of members of the Board of Directors that are independent of management of the Corporation. When reviewing the compensation of the Named Executive Officers, the Compensation Committee considers the objectives of: (i) recruiting and retaining the executives critical to the success of the Corporation and the enhancement of shareholder value; (ii) providing fair and competitive compensation; (iii) balancing the interests of management and shareholders of the Corporation; (iv) motivating executives to deliver strong business performance, both on an individual basis and with respect to the business in general; and (v) ensuring the executive compensation program is simple to communicate and administer. The Compensation Committee has the responsibility of negotiating the Named Executive Officers’ total compensation package, reviewing and advising on stock option guidelines, including the authority under the Corporation’s 2009 Omnibus Share Compensation Plan to grant options, and to review and recommend to the Board the compensation policies and principles that will be applied to other executives and employees of the Corporation.

The Compensation Committee receives and reviews any recommendations made by the President and Chief Executive Officer of the Corporation relating to the general compensation structure and policies and programs for the Corporation and the salary and benefit levels for the other named Executive Officers.

Objectives

It is the objective of the Corporation’s compensation program to attract and retain highly qualified executives and to link incentive compensation to performance and shareholder value. It is the goal of the Compensation Committee to endeavour to ensure that the compensation of the Named Executive Officers

is sufficiently competitive to achieve the objectives of the executive compensation program. The Compensation Committee gives consideration to the Corporation's contractual obligations, performance, the Corporation's budget and financial strength, as well as qualitative aspects of the individual's performance and achievements.

Elements of the Compensation Program

The Corporation's compensation program is comprised of (i) base salary or management fee arrangement and benefits; (ii) long-term incentives in the form of share compensation awards. Each component of the executive compensation program is addressed below.

Base Salaries or Management Fee Arrangement and Benefits

Salaries for the Named Executive Officers are reviewed annually based on corporate and personal performance, individual levels of responsibility and the Corporation's budget and financial strength. Salaries of the Named Executive Officers are not determined based on a specific formula. The Compensation Committee submits its recommendation to the full Board as to salary of each of the Named Executive Officers. In making its recommendations, the Compensation Committee considers recommendations by the President and CEO for the other Named Executive Officers of the Corporation. As stated above, base salaries and management fee arrangements are set with the object of attracting and retaining highly qualified executives.

Other components of compensation may include personal benefits as determined by the Compensation Committee that are consistent with the overall compensation strategy. There is no formula for how personal benefits are utilized in the total compensation package. The Corporation does not provide any pension or retirement benefits to the Named Executive Officers.

Long Term Incentives and Stock Option Plan

The Compensation Committee also administers the Corporation's 2009 Omnibus Share Compensation Plan, which is designed to provide long-term incentives that are linked to shareholder value. The Corporation currently grants only stock option awards under the Corporation's 2009 Omnibus Share Compensation Plan. The Compensation Committee determines a recommended number of options to be granted to each Named Executive Officer based on the level of responsibility and experience required for the position and with the objective of attracting and retaining qualified and talented employees. The Compensation Committee also takes account of the Corporation's contractual obligations, the Corporation's budget and financial strength, and the award history for all participants in the stock option plan.

Risks Associated with the Corporation's Compensation Policies and Practices

The Compensation Committee has considered the implications of the risks associated with the Company's compensation practices and has determined that there are no significant areas of risk.

Named Executive Officer Purchase of Financial Instruments

The Company has not adopted a policy to prohibit Named Executive Officers and directors from purchasing financial instruments, including prepaid forward contracts, equity swaps, collars, or units of exchange funds (collectively, "**Hedging Contracts**") that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the Named Executive Officer or director. Based on information provided to the Company by the Named Executive

Officers and directors, as of the date of this Information Circular, no Named Executive Officer or director has purchased any Hedging Contracts with respect to the Company.

Significant Changes to Compensation Policies and Practices in the next financial year

As of the date of this Information Circular, the Company has not determined if it will be making any significant changes to its compensation policies and practices in the next financial year.

The exercise price for option awards is recommended by the Compensation Committee to the Board of Directors for approval, provided that such price may not be less than the lowest price permitted under the applicable rules and regulations of all regulatory authorities to which the Corporation is subject, including the TSX Venture Exchange.

SECURITIES AUTHORIZED FOR ISSUANCE UNDER EQUITY COMPENSATION PLANS

The only ongoing equity compensation plan which the Corporation has in place is the Corporation’s 2009 Omnibus Share Compensation Plan (the “Omnibus Plan”). The Omnibus Plan was approved by the Board of Directors on October 13, 2009 and approved by the Shareholders at the November 12, 2009 Annual and Special General Meeting of Shareholders. The Omnibus Plan replaced the Corporation’s stock option plan adopted on March 8, 2004.

The following table sets out the Omnibus Plan information as at the end of the most recently completed financial year.

Omnibus Plan Information

Equity compensation plans approved by security holders	Number of securities to be issued upon exercise of outstanding options (“Column A Securities”)	Weighted-average exercise price of outstanding options	Number of securities remaining available for future issuance under equity compensation plans (excluding Column A Securities)
Omnibus Plan	1,575,000	\$1.46	39,191,004

The following is a summary of important provisions of the Omnibus Plan. It is not a comprehensive discussion of all of the terms and conditions of the Omnibus Plan. Readers are advised to review the full text of the Omnibus Plan to fully understand all terms and conditions of the Omnibus Plan. A copy of the Omnibus Plan can be obtained by contacting the Corporation’s Corporate Secretary.

Purpose. The purpose of the Omnibus Plan is to promote the Corporation's interests and long-term success by providing directors, officers, employees and consultants with greater incentive to further develop and promote the Corporation's business and financial success, to further the identity of interest of persons to whom Awards may be granted with those of the shareholders generally through a proprietary ownership interest in the Corporation, and to assist the Corporation in attracting, retaining and motivating its directors, officers, employees and consultants.

Administration. Under the Omnibus Plan, the board of directors can, at any time, appoint a committee (the "Compensation Committee") to, among other things, interpret, administer and implement the Omnibus Plan on behalf of the board of directors in accordance with such terms and conditions as the board of directors may prescribe, consistent with the Omnibus Plan (provided that if at any such time such a committee has not been appointed by the board of directors, the Omnibus Plan will be administered by the board of directors).

Eligible Persons. Under the Omnibus Plan, Awards may be granted to any director, officer, employee or consultant (as defined in the Omnibus Plan) of the Corporation, or any of its affiliates (an "Eligible Person"). A participant ("Participant") is an Eligible Person to whom an Award has been granted under the Omnibus Plan.

Number of Securities Issued or Issuable. Subject to the adjustment provisions provided for in the Omnibus Plan and the applicable rules and regulations of all regulatory authorities to which the Corporation is subject (including any stock exchange), the total number of common shares reserved for issuance pursuant to the Omnibus Plan shall not exceed 10% of the issued and outstanding common shares.

For purposes of the above, if an Award entitles the holder to receive or purchase common shares, the number of common shares covered by such Award or to which such Award relates will be counted on the date of grant of such Award against the aggregate number of common shares available for granting Awards under the Omnibus Plan. Every common share subject to an option will be counted against the limit as one common share. Every common share subject to all other Awards will be counted based on the ratio of the fair market value of such Award to the fair market value of one option calculated using the Black-Scholes pricing model.

If an outstanding Award for any reason expires or is terminated or cancelled without having been exercised or settled in full, or if common shares acquired pursuant to an Award subject to forfeiture or repurchase are forfeited or repurchased by the Corporation for an amount not greater than the Participant's (as defined above) purchase price, the common shares will again be available for issuance under the Omnibus Plan. Common shares will not be deemed to have been issued pursuant to the Omnibus Plan with respect to any portion of an Award that is settled in cash.

Maximum Grant to Any One Participant. If, and for so long as the common shares are listed on the TSX Venture Exchange, no more than 5% of the issued and outstanding common shares may be granted to any one individual Participant in any 12 month period (unless the Corporation has obtained disinterested approval for such grant). If, and for so long as the common shares are listed on the Toronto Stock Exchange, the number of common shares reserved for issuance to any one Participant pursuant to the Omnibus Plan may not, in aggregate, exceed 5% of the total number of issued and outstanding common shares.

Maximum Grant to Any One Consultant. If, and for so long as the common shares are listed on the TSX Venture Exchange, no more than 2% of the issued and outstanding common shares may be granted to any one consultant in any 12 month period.

Maximum Grant to Any One Investor Relations Employee. If, and for so long as the common shares are listed on the TSX Venture Exchange, no more than an aggregate of 2% of the issued and outstanding common shares may be granted to an employee conducting investor relations activities in any 12 month period.

Exercise Price of Options. The exercise price per common share for options is fixed by the Compensation Committee but under no circumstances can the exercise price at the time of grant be less than the fair market value of the common shares.

In addition, if any Participant who is a citizen or resident of the U.S. to whom an “incentive stock option” for the purposes of section 422 of the U.S. Internal Revenue Code (a “U.S. Qualified Incentive Stock Option”) is to be granted under the Omnibus Plan, and at the time of the grant the Participant is an owner of shares possessing more than 10% of the total combined voting power of all classes of the Corporation’s common shares, then special provisions will be applicable to the U.S. Qualified Incentive Stock Option granted to such individual. These special provisions applicable only to U.S. Qualified Incentive Stock Options will be: (i) the exercise price (per common share) cannot be less than 110% of the fair market value of one common share at the time of grant; and (ii) the option exercise period cannot exceed five years from the date of grant.

Vesting of Restrictions. If, and for so long as the common shares are listed on the TSX Venture Exchange, options issued to consultants performing investor relations activities must vest in stages over 12 months with no more than one-quarter (1/4) of the options vesting in any three month period. Except as determined from time to time by the Compensation Committee, all options will cease to vest as at the date upon which the Participant ceases to be an Eligible Person (which, in the case of an employee or consultant, will be the date on which active employment or engagement, as applicable, terminates, specifically without regard to any period of reasonable notice or any salary continuance).

Term of Options. Subject to an extension in the case of a blackout period, the term of options granted will be determined by the Compensation Committee and specified in the option agreement pursuant to which such option is granted, provided that the date cannot be later than the earlier of: (i) the date which is the tenth (10th) anniversary of the date on which such option is granted; and (ii) the latest date permitted under the applicable rules and regulations of all regulatory authorities to which the Corporation is subject. No U.S. Qualified Incentive Stock Option can be granted more than ten years after the earlier of: (i) the date on which the Omnibus Plan is adopted by the board of directors; or (ii) the date on which the Omnibus Plan is approved by the Corporation’s shareholders.

Stock Appreciation Rights. If the Corporation becomes a Tier 1 issuer on the TSX Venture Exchange or the common shares are listed on the Toronto Stock Exchange, the Compensation Committee is authorized to grant Stock Appreciation Rights to Eligible Persons subject to the terms and conditions of the Omnibus Plan and the requirements of the stock exchange which the common shares are listed for trading. For Stock Appreciation Rights granted under the Omnibus Plan, the Participant, upon exercise of the Stock Appreciation Right, has the right to receive, as determined by the Compensation Committee, cash or a number of common shares equal to the excess of: (i) the fair market value of one common share on the date of exercise (or, if the Compensation Committee so determines at any time during a specified period before or after the date of exercise), and; (ii) the grant price of the Stock Appreciation Right as determined by the Compensation Committee, which grant price cannot be less than 100% of the fair market value of one common share on the date of grant of the Stock Appreciation Right.

Term of Stock Appreciation Rights. The term of the Stock Appreciation Right granted will be determined by the Compensation Committee and specified in the Award agreement pursuant to which such Stock Appreciation Right is granted, provided that the date cannot be later than the earlier of: (i) the date which is the tenth (10th) anniversary of the date on which such option is granted; and (ii) the latest date

permitted under the applicable rules and regulations of all regulatory authorities to which the Corporation is subject.

Restricted Stock. The Compensation Committee is authorized to grant Restricted Stock to Eligible Persons subject to the terms and conditions of the Omnibus Plan and the requirements of the stock exchange which the common shares are listed for trading. The common shares of Restricted Stock will be subject to such restrictions as the Compensation Committee may impose and which comply with the requirements of the stock exchange which the common shares are listed for trading, which restrictions may lapse separately or in combination at such time or times, in such instalments or otherwise as the Compensation Committee determines.

Restricted Stock Unit. If the Corporation becomes a Tier 1 issuer on the TSX Venture Exchange or the common shares are listed on the Toronto Stock Exchange, the Compensation Committee is authorized to grant Restricted Stock Units to Eligible Persons subject to the terms and conditions of the Omnibus Plan and the requirements of the stock exchange which the common shares are listed for trading. A Restricted Stock Unit Award will be subject to a Restricted Stock Unit Award agreement containing such terms and conditions, not inconsistent with the provisions of the Omnibus Plan, as the Compensation Committee determines.

Performance Awards. The Compensation Committee is authorized to grant Performance Awards to Eligible Persons subject to the terms and conditions of the Omnibus Plan and the requirements of the stock exchange which the common shares are listed for trading. A Performance Award granted under the Omnibus Plan (i) may be denominated or payable in cash, common shares (including, without limitation, Restricted Stock and Restricted Stock Units), other securities, other Awards or other property; and (ii) will confer on the holder thereof the right to receive payments, in whole or in part, upon the achievement of such performance goals during such performance periods as the Compensation Committee establishes. Subject to the terms of the Omnibus Plan, the performance goals to be achieved during any performance period, the length of any performance period, the amount of any Performance Award granted, the amount of any payment or transfer to be made pursuant to any Performance Award and any other terms and conditions of the Performance Award will be determined by the Compensation Committee.

Other Stock-Based Awards. The Compensation Committee is authorized to grant to an Eligible Person, subject to the terms of the Omnibus Plan and the requirements of the stock exchange which the common shares are listed for trading, such other Awards that are denominated or payable in, valued in whole or in part by reference to, or otherwise based on or related to, common shares (including, without limitation, securities convertible into common shares), as are deemed by the Compensation Committee to be consistent with the purpose of the Omnibus Plan.

Causes of Cessation. In the event the Participant ceases to be an Eligible Person for any reason, other than the death of the Participant or the termination of the Participant for cause, the options will expire at such period of time after the date on which the Participant ceases to be an Eligible Person as may be specified by the Compensation Committee, which date shall not exceed 90 days following the date of termination of the Participant's directorship, active employment or active engagement, as applicable.

In the event of the termination of the Participant as a director, officer, employee or consultant for cause, the options will expire on the date of notice of such termination.

In the event of the death of a Participant prior to: (i) the Participant ceasing to be an Eligible Person; or (ii) the date which is the number of days specified by the Compensation Committee pursuant to the paragraphs above from the date on which the Participant ceased to be an Eligible Person; the options will expire on the date which is one year after the date of death of the Participant or such earlier date specified

by the Compensation Committee and which period will be specified in the Award agreement with the Participant with respect to such options.

Assignability. Awards granted under the Omnibus Plan are non-transferable and non-assignable to anyone other than to a “permitted assign” as defined in the Omnibus Plan.

Procedure for Amending. Subject to terms of the Omnibus Plan and any applicable requirements of the stock exchange which the common shares are listed for trading, the Compensation Committee has the right at any time to amend the Omnibus Plan or any Award agreement thereunder, provided that shareholder approval has been obtained by ordinary resolution. Notwithstanding the foregoing, shareholder approval is not required for amendments of a clerical nature, amendments to reflect any regulatory authority requirements, amendments to vesting provisions, amendments to the term of options or stock appreciation rights held by non-insiders, amendments to the option exercise price of options held by non-insiders, and, if and for so long as the common shares are not listed on the TSX Venture Exchange, any amendments which provide a cashless exercise feature to an Award that provides for the full deduction of the number of underlying common shares from the total number of common shares subject to the Omnibus Plan.

Financial Assistance. The Corporation does not provide financial assistance to Participants to facilitate the purchase of common shares upon the exercise of options granted under the Omnibus Plan. However, there may be certain financial assistance provided by the Corporation for other types of Awards, subject to applicable law and the rules and policies of any securities regulatory authority or stock exchange with jurisdiction over the Corporation.

Other Material Information. Appropriate adjustments to the Omnibus Plan and to Awards granted thereunder will be made by the Compensation Committee to give effect to adjustments in the number and type of common shares (or other securities or other property) resulting from subdivisions, consolidations, substitutions, or reclassifications of common shares, payment of stock dividends or other changes in the Corporation’s capital. In the event of any merger, acquisition, amalgamation, arrangement or other scheme of reorganization that results in a change of control, the Compensation Committee will, in an appropriate and equitable manner: (i) determine the purchase price or exercise price with respect to any Award, *provided, however*, that the number of common shares covered by any Award or to which such Award relates is always a whole number; or (ii) determine the manner in which all unexercised option rights granted under the Omnibus Plan will be treated; or (iii) offer any Participant the opportunity to obtain a new or replacement option over any securities into which the common shares are changed or are convertible or exchangeable, on a basis proportionate to the number of common shares under option and the exercise price (and otherwise substantially upon the terms of the option being replaced, or upon terms no less favourable to the Participant); or (iv) commute for or into any other security or any other property or cash, any option that is still capable of being exercised, upon giving to the Participant to whom the Award has been granted at least 30 days written notice of its intention to commute the option, and during such period of notice, the option, to the extent it has not been exercised, can be exercised by the Participant without regard to any vesting conditions attached thereto, and on the expiry of such period of notice, the unexercised portion of the option will lapse and be cancelled.
