I, Timothy O. Kuhl, am a Professional Geoscientist, employed as Principal Geologist of AMEC E&C Services.

This certificate applies to the technical report titled "2009 NI 43-101 Technical Report Grand Cache Coal Corporation, Grande Cache, AB, Canada" dated 26 June 2009.

I am a Registered Geologist, State of Washington, USA. I have obtained a Bachelor of Science degree in Geological Engineering and Masters of Science degree in Geology from the South Dakota School of Mines and Technology in 1975 and 1982 respectively.

I have practiced my profession for 30 years. I have been directly involved in working coal and metal deposits in North America including project supervision, resource estimation, surface exploration, drill program supervision and database administration.

As a result of my experience and qualifications, I am a Qualified Person as defined in National Instrument 43-101 *Standards of Disclosure of Mineral Projects* (NI 43-101).

I am responsible for sections 7 to 16 of the technical report titled "2009 NI 43-101 Technical Report Grand Cache Coal Corporation, Grande Cache, AB, Canada", and dated 26 June 2009.

I am independent of Grande Cache Coal Corporation as independence is described by Section 1.4 of NI 43-101.

I visited the Grande Cache Coal Mine between 23 March and 24 March 2009.

I have read National Instrument 43-101 and this report has been prepared in compliance with that Instrument.

As of the date of this certificate, to the best of my knowledge, information and belief, the technical report contains all scientific and technical information that is required to be disclosed to make the technical report not misleading.

(Signed)

Timothy O. Kuhl, R. Geo.
