I, Jian (James) Yue, P.Eng, do hereby certify that:

I am employed as a Senior Process Engineer of AMEC Americas Ltd., Mining & Metals Division, Suite 400, 111 Dunsmuir Street, Vancouver, British Columbia V6B 5W3.

This certificate applies to the technical report entitled "2010 NI 43-101 Technical Report Grande Cache Coal Corporation, Grande Cache, AB, Canada" dated May 26, 2010.

I am a member of the Association of Professional Engineers and Geoscientists of British Columbia.

I graduated with a Mineral Process Engineering Diploma from the Xi'an University of Architecture and Technology, Shaanxi, China in 1983.

I have practiced my profession for a total of 25 years since my graduation from university. I have worked in the coal industry in China as a process engineer for more than 10 years and have been involved in all phases of coal preparation plant design, research, engineering and evaluations.

As a result of my experience and qualifications, I am a Qualified Person as defined in National Instrument 43-101 *Standards of Disclosure for Mineral Projects* (NI 43-101).

I visited the Grande Cache Coal Mine between March 23 and 24, 2010.

I am responsible for the preparation of section 16 of the technical report titled "2010 NI 43-101 Technical Report Grande Cache Coal Corporation, Grande Cache, AB, Canada" dated May 26, 2010.

I am independent of Grande Cache Coal Corporation as independence is described by Section 1.4 of NI 43-101.

I have read National Instrument 43-101 and this Technical Report has been prepared in compliance with that instrument.

As of the date of this certificate, to the best of my knowledge, information and belief, the technical report contains all scientific and technical information that is required to be disclosed to make the technical report not misleading.

James Yue

Dated at Vancouver this 26th Day of May, 2010.
