PRESS RELEASE

MEDICAL INTELLIGENCE COMMENCES PROCEEDING UNDER THE *COMPANIES' CREDITOR ARRANGEMENT ACT*

Québec City, March 31th, 2009 – Medical Intelligence Technologies Inc. (TSX-V: MIZ or the "Company"), a provider of innovative monitoring solutions for the mobile telecare industry, announced today that it has requested and obtained an initial order from the Court under the terms of the *Companies' Creditors Arrangement Act* ("CCAA"). Valid until April 26, 2009 or until any other time decided by the Court, this order applies to the Canadian activities of the Company but does not affect its subsidiaries Medical Mobile SAS (France), Medical Mobile Seguridad (Spain) and Medical Mobile Ltd. (United Kingdom). In continuing its European activities, the Company is ensuring that equipment deliveries continue, that services on all its platforms are rendered and that development is sustained for its existing clients.

As well, three (3) members of the Board of Directors, Mr. Charles Massicotte, Mr. Luc Mayrand and Mr. Richard Bruno announced their resignations as directors of the Company.

Given the current global financial situation, the Board of Directors of the Company composed of Mr Jean Lamarre, Mr Louis Massicotte and Mr Philippe Huneault, considers that obtaining such an order and the possible presentation of a Plan of Arrangement to its creditors are the only solutions to regain a viable financial health. Samson Bélair Deloitte et Touche ("SBDT") has been appointed as monitor. In addition to its responsibilities under the CCAA, SBDT will also assist the management of the Company in the development of a Plan of Arrangement that could be acceptable to the creditors and the Company. The Company also concluded two funding agreements with Finexcorp inc. in order to ensure the continuity of its operations during the course of the restructuring process. Firstly, the Company concluded a Factoring Agreement of its accounts receivable and research and development tax credits for an amount of $ 750,000. Under this agreement, the Company granted Finexcorp a hypothec in all of the Company's inventories and accounts receivable. The Company also concluded an Interim Funding Agreement for an amount of $ 200,000, secured by hypothec on, mortgage of, lien on, security interest in the universality of the Company's assets to the extent of the aggregate amount of $400,000 (the "Charge"). The Charge, ordered by the Court, ranks in priority to any and all hypothec, lien, right or encumbrance of whatever nature or kind affecting the assets of the Company. These two financing agreements shall provide the Company with the necessary liquidity to implement its restructuring plan and to maintain its commercial activities in Canada and in Europe through its European subsidiaries.
