Uniserve Announces 5,000,000 Unit Private Placement at \$0.07 Per Unit

Vancouver, BC: November 4, 2015 – Uniserve Communications Corporation (the “Company”) wishes to announce that it has agreed to issue up to 5,000,000 Units in a private placement, at a price of \$0.07 per unit, each unit consisting of one common share and one transferable share purchase warrant. One warrant will be exercisable for one additional common share at \$0.10 per share for a two year period. The proceeds derived from this placement will be used for the purposes of general working capital. No finder's fees are payable pursuant to this placement and this transaction is subject to TSX Venture Exchange approval.

Uniserve Communications Corporation (TSX-V: USS) is a leader in the integration and delivery of voice and data services over multiple IP networks directly or through wholesale partnerships to businesses and retail consumers throughout Canada.
