Uniserve Announces Appointment of New Director

Vancouver, BC: May 5, 2025 – Uniserve Communications Corporation (the “Company” or “Uniserve”) (TSXV: USS), a leading provider of IT solutions and services for both business and residential customers across Canada, is pleased to announce the appointment of Mr. Gautam Lohia to its Board of Directors, effective immediately.

Mr. Lohia holds an MBA and a B.Sc. from UBC, and is the current CEO of Apply Digital, a digital innovation company focused on products, platforms and commerce, which he co-founded in 2016. Mr. Lohia has helped scale Apply Digital from a start-up to a global digital transformation consulting firm of 750 people. This has been through organic growth and acquisition of value-add bolt-ons. Mr. Lohia has over 30 years of expertise in leading digital technology companies, starting his career as a software developer.

About Uniserve

Uniserve is a premier provider of smart technology solutions and reliable IT services for home and business customers. With offices in Vancouver, Calgary, and Waterloo, Uniserve offers a wide range of services across three key verticals: Residential, Small Business, and Enterprise.

For residential customers, Uniserve provides telecommunications and high-speed internet services. Small business customers benefit from tailored technology bundles designed for startups, professionals, creative industries, and retail outlets. For larger enterprise clients, Uniserve offers comprehensive, cutting-edge managed IT services focused on security, disaster recovery, business continuity, cloud hosting, and 24/7 Canadian-based technical support. The Company operates its own T2 data center in Vancouver, B.C., with additional disaster recovery and failover capabilities in Calgary.

This news release was prepared on behalf of the Board of Directors, which accepts full responsibility for its contents.
