Re: Cresval Capital Corp. (the "Issuer")

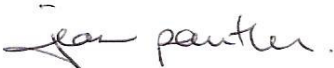

Report Entitled "Geological, geochemical and evaluation report on the New Raven Project" dated December 22, 2008

Pursuant to Section 8.3 of National Instrument 43-101 *Standards of Disclosure for Mineral Projects*, this letter is being filed as the consent of Jean M. Pautler of JP Exploration Services Inc. to the public filing of the technical report entitled "Geological, geochemical and evaluation report on the New Raven Project" dated December 22, 2008.

- 1) I am the author of the Technical Report dated December 22, 2008 on the New Raven Project (the "Report").
- 2) I have read National Instrument 43-101 (the "Instrument"), the Companion Policy 43-101CP, and Form 43-101F1 (the "Form 43-101F1"), and confirm that:
 - (a) I have no reason to believe that there are any misrepresentations in the information contained in the Report or that is within my knowledge as a result of the investigations and enquiries made by me in connection with the preparation of the Report; and
 - (b) the Report complies with the requirements of the Instrument and Form 43-101F1.
- 3) Further, I hereby consent to the Issuer's use of the Report for its regulatory filing purposes, and the disclosure of the Report to the public.
- 4) This letter is solely for your information in connection with the filing of the Report and it is not to be used, circulated, quoted or otherwise referred to for any other purpose.

Yours truly,

JP EXPLORATION SERVICES INC.

Per: 

Jean Pautler, P. Geo.
