

CERTIFICATE OF QUALIFIED PERSON

I, Donald Théberge, eng., M.B.A, do hereby certify that:

- a) I am registered under the name Solumines, and my business place is located at 54 De La Vigie, Lévis, Province of Quebec, G6V 5W2;
- b) I am the qualified person, responsible for the preparation of all the sections of the technical report entitled « *NI 43-101 Technical Report pertaining to the Trecesson property, Abitibi area, Amos region, prepared for Knick Exploration Inc.* » dated April 30, 2010;
- c) I graduated with a degree in geological engineering from the University du Québec at Chicoutimi in 1978. I have obtained a Master of Business Administration (M.B.A) from Laval University in 1994. I am a member in good standing of the Ordre des Ingénieurs du Québec no 32368. I have worked as a geological engineer since my graduation in 1978. My pertinent experience for the Trecesson project has been acquired during my three years with Serem (1978-1981), as a project geologist, with Agnico-Eagle from 1982 to 1989 as a senior geologist, as a technical inspector for the C.E.I.P program of Natural Resources Canada (1989-1990), and during many mandates done for several junior exploration companies;
- d) Half a day has been required to visit the property. I visited the property on November 17, 2009;
- e) I'm responsible for all the sections of the technical report;
- f) I am independent of the issuer in conformity with the article 1.4 of the NI 43-101;
- g) I have read the definition of "qualified person" set out in Regulation 43-101 about disclosure for mineral project and certify that by reason of my education, affiliation with a professional association (as defined in Regulation 43-101) and past relevant work experience, I fulfill the requirements to be a "qualified person" for the purposes of Regulation 43-101;

- h) I have read the National Instrument 43-101 and Form 43-101F1, and the Technical Report has been prepared in compliance with that Instrument and Form;
- i) As of April 30, 2010 to the best of my knowledge, information and belief, the Technical Report contains all the scientific and technical information that is required to be disclosed to make the Technical Report not misleading.

Dated this April 30, 2010,

Donald Th  berge eng., M.B.A
