

PRESS RELEASE**REWAY GROUP: to the subsidiary Gema new works for about 42 million euros in the railway field****The company is part of a ATI that will be responsible for work on the construction of the new interchange stop in the Pigneto neighborhood of Rome**

Licciana Nardi (MS), September 06th, 2024 - **Reway Group S.p.A.** (EGM: RWY), Italy's largest operator specialized in rehabilitation and maintenance of road and highway infrastructures, as well as the only organization in Italy capable of handling all the activities related to the restoration of bridges, tunnels and viaduct (the "**Company**" or "**Reway Group**"), announces the award by its subsidiary Gema, among the leading operators active in the maintenance of infrastructure and civil works in the railway sector, of new works worth approximately 42 million euros.

The contract, assigned by RFI - Rete Ferroviaria Italiana - to an ATI of which Gema is part with a 32 percent share, concerns the construction of works for the new interchange stop in the Pigneto district of Rome and has a total value of 131 million euros.

The work will be carried out in two phases: the first, to be completed in 2026, will involve the construction of the stop on the FL1/FL3 with partial cross-covering of the vallo at the stop, while the second, to be carried out by 2029, will see the completion of the covering of the vallo, with the opening of a new pedestrian plaza and the construction of the underpass connecting with the Metro C.

The new order consolidates Gema's positioning in the railway business, bringing the backlog to 955.3 million euros, gross of the share produced so far in the third quarter of 2024.

Reway Group — the Parent Company of the Group of the same name — is Italy's largest operator specialised in rehabilitation and maintenance of road and highway infrastructures, as well as the only organisation in Italy capable of handling all the activities related to the chain of restoration of bridges, tunnels and viaducts, and to also have in its core business the maintenance of the railway network.

Reway Group was formed in December 2021 via the assignment of the shares held by M.G.A. S.r.l., Soteco S.r.l. and TLS S.r.l. — companies operating in Italy in the road and highway infrastructure maintenance and rehabilitation sector, which are currently operational and 100% controlled by Reway Group. The Group was created to provide its subsidiaries with a unified corporate and managerial structure, in order to best address the evolution of a sector that is markedly expanding and growing, both in Italy and abroad. The Group's subsidiaries also include Gema, a leading player in the maintenance of infrastructure and civil works in the railway sector. To this end, the Company

provides services to its subsidiaries, including planning and financial strategy, procurement of Reway Group has a workforce of 500 overall and has a modern fleet with over 300 operating vehicles
