

PRESS RELEASE

REWAY GROUP: to subsidiary Gema new order of about 30 million euros in the railway sector

The company is part of an ATI that will be responsible for the extraordinary maintenance and renovation of the stations of Florence Santa Maria Novella and Bologna Centrale

Licciana Nardi (MS), May 28th, 2025 – **Reway Group S.p.A.** (EGM: RWY), Italy's largest operator specialized in rehabilitation and maintenance of road and highway infrastructures, as well as the only in Italy to also have in its core business the maintenance of the railway network (the "**Company**" or "**Reway Group**"), announces that its subsidiary company Gema - among the leading operators active in the maintenance of infrastructure and civil works in the railway sector - has been awarded the contract for extraordinary maintenance and renovation works on buildings and facilities in the stations of Florence Santa Maria Novella and Bologna Centrale, worth approximately 30 million euros.

The contract was awarded by Grandi Stazioni Rail S.p.A. - Gruppo Ferrovie dello Stato Italiane - to a temporary business association (ATI) of which Gema is part with a 49 percent share (MI.COS is the lead with 51 percent). In detail, Gema will be responsible for the extraordinary maintenance and renovation of the buildings of the two stations, including the executive design for portions of the works.

The Framework Agreement will have a duration of four years. Fifteen highly skilled workers will be engaged by Gema in the modernization works at the two railway stations.

The new order brings Reway Group's order backlog to 1.399 billion euros, gross of the invoiced portion since the beginning of 2025, and is composed as follows: 41% rail work, 24% highway tunnel work, 12% highway viaducts, 9% safety and noise barriers, 13% other highway work, 1% civil engineering.

For the dissemination of regulated information, Reway Group makes use of the 1info dissemination system (www.1info.it), managed by Computershare S.p.A. with registered office in Milan, via Lorenzo Mascheroni 19 and authorised by CONSOB

This press release is available on the Company's website <https://www.rewaygroup.com/> under Investor Relations - Press Releases and at www.1info.it.

Reway Group the Parent Company of the Group of the same name — is Italy's largest operator specialised in rehabilitation and maintenance of road and highway infrastructures, as well as the only organisation in Italy capable of handling all the activities related to the chain of restoration of bridges, tunnels and viaducts, and to also have in its core business the maintenance of the railway network.

- Established in 2021 from the contribution of the shares of several major companies active in Italy in the maintenance and rehabilitation of road and highway infrastructure, Reway Group now operates through three subsidiaries:
- **M.G.A. S.r.l.**, which specializes in the maintenance and rehabilitation of road tunnels and viaducts, and, following the incorporation of Soteco and TLS, in the installation of safety and sound-absorbing barriers, and special works such as, for example, seismic retrofitting of viaducts, bridges and tunnels;
- **Gema S.p.A.**, among the leading operators active in the maintenance of infrastructure and civil works in the railway sector;
- **Vega Engineering S.r.l.**, a multidisciplinary engineering company that has in its core business the engineering design of road and rail infrastructures, civil and industrial works, support services to R.U.P. and management of orders.

The company provides services for its subsidiaries, including financial planning and strategy, procurement of goods and services, and technical accounting management. Reway Group has a workforce of 600 people and has a modern fleet with over 300 operating vehicles.
