5. Approve the Corporation 's stock option plan

On May 19, 2004, the Directors adopted a Stock Option Plan, in substantially its current form, which was subsequently approved by the Shareholders (the "Stock Option Plan"). The purpose of the Stock Option Plan is to attract, retain and motivate Directors, Officers, employees and consultants (collectively, the "Participants") by providing them with the opportunity, through the granting of Options (as defined in the Stock Option Plan), to acquire a proprietary interest in the Corporation and benefit from its growth. In Management's view, the ability to grant Options as a means of compensating Participants contributes to the Corporation's overall financial performance. As such, Management considers that the Stock Option Plan is beneficial to the Corporation as it provides the Corporation with greater flexibility to compensate eligible Participants with grants of Options and encourage Participant ownership of the Corporation.

Notice-and-Access

The Canadian securities regulators have adopted rules which permit the use of notice-and-access for proxy solicitation instead of the traditional physical delivery of material. This new process provides the option to post meeting related materials including management information circulars as well as annual financial statements and management's discussion and analysis, on a website in addition to SEDAR. Under notice-and-access, meeting related materials will be available for viewing for up to 1 year from the date of posting and a paper copy of the material can be requested at any time during this period.

Disclosure regarding each matter or group of matters to be voted on is in the Information Circular in the Section with the same title as each Resolution on the reverse. You should review the Information Circular before voting.

Rosita Mining Corporation has elected to utilize notice-and-access and provide you with the following information:

Meeting materials are available electronically at www.sedar.com and also at <http://www.rositaminingcorp.com/s/home.asp>.

If you wish to receive a paper copy of the Meeting materials or have questions about notice-and-access, please call 1-866-600-5869 or email TMXInvestorServices@tmx.com. In order to receive a paper copy in time to vote before the meeting, your request should be received by June 19, 2018.
