

SOL Strategies to Be Featured in Exclusive Cantor Fireside Chat

CEO Leah Wald and CTO Max Kaplan to Discuss Company's Leading Position in Solana Ecosystem

Toronto, Ontario--(Newsfile Corp. - July 29, 2025) - SOL Strategies Inc. (CSE: HODL) (OTCQB: CYFRF) (formerly, Cytherpunk Holdings Inc, "Sol Strategies" or the "Company"), a publicly traded Canadian company dedicated to investing in and providing infrastructure for the Solana blockchain ecosystem, announced today that CEO Leah Wald and CTO Max Kaplan will participate in a fireside chat hosted by Cantor on July 30, 2025 at 12:00 p.m. ET.

The discussion will offer investors insight into Sol Strategies' position as a leading public company in the Solana ecosystem, with a focus on the Company's validator operations, SOL treasury strategy, and ongoing infrastructure initiatives.

The session will be hosted by Brett Knoblauch, CFA, Head of Digital Assets Research at Cantor.

About SOL Strategies

Cautionary Note Regarding Forward-Looking Information:

Neither the Canadian Securities Exchange nor its Market Regulator (as that term is defined in the policies of the Canadian Securities Exchange) accepts responsibility for the adequacy or accuracy of this release.

This news release contains "forward-looking information" within the meaning of applicable securities laws. All statements other than statements of historical fact may be forward-looking statements and information. More particularly and without limitation, this news release contains forward-looking statements and information relating to the Company's or the Company's management team's expectations, hopes, beliefs, intentions or strategies regarding the future, and expectations regarding the characteristics, value drivers, and anticipated benefits of the Company's business plans and operations related thereto. Forward-looking information can also be identified by the use of forward-looking terminology such as "plans", "expects" or "does not expect", "is expected", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates" or "does not anticipate", or "believes", or variations of such words and phrases or indicates that certain actions, events or results "may", "could", "would", "might" or "will be" taken, "occur" or "be achieved".

Forward-looking statements in this news release include statements regarding the Company's participation in the fireside chat and expectations regarding the characteristics, value drivers, and anticipated benefits of the Company's business plans and operations. There is no assurance that the Company's plans or objectives will be implemented as set out herein, or at all. Forward-looking information is based on certain factors and assumptions the Company believes to be reasonable at the time such statements are made and is subject to known and unknown risks, uncertainties, and other factors that may cause the actual results, level of activity, performance, or achievements of the Company to be materially different from those expressed or implied by such forward-looking information.

The purpose of forward-looking information is to provide the reader with a description of management's expectations, and such forward-looking information may not be appropriate for any other purpose. There can be no assurance that such forward-looking information will prove to be accurate, as actual results and future events could differ materially from those anticipated in such information. Accordingly, readers should not place undue reliance on forward-looking information. Forward-looking statements are made based on management's beliefs, estimates, and opinions on the date that statements are made, and the Company undertakes no obligation to update forward-looking statements if these beliefs, estimates, and opinions or other circumstances should change, except as required by law. Investors are cautioned against attributing undue certainty to forward-looking statements.
