The Board of Directors would like to thank Mr. Schneider for his valuable service and long term contributions to the Company.

About SQI Diagnostics

SQI Diagnostics is a life sciences and diagnostics company that develops clinical grade multiplexed microarray and molecular assays run on its automated instrumentation for the pharmaceutical research, animal health, and clinical diagnostics markets. SQI develops custom research and diagnostic assays that are multiplexed; meaning the simplification, consolidation and automation of many individual tests into one. This increases sample throughput, reduces time, cost and chance for human error, and provides excellent data quality. For more information, please visit www.sqidiagnostics.com.
