INFINITUM COPPER

INFINITUM ANNOUNCES CHANGES TO THE BOARD OF DIRECTORS

VANCOUVER, BC / ACCESSWIRE / January 13, 2025/ Infinitum Copper Corp. (TSXV: INFI, OTCQB: INUMF) ("**Infinitum Copper**" or the "**Company**") is pleased to announce the appointment of Mr. Steve R. McMullan to its board of directors and the resignation of Mr. Mahendra Naik as a director of the Company.

M. McMullan has world-wide experience in mineral exploration and is a Registered Professional Geoscientist (P.Geo) and Qualified Person under NI43-101 definition.

The board wishes to thank Mr. Naik for his valuable contribution to the company over many years and wish him well with his future endeavours.

On Behalf of the Board of Directors of

INFINITUM COPPER CORP.

Matt Hudson

About Infinitum Copper

Backed by a strong team of industry veterans, Infinitum Copper is advancing La Adelita project, where the Company has an 80% interest. The high-grade copper-silver-gold La Adelita Project is located in Sonora and Sinaloa states in Mexico. La Adelita is a Carbonate Replacement Deposit located in a mineralized district with a rich history.

Infinitum Copper has an option to earn 25% interest in the Hot Breccia project in the heart of the Arizona Copper Belt about 90km north of Tucson, AZ. The Hot Breccia project is prospective for porphyry copper and copper skarn mineralization.

Cautionary Note Regarding Forward-Looking Statements

This press release contains "forward-looking information" within the meaning of Canadian securities legislation. The forward-looking information contained in this press release represents the expectations of the Company as of the date of this press release and, accordingly, is subject to change after such date. Forward-looking information is based on, among other things, opinions, assumptions, estimates and analyses that, while considered reasonable by the Company at the date the forward-looking information is provided, are inherently subject to significant risks, uncertainties, contingencies and other factors that may cause actual results and events to be materially different from those expressed or implied by the forward-looking information. The risks, uncertainties, contingencies and other factors that may cause actual results to differ materially from those expressed or implied by the forward-looking information may include, but are not limited to, risks generally associated with the Company's business, as described in the Company's Filing Statement dated February 11, 2022. Readers should not place undue importance on forward-looking information and should not rely upon this information as of any other date. While the Company may elect to, it does not undertake to update this information at any particular time except as required in accordance with applicable laws.
