GENERAL PROXY INFORMATION

Revocability of Proxies

In addition to revocation in any other manner permitted by law, a registered shareholder who has given a proxy may revoke it by either:

- (a) executing a proxy bearing a later date; or
- (b) executing a valid notice of revocation, either of the foregoing to be executed by the registered shareholder or the shareholder's authorized attorney in writing, or, if the shareholder is a company, under its corporate seal by an officer or attorney duly authorized, and by depositing the Proxy bearing a later date with TSX Trust Company, or at the address of the registered office of the Company at 700 - 401 West Georgia Street, Vancouver, British Columbia, V6B 5A1, at any time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned, the date that precedes any reconvening thereof, or to the chair of the Meeting on the day of the Meeting or any reconvening thereof, or in any other manner provided by law; or
- (c) by the registered shareholder personally attending the Meeting and voting the registered shareholder's Common Shares.

A revocation of a proxy will not affect a matter on which a vote is taken before the revocation.

Appointment of Proxyholders

A shareholder entitled to vote at the Meeting may, by means of a proxy, appoint a proxyholder or one or more alternate proxyholders, who need not be Shareholders, to attend and act at the Meeting for the shareholder on the shareholder's behalf.

The individuals named in the accompanying form of proxy (the “**Proxy**”) are directors and/or officers of the Company (the “**Management Designees**”). **If you are a shareholder entitled to vote at the Meeting, you have the right to appoint a person, who need not be a shareholder, to attend and act for you and on your behalf at the Meeting other than either of the Management Designees. You may do so either by inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another suitable form of proxy.**

A proxy will not be valid unless the completed, signed and dated form of proxy is delivered to the office of **TSX Trust Company, Proxy Department, by any of the following methods: by mail: Suite 301, 100 Adelaide Street, Toronto, Ontario, M5H 4H1 or by fax: 416.595.9593 or online: www.voteproxyonline.com**, not less than 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or the adjournment thereof at which the Proxy is to be used.

Exercise of Discretion

The Management Designees named in the Proxy will vote or withhold from voting the shares represented thereby in accordance with the instructions of the shareholder on any ballot that may be called for. The Proxy will confer discretionary authority on the nominees named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified other than the appointment of an auditor and the election of directors,
- (b) any amendment to or variation of any matter identified therein, and
- (c) any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is not specified in the Proxy, the Management Designees will vote the Common Shares represented by the Proxy at their own discretion for the approval of such matter.

As of the date of this Information Circular, management of the Company knows of no amendment, variation or other matter that may come before the Meeting, but if any amendment, variation or other matter properly comes before the Meeting, each Management Designee intends to vote thereon in accordance with the Management Designee's best judgment.

Proxy Voting Options

If you are a registered shareholder, you may elect to submit a proxy in order to vote whether or not you are able to attend the Meeting in person. In order to vote by mail, you must complete, date and sign the Proxy and return it to the Company's transfer agent, TSX Trust Company, Proxy Department, by any of the following methods: by mail: Suite 301, 100 Adelaide Street, Toronto, Ontario, M5H 4H1, or by fax: 416.595.9593 or online: www.voteproxyonline.com, at any time up to and including 10:00 a.m. (Vancouver time) on September 3, 2024.

Advice to Beneficial Holders of Common Shares

The information set forth in this section is of significant importance to many Shareholders, as a substantial number of Shareholders do not hold Common Shares in their own name. Beneficial Shareholders should note that only Proxies deposited by Shareholders whose names appear on the records of the Company as the registered holders of Common Shares can be recognized and acted upon at the Meeting.

If Common Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Common Shares will not be registered in the shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the names of the shareholder's broker or an agent of that broker. In the United States, the vast majority of such shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian

banks), and in Canada under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms).

Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of Shareholders' meetings unless the Beneficial Shareholders have waived the right to receive meeting material. Every intermediary has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting.

If you are a Beneficial Shareholder, the form of proxy supplied to you by your broker (or its agent) is similar to the form of Proxy provided to registered Shareholders by the Company. However, its purpose is limited to instructing the intermediary how to vote on your behalf. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Communications Solutions Canada ("**Broadridge**") in the United States and in Canada. Broadridge mails a voting instruction form in lieu of a proxy provided by the Company. The voting instruction form will name the Management Designees to represent you at the Meeting. You have the right to appoint a person (who need not be a shareholder of the Company), other than the persons designated in the voting instruction form, to represent you at the Meeting. To exercise this right, you should insert the name of the desired representative in the blank space provided in the voting instruction form. The completed voting instruction form must then be returned to Broadridge by mail or facsimile or given to Broadridge by phone or over the internet, in accordance with Broadridge's instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. **If you receive a voting instruction form from Broadridge, you cannot use it to vote Common Shares directly at the Meeting. It must be returned to Broadridge well in advance of the Meeting in order to have the Common Shares voted.**

Although, as a Beneficial Shareholder, you may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of your broker (or agent of your broker), you may attend at the Meeting as proxyholder for your broker and vote the Common Shares in that capacity. If you wish to attend at the Meeting and indirectly vote your Common Shares as proxyholder for your broker or have a person designated by you to do so, you should enter your own name, or the name of the person you wish to designate, in the blank space on the voting instrument form provided to you and return the same to your broker (or your broker's agent) in accordance with the instructions provided by your broker (or agent), well in advance of the Meeting.

Alternatively, you may request in writing that your broker send you a legal Proxy which would enable you, or a person designed by you, to attend at the Meeting and vote your Common Shares.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

None of the directors or executive officers of the Company, nor any person who has held such a position since the beginning of the last completed financial year end of the Company, nor any proposed nominee for election as a director of the Company, nor any associate or affiliate of the foregoing persons, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting other than as disclosed herein.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The board of directors (the "**Board**") of the Company has fixed July 15, 2024, as the record date (the "**Record Date**") for determination of persons entitled to receive notice of the Meeting. Only Shareholders of record at the close of business on the Record Date who either attend the Meeting personally or complete, sign and deliver a form of proxy in the manner and subject to the provisions described above will be entitled to vote or to have their Common Shares voted at the Meeting.

As of July 15, 2024, the Company had outstanding 277,128,030 fully paid and non-assessable Common Shares without par value, each carrying the right to one vote. The Company has no other classes of voting securities.

To the knowledge of the Directors and executive officers of the Company, no one beneficial owner owns, directly or indirectly, or exercises control or direction over, shares carrying more than 10% of the outstanding voting rights of the Company.

VOTES NECESSARY TO PASS RESOLUTIONS

A simple majority of affirmative votes cast at the Meeting is required to pass the ordinary resolutions described herein. If there are more nominees for election as directors or appointment of the Company's auditor than there are vacancies to fill, those nominees receiving the greatest number of votes will be elected or appointed, as the case may be, until all such vacancies have been filled. If the number of nominees for election or appointment is equal to the number of vacancies to be filled all such nominees will be declared elected or appointed by acclamation.

Recommendation of the Board

The Board unanimously recommends that Shareholders vote in favour of all resolutions.

ELECTION OF DIRECTORS

The Board currently consists of four directors. Management proposes to fix the number of directors of the Company at four and to nominate the persons listed below for election as directors.

The term of office of each of the current directors will end at the conclusion of the Meeting. Unless the director's office is earlier vacated in accordance with the provisions of the British Columbia *Business Corporations Act* or the Articles of the Company, each director elected will hold office until the conclusion of the next annual general meeting of the Company, or if no director is then elected, until a successor is elected.

Management does not contemplate that any of the nominees will be unable to serve as a director. In the event that prior to the Meeting any vacancies occur in the slate of nominees herein listed, it is intended that discretionary authority shall be exercised by the person named in the proxy as nominee to vote the Common Shares represented by proxy for the election of any other person or persons as directors.

Each nominee has held the same or a similar principal occupation with the organization indicated or a predecessor thereof for the last five years unless otherwise indicated.

Other than as set out below, to the knowledge of the Company, no proposed director is, or has, within the 10 years before the date of this Information Circular, been a director, chief executive officer or chief financial officer of any company that,

- (a) was subject to an order that was issued while the proposed director was acting in the capacity as director, chief executive officer or chief financial officer; or
- (b) was subject to an order that was issued after the proposed director ceased to be a director, chief executive officer or chief financial officer and which resulted from an event that occurred while that person was acting in the capacity as director, chief executive officer or chief financial officer.

Ms. Wanda Cutler served as a director of Mammoth Resources Corp. (“**Mammoth Resources**”) from July 2, 2015 to May 25, 2017. On June 2, 2016, Mammoth Resources announced that it was not able to file its annual financial statements and accompanying management's discussion and analysis for the financial year ended January 31, 2016 within the prescribed period for such filings, primarily as a result of additional time required to secure financing and, subsequently, for its auditor to complete the audit. Given the situation, Mammoth Resources made an application to the British Columbia Securities Commission (the “**BCSC**”) for a management cease trade order (the “**MCTO**”), which MCTO was issued by the BCSC on June 1, 2016 restricting all trading in securities of Mammoth Resources by its CEO and CFO until the filing of the required records and the revocation of the MCTO by the BCSC. On August 10, 2016, the BCSC revoked the MCTO.

To the knowledge of the Company, no proposed director of the Company was, as at the date of the Information Circular, or has been within 10 years before the date of the Information Circular, a director or executive officer of any company (including Imagine Lithium Inc.) that, while that person was acting in that capacity, or within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets.

To the knowledge of the Company, no proposed director of the Company has, within the 10 years before the date of the information circular, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of the proposed director.

No proposed director of the Company has been subject to (i) any penalties or sanctions imposed by a court relating to securities legislation or by a security regulatory authority or has entered into a settlement agreement with a securities regulatory authority, or (ii) any penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable securityholder in deciding whether to vote for that proposed director.

Oversight and Description of Director and NEO Compensation

The Board as a whole has the responsibility of determining the compensation for the CEO and the CFO and of determining compensation for directors and senior management.

The Company's compensation objectives include the following:

- to assist the Company in attracting and retaining highly-qualified individuals;
- to create among directors, officers, consultants and employees a sense of ownership in the Company and to align their interests with those of the shareholders; and
- to ensure competitive compensation that is also financially affordable for the Company.

The compensation program is designed to provide competitive levels of compensation. The Company recognizes the need to provide a total compensation package that will attract and retain qualified and experienced executives as well as align the compensation level of each executive to that executive's level of responsibility. In general, the Company's NEOs may receive compensation that is comprised of three components:

- Salary, wages or contractor payments;
- Stock option grants; and/or
- Bonuses.

The objectives and reasons for this system of compensation are to allow the Company to remain competitive compared to its peers in attracting experienced personnel. The base salary of an NEO is intended to attract and retain executives by providing a reasonable amount of non-contingent remuneration.

The base salary review of each NEO takes into consideration the current competitive market conditions, experience, proven or expected performance, and the particular skills of the NEO. Base salary is not evaluated against a formal "peer group". The Compensation Committee relies on the general experience of its members in setting base salary amounts.

Stock option grants are designed to reward the NEOs for success on a similar basis as the shareholders of the Company, although the level of reward provided by a particular stock option grant is dependent upon the volatile stock market.

Any bonuses paid to the NEOs are allocated on an individual basis related to the review by the Board of the work planned during the year and the work achieved during the year, including work related to mineral exploration, administration, financing, shareholder relations and overall performance. The bonuses are paid to reward work done above the base level of expectations set by the base salary, wages or contractor payments.

Pension Arrangements

The Company does not have a pension plan that provides for payments or benefits to the NEOs, directors or employees at, following, or in connection with retirement.

SECURITIES AUTHORIZED FOR ISSUANCE UNDER EQUITY COMPENSATION PLANS

The only equity compensation plan that the Company has in place is its amended and restated 2023 stock option plan (the “**Plan**”). The Plan was established to provide an incentive to qualified parties to increase their proprietary interest in the Company and thereby encourage their continuing association with the Company. The Plan is administered by the directors of the Company. The Plan provides that options will be issued pursuant to option agreements with directors, officers, employees or consultants of the Company or a subsidiary of the Company. The Plan provides that the number of Common Shares issuable under the Plan, together with all of the Company’s other previously established or proposed share compensation agreements, may not exceed 10% of the total number of issued and outstanding Common Shares at the date of grant. All options expire on a date not later than five years after the issuance of such option.

The following table sets forth securities of the Company that are authorized for issuance under equity compensation plans as at the end of the Company’s most recently completed fiscal year, being January 31, 2024:

None of the proposed nominees for election as a director of the Company, or any associate of any director, executive officer or proposed nominee, was indebted to the Company as at the date hereof or at any time during the most recently completed financial year of the Company.

The Company has not provided any guarantees, support agreements, letters of credit or other similar arrangement or understanding for any indebtedness of any of the Company’s directors, executive officers, proposed nominees for election as a director, or associates of any of the foregoing individuals as at the date hereof or at any time during the most recently completed financial year of the Company.

Except as set out in the executive compensation and the compensation of directors section above, since the commencement of the Company's most recently completed financial year, no informed person of the Company, nominee for director or any associate or affiliate of an informed person or nominee, had any material interest, direct or indirect, in any transaction, in any transaction or any proposed transaction which has materially affected or would materially affect the Company or any of its subsidiaries.

Management recommends that Shareholders vote to re-appoint Davidson & Company LLP, Chartered Accountants, of Suite 1200, 609 Granville Street, Vancouver, BC, V7Y 1G8, as auditors for the Company and to authorize the directors to fix their remuneration. Davidson & Company LLP, Chartered Accountants were first appointed as auditors for the Company on December 1, 2009.

MANAGEMENT CONTRACTS

The Company has entered into a management services agreement dated April 1, 2011 (the "**Agreement**") with England Communications Ltd. (the "**Manager**"), wherein the Manager provides management services as well as general office services and duties. The Manager is wholly owned by Michael England, the Company's former President, who remains a director of the Company. The updated Agreement states that the Company shall approximately \$10,000 per month for the provision of all of the staff, of which \$6,000 per month has been allocated for the Manager and \$3,000 has been allocated for Compliance Work. The Agreement may be terminated by either party on 90 days' notice.

There are no other management functions of the Company or any of its subsidiaries which are to any substantial degree performed other than by the directors or executive officers of the Company or its subsidiaries.

CORPORATE GOVERNANCE

General

National Instrument 58-101 *Disclosure of Corporate Governance Practices* ("**NI 58-101**") requires issuers to disclose the corporate governance practices that they have adopted according to guidance provided pursuant to National Policy 58-201 *Corporate Governance Guidelines* ("**NP 58-201**").

The Board believes that good corporate governance improves corporate performance and benefits all Shareholders. The Canadian Securities Administrators (the "**CSA**") have adopted NP 58-201, which provides non-prescriptive guidelines on corporate governance practices for reporting issuers. In addition, the CSA have implemented NI 58-101, which prescribes certain disclosure by reporting issuers of its corporate governance practices. This section sets out the Company's approach to corporate governance and addresses the Company's compliance with NI 58-101.

Board of Directors

Directors are considered to be independent if they have no direct or indirect material relationship with the Company. A "**material relationship**" is a relationship which could, in the view of the Company's Board, be reasonably expected to interfere with the exercise of a director's independent judgment.

The current independent members of the Board of Directors of the Company are Gerhard Jacob and Jonathan Gagné. The non-independent director is Jean-Claude (J.C.) St-Amour, President. Mr. England is also considered non-independent, as he had served as the Company's CEO within the past three years.

The Board facilitates its independent supervision over management by choosing management who demonstrate a high level of integrity and ability and having strong independent Board members. The independent directors are, however, able to meet at any time without any of the non-independent directors being present. Further supervision is performed through the Audit Committee who may meet with the Company's auditors without management being in attendance.

Directorships

The participation of the directors in other reporting issuers as at the date of this Management Circular is described in the following table:

Name of Director	Names of Other Reporting Issuers of which the Director is a Director
Jonathan Gagné	Canadian Metals Inc., Vision Lithium Inc. and Blue Moon Metals Inc.
Jean-Claude (J.C.) St-Amour	Pelangio Exploration Inc., Sky Gold Corp. and Mink Ventures Corporation
Simone Sze Man Suen	None
Wanda Cutler	Quebec Precious Metals Corporation, Chablis Capital Corp. and BMEX Gold Inc.

Orientation and Continuing Education

When new directors are appointed, they receive orientation, commensurate with their previous experience, on the Company's properties and on director responsibilities.

Board meetings may also include presentations by the Company's management and employees to give the directors additional insight into the Company's business. In addition, management of the Company makes itself available to discussions with all Board members.

Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Nomination of Directors

The Board considers its size each year when it considers the number of directors to recommend to the Shareholders for election at the annual meeting of Shareholders, taking into account the number required to carry out the Board's duties effectively and to maintain a diversity of views and experience.

The Board does not have a nominating committee, and these functions are currently performed by the Board as a whole. However, if there is a change in the number of directors required by the Company, this policy will be reviewed.

Other Board Committees

The Board has no committees other than the Audit Committee.

Assessments

The Board monitors the adequacy of information given to directors, communication between the Board and management, and the strategic direction and processes of the Board and committees.

Compensation

The Board is not compensated for acting as directors, except for being granted incentive stock options pursuant to the policies of the TSX-V and the Company's stock option plan. The Board acts as a whole to determine and approve the final stock grants and compensation amounts.

PARTICULARS OF MATTERS TO BE ACTED UPON

Approval of Amended and Restated Stock Option Plan

The Company’s current 10% rolling amended and restated stock option plan (the “**Plan**”) was approved by directors on July 5, 2023 and was most recently approved by the Company’s shareholders at its last general meeting held on September 7, 2023. The TSX-V requires listed companies that have “rolling” stock option plans in place to receive shareholder approval of such plans on a yearly basis at the Company’s annual general meeting. Accordingly, the shareholders of the Company will be asked at the Meeting to ratify and approve the Plan.

The purpose of the Plan is to provide certain directors, officers and key employees of, and certain other persons who provide services to the Company and any subsidiaries with an opportunity to purchase Common Shares of the Company and benefit from any appreciation in the value of the Company’s Common Shares. This will provide an increased incentive for these individuals to contribute to the future success and prosperity of the Company, thus enhancing the value of the Common Shares for the benefit of all the Shareholders and increasing the ability of the Company and its subsidiaries to attract and retain skilled and motivated individuals in the service of the Company.

The Plan provides for a floating maximum limit of 10% of the outstanding Common Shares, as permitted by the policies of the TSX-V. As at July 15, 2024, this represents 27,712,803 Common Shares available under the Plan, of which 6,975,000 are issued and 20,737,803 are reserved and available for issuance under the Plan.

Under the Plan, the option price must not be less than the exercise price permitted by the TSX-V. The current policies of the TSX-V state that the option price must not be less than the closing price of the Common Shares listed on the TSX-V on the day immediately preceding the date of grant, less the applicable discount permitted by the policies of the TSX-V. An option must be exercised within a period of ten years from the date of granting. Within this ten-year period, the Board may determine the limitation period during which an option may be exercised. Any amendment to the Plan requires the approval of the TSX-V and may require Shareholder approval.

The material terms of the Plan are as follows:

1. Options may be granted to Directors, Officers, Consultants and Employees of the Company or its subsidiaries, and to Management Companies and Management Company Employees, as such terms are defined in the Plan.
2. The term of any options granted under the Plan will be fixed by the Board at the time such options are granted, provided that options will not be permitted to exceed a term of ten years.
3. The exercise price of any options granted under the Plan will be determined by the Board, in its sole discretion, but shall not be less than the closing price of the Company's Common Shares on the day preceding the date on which the directors grant such options, less any discount permitted by the TSX-V or such other price as may be required by the TSX-V, to a minimum of \$0.05 per share.
4. The exercise price of any options granted under the Plan will be determined by the Board, in its sole discretion, but shall not be less than the closing price of the Company's Common Shares the day on which the directors grant such options, less any discount permitted by the TSX-V.
5. No vesting requirements will apply to options granted under the Plan other than as required by TSX-V policies; however a four-month hold period may apply to shares issued upon the exercise of the options under the Plan.
6. All options will be non-assignable and non-transferable, except in the case of the death of an Optionee, and subject to restrictions.
7. No more than (i) 5% of the issued Common Shares may be granted to any one individual in any 12-month period; and (ii) 2% of the issued Common Shares may be granted to a consultant, or an employee performing investor relations activities, in any 12-month period.
8. If the option holder ceases to be a director of the Company or ceases to be employed by the Company (other than by reason of death or disability), as the case may be, then the option granted shall expire on no later than the 90th day following the date that the option holder ceases to be a director or ceases to be employed by the Company, subject to the terms and conditions set out in the Plan. However, if the option holder is engaged in investor relations activities the options must expire within 30 days after the option holder ceases to be employed by the Company to provide investor relations activities, in accordance with the policies of the TSX-V.
9. Disinterested shareholder approval must be obtained for (i) any reduction in the exercise price of an outstanding option, if the option holder is an insider; (ii) any grant of options to insiders, within a 12-month period, exceeding 10% of the Company's issued Common Shares; and (iii) any grant of options to any one individual, within a 12-month period, exceeding 5% of the Company's issued Common Shares.
10. Options will be reclassified in the event of any consolidation, subdivision, conversion or exchange of the Company's Common Shares.

The Plan is subject to annual shareholder approval and TSX-V acceptance to its filing. Shareholders will be asked at the Meeting to consider, and if thought fit, approve an ordinary resolution ratifying and approving the Plan.

The full text of the Plan will be made available at the registered and records offices of the Company, Suite 700 – 401 West Georgia Street, Vancouver, British Columbia, V6B 5A1, until 4 p.m. on the business day immediately preceding the date of the Meeting. The Plan is also available on the Internet at www.sedarplus.ca.

Shareholder Approval

Shareholders will be asked at the Meeting to approve with or without variation the following resolution:

“BE IT RESOLVED that the Company's Amended and Restated Stock Option Plan be and is hereby ratified and approved, and that in connection therewith a maximum of 10% of the issued and outstanding common shares at the time of each grant be approved for granting as options and that the board of directors be and are hereby authorized, without further shareholder approval, to make such

changes to the Amended and Restated Stock Option Plan as may be required or approved by regulatory authorities.”

Other Matters

As of the date of this Information Circular, management knows of no other matters to be acted upon at the Meeting. However, should any other matters properly come before the Meeting, the Common Shares represented by the Proxy solicited hereby will be voted on such matters in accordance with the best judgment of the persons voting the Common Shares represented by the Proxy.
