

Bragg Gaming Named to the TSXV Venture 50 List of Top Performers for 2020

Strong 2020 financial results led to Bragg's inclusion in the prestigious group and its graduation to the Toronto Stock Exchange

TORONTO, Feb. 24, 2021 (GLOBE NEWSWIRE) -- B2B gaming technology provider [Bragg Gaming Group \(TSX:BRAG, OTC: BRGGF\)](#) ("Bragg" or the "Company") is pleased to announce that the Company has been named to the 2021 Venture 50, the TSX Venture Exchange's flagship annual program showcasing the top performing TSXV-listed companies from five industry sectors: Clean Technology and Life Sciences, Diversified Industries, Energy, Mining, and Technology.

Bragg's strong results in 2020 led to its inclusion in the list of top performers and also led to Bragg's [January 27th graduation to the Toronto Stock Exchange](#). The 2021 Venture 50 winners were selected based on year-over-year performance across three equally-weighted criteria: market capitalization growth, share price appreciation and trading volume for the year ended December 31, 2020.

"We were extremely pleased with our performance over the past year and are honoured to be included within this cohort of successful high-growth companies," said Adam Arviv, CEO of Bragg Gaming. "We're continuing the momentum into 2021, with plans for significant global expansion."

About Bragg Gaming Group

Cautionary Statement Regarding Forward-Looking Information

This news release may contain forward-looking statements or "forward-looking information" within the meaning of applicable Canadian securities laws ("forward-looking statements"). Often, but not always, forward-looking statements can be identified by the use of words such as "plans", "expects" or "does not expect", "is expected", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates" or "does not anticipate", or "believes", or describes a "goal", or variation of such words and phrases or state that certain actions, events or results "may", "could", "would", "might" or "will" be taken, occur or be achieved.

All forward-looking statements reflect the Company's beliefs and assumptions based on information available at the time the statements were made. Actual results or events may differ from those predicted in these forward-looking statements. All of the Company's forward-looking statements are qualified by the assumptions that are stated or inherent in such forward-looking statements, including the assumptions listed below. Although the Company believes that these assumptions are reasonable, this list is not exhaustive of factors that may affect any of the forward-looking statements. The key assumptions that have been made in connection with the forward-looking statements include the following: the impact of COVID-19 on the business of Bragg; the countercyclical growth of the business of Bragg; the regulatory regime governing the business of Bragg; the operations of the Company; the products and services of the Company; Bragg's customers; acquisition opportunities; the growth of Bragg's business, which may not be achieved or realized within the time frames stated or at all; and the anticipated size and/or revenue associated with the gaming market globally.

Forward-looking statements involve known and unknown risks, future events, conditions, uncertainties and other factors that may cause actual results, performance or achievements to be materially different from any future results, prediction, projection, forecast, performance or achievements expressed or implied by the forward-looking statements. Such factors include, among others, the following: risks associated with general economic conditions; adverse industry events; future legislative and regulatory developments; the inability to access sufficient capital from internal and external sources; the inability to access sufficient capital on favorable terms; realization of growth estimates, income tax and regulatory matters; the ability of Bragg to implement its business strategies; competition; economic and financial conditions, including volatility in interest and exchange rates, commodity and equity prices; the estimated size of the gaming market globally; changes in customer demand; disruptions to our technology network including computer systems and software; natural events such as

severe weather, fires, floods and earthquakes; and risks related to health pandemics and the outbreak of communicable diseases, such as the current outbreak of COVID-19.

Although the Company has attempted to identify important factors that could cause actual actions, events or results to differ materially from those described in forward-looking statements, there may be other factors that cause actions, events or results not to be as anticipated, estimated or intended. There can be no assurance that forward-looking statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking statements.

The Company disclaims any intention or obligation to update or revise any forward-looking statements whether as a result of new information, future events, or otherwise, except in accordance with applicable securities laws.

Neither TSX nor its Regulation Services Provider (as that term is defined in the policies of the TSX) accepts responsibility for the adequacy or accuracy of this news release.
