About Global Tactical Metals Corp.

Global Tactical Metals Corp. is engaged in the acquisition, exploration, and development of critical minerals and strategic metals. The Company is committed to sustainable and responsible exploration practices.

Cautionary Statement

This press release contains certain forward-looking statements within the meaning of applicable securities laws. These statements involve known and unknown risks, uncertainties, and other factors that may cause actual results, performance, or achievements of the Company to be materially different from those expressed or implied by such forward-looking statements. Specific risks include the risk that the transaction may not close as planned or at all, risks associated with regulatory approval processes, uncertainties inherent in mineral exploration activities, potential fluctuations in commodity prices, uncertainties regarding economic feasibility, the ability to obtain necessary financing for exploration and development, environmental risks, and general economic and market conditions. Readers are cautioned not to place undue reliance on forward-looking information. The Company does not undertake to update any forward-looking statements except as required by applicable law. Additional information identifying risks and uncertainties that could affect financial results is contained in the Company's filings with Canadian securities regulators, which are available at www.sedarplus.ca.
