

Plato Gold Corp. Announces \$1,000,000 Non-Brokered Private Placement

NOT FOR DISSEMINATION IN THE UNITED STATES OR OVER UNITED STATES NEWSWIRE SERVICES

Toronto, Ontario – January 29, 2018 – Plato Gold Corp. (TSX-V: PGC) ("**Plato**" or the "**Corporation**") is pleased to announce that it intends to complete a non-brokered private placement of up to 20,000,000 units ("**Units**") at a price of CAN\$0.05 per Unit, for gross proceeds of approximately \$1,000,000 (the "**Offering**"). Closing of the Offering is expected to occur on or about February 21, 2018.

Each Unit will consist of one (1) common share in the capital stock of Plato ("**Common Share**") and one-half of a common share purchase warrant (a "**Warrant**"). Each Warrant will entitle the holder to purchase one common share at a price of CAN\$0.10 per common share until the date which is twenty-four (24) months following the closing date of the Offering, whereupon the Warrants will expire. If the weighted average trading price of the Corporation's common shares on the Corporation's principal stock exchange closes at a minimum of \$0.10 per share for a period of five (5) consecutive trading days, the Corporation may accelerate the expiry date of the Warrants to the date which is 30 days following the date upon which notice of the accelerated expiry date is provided by the Corporation to the holders of the Warrants. The securities issued and issuable pursuant to the Offering will be subject to a four month and one day statutory hold period.

The Corporation intends to use the net proceeds from the Offering on exploration work and on a 5,000 meter drill program on the Good Hope Niobium Project and for general working capital purposes.

Completion of the Offering is subject to certain conditions including, but not limited to, the receipt of all necessary approvals, including the approval of the TSX Venture Exchange and applicable securities regulatory authorities.

A finder's fee of cash equal to 7% of the total proceeds raised pursuant to the Offering will be paid to finders as part of their fees in connection with their involvement in the Offering.

This press release does not constitute an offer to sell or a solicitation of an offer to buy any of the securities in the United States. The securities have not been and will not be registered under the United States Securities Act of 1933, as amended, (the "**U.S. Securities Act**") or any state securities laws and may not be offered or sold within the United States or to or for the account or benefit of a U.S. person (as defined in Regulation S under the U.S. Securities Act) unless registered under the U.S. Securities Act and applicable state securities laws or an exemption from such registration is available.

About Plato Gold Corp.

Plato Gold Corp. is a Canadian exploration company listed on the TSX Venture Exchange with projects in Marathon Ontario, Timmins, Ontario and Santa Cruz, Argentina.

The Good Hope Niobium Project consists of a total of 19 claims, 263 claim units and 4,208 hectares in Killala Lake Area and Cairngorm Lake Area Townships, near Marathon Ontario. In May 2017, Plato signed an option agreement with Rudy Wahl and co-owners to acquire 100% interest in the Good Hope Property.

The Timmins Ontario project includes 4 properties: Guibord, Harker, Holloway and Marriott in the Harker/Holloway gold camp located east of Timmins, Ontario. Plato holds 50% interest in the Guibord property with the remaining 50% held by Osisko Mining Inc. ("**Osisko**"). Osisko also holds 80% interest in the Harker property with Plato holding the remaining 20%.

In Argentina, Plato owns a 75% interest in Winnipeg Minerals S.A. ("**WMSA**"), an Argentina incorporated company. The Lolita Property, held by WMSA, is comprised of a number of contiguous mineral rights totaling 9,672 hectares. Work has advanced on this exploration property to the point that it is drill-ready or ready to be optioned to a partner.

CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING INFORMATION: *This news release includes certain "forward-looking information" within the meaning of applicable Canadian securities laws. Forward looking information includes, but is not limited to, statements, projections and estimates with respect to the Offering, the potential mineralization and resources, exploration results, and future plans and objectives. Generally, forward-looking information can be identified by the use of forward-looking terminology such as "plans", "expects" or "does not expect", "is expected", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates" or "does not anticipate", or "believes", or variations of such words and phrases or state that certain actions, events or results "may", "could", "would", "might" or "will be taken", "occur" or "be achieved". Such information is based on information currently available to Plato and Plato provides no assurance that actual results will meet management's expectations. Forward-looking information by its very nature involves inherent risks and uncertainties that may cause the actual results, level of activity, performance, or achievements of Plato to be materially different from those expressed or implied by such forward-looking information. Actual results relating to, among other things, approval and completion of the Offering, results of exploration, project development, reclamation and capital costs of Plato's mineral properties, and Plato's financial condition and prospects, could differ materially from those currently anticipated in such statements for many reasons such as: changes in general economic conditions and conditions in the financial markets; changes in demand and prices for minerals; litigation, legislative, environmental and other judicial, regulatory, political and competitive developments; technological and operational difficulties encountered in connection with Plato's activities; and other matters discussed in this news release and in filings made with securities regulators. This list is not exhaustive of the factors that may affect any of Plato's forward-looking statements. These and other factors should be considered carefully and accordingly, readers should not place undue reliance on forward-looking information. Plato does not undertake to update any forward-looking information, except in accordance with applicable securities laws.*
