

## **CERTIFICATE & CONSENT of AUTHOR**

Geoffrey Goodall, P. Geo.  
Global Geological Services Inc.  
101 – 1001 West Broadway Street, Unit 154  
Vancouver, BC, Canada V6H 4E4  
Email: ggoodall@axion.net

I, Geoffrey Goodall, P. Geo. do hereby certify that:

1. I am employed as a Consulting Geologist and president of Global Geological Services Inc.
2. I graduated with a Bachelor of Science degree in Geology from the University of British Columbia in 1984.
3. I am a member of the Association of Professional Engineers and Geoscientists of British Columbia and a Fellow of the Geological Association of Canada.
4. I have worked as a geologist for 30 years since graduation from university.
5. I have read the definition of “qualified person” set out in National Instrument 43-101 (“NI 43-101”) and certify that by reason of my education, affiliation with a professional association (as defined in NI 43-101) and past relevant work experience, I fulfill the requirements to be a “Qualified Person” for the purposes of NI 43-101. However I currently own shares in the public company La Quinta Resource Corporation and am the vendor of the Frances Bay property. Therefore I do not fulfill the requirements to be an “Independent Qualified Person”.
6. I am the author of the technical report titled “SUMMARY REPORT ON THE FRANCES BAY COPPER GOLD PORPHYRY PROSPECT” and dated February 25, 2014 (“The Technical Report”) relating to the Frances Bay property. I most recently visited the property on July 1 to 3, 2011.
7. I am not aware of any material fact or material change with respect to the subject matter of the Technical Report that is not reflected in the Technical Report, the omission to disclose which makes the Technical report misleading.
8. I have read National Instrument 43-101 and Form 43-101F1 and confirm that the Technical Report has been prepared in compliance with that instrument and form.
8. I am not independent of La Quinta Resource Corporation as I own shares in the company and am the vendor of the property.
9. I have read National Instrument 43-101 and Form 43-101F1, and confirm that the Technical report has been prepared in compliance with that instrument and form.
10. I do hereby consent to the filing, with the British Columbia Securities Commission and the TSX Venture Exchange regulatory authorities and any other regulatory

authority and any publication by them, including electronic publication in the public company files on their websites accessible by the public, of the Technical Report and to written disclosure by La Quinta Resource Corporation in public information documents so being filed provided that the entire report is filed and that I am provided an opportunity to review excerpts or summaries of the report in the context that they are being used.

A handwritten signature in blue ink, appearing to read 'Goodall', is positioned above a horizontal line.
