Equipment Hound Facilitates Critical Equipment Deal: Compressor for Oil and Gas Operations in Angola

September 25, 2023 - VANCOUVER, BC - Interfield Global Software Inc. (NEO: IFSS) (the “**Company**”) is pleased to announce that its 100% owned site E-Commerce site Equipment Hound, the leading B2B e-commerce marketplace for industrial equipment, has achieved a significant milestone in the global energy sector. Through its platform, Equipment Hound has successfully facilitated the sale of a high-capacity compressor destined for oil and gas operations in Angola. This transaction exemplifies Equipment Hound's commitment to connecting businesses with essential equipment to drive their operations forward.

The compressor, a crucial piece of equipment in the oil and gas industry, was sourced by an Angolan energy company looking to enhance its operations and meet growing demand in the region. Equipment Hound provided a seamless platform for the buyer to discover, evaluate, and purchase the compressor that perfectly aligned with their project requirements.

"The successful sale of this compressor for oil and gas operations in Angola is a testament to Equipment Hound's ability to bridge the gap between equipment suppliers and buyers," said Steele Hemmerich, President of Interfield Global Software Inc. "Our platform is designed to simplify the equipment procurement process, making it easier for businesses to access the equipment they need, regardless of their geographical location."

Angola, a significant player in the global oil and gas industry, relies heavily on the efficient operation of equipment such as compressors to support its energy infrastructure and meet international demand. The compressor provided through Equipment Hound will contribute to increased production capacity, operational efficiency, and environmental sustainability in the region.

The seller, an established Southeast Asian equipment supplier, recognizes Equipment Hound's platform as a valuable channel for expanding their market reach and connecting with international buyers. This sale reinforces the platform's role in fostering global trade and industry growth.

Equipment Hound continues to be at the forefront of facilitating crucial equipment deals that drive industry development. The platform's commitment to providing businesses with a seamless and efficient procurement experience reaffirms its position as a trusted partner in the global industrial equipment marketplace.

About Equipment Hound: Equipment Hound is a leading B2B e-commerce marketplace that connects businesses with reputable industrial equipment suppliers. With its user-friendly platform, Equipment Hound simplifies the equipment sourcing process, saving businesses time and effort while offering access to high-quality products.

About Interfield Global Software Inc.

The Company is a publicly listed company, with its common shares listed on the Neo Exchange Inc. (NEO: IFSS) and operates in Dubai, U.A.E through its wholly owned subsidiary, Interfield Software Solutions LLC (“**Interfield Solutions**”).

Interfield Solutions is a software company that services numerous industrial segments worldwide including oil and gas, mining and renewables. Interfield Solutions has two operating divisions, E-commerce and Software as a Service. Equipment Hound, the company's flagship product of its E-commerce division, is an industrial equipment marketplace that connects buyers and suppliers around the globe.
