Its solutions enables card associations, retailers, manufacturers, offer providers, mobile operators and card issuers to create, manage, deliver and “track and measure” incentive campaigns worldwide to any mobile device and allow its redemption at any point of sales.

Forward Looking Statements

Certain statements in this document, including those which express management's expectations or estimations with regard to the Company's future performance, constitute “forward-looking statements” as understood by applicable securities laws. Forward-

looking statements are, of necessity, based on a certain number of estimates and hypotheses; while management considers these to be accurate at the time they are expressed, they are inherently subject to significant uncertainties and risks on the commercial, economic and competitive levels. We advise readers that these forward-looking statements are subject to risks, uncertainties, and other known and unknown factors that may cause the actual results, performance or achievements of the Company to be materially different from any future results, performance or achievements expressed or implied in these forward-looking statements. Investors are advised to not rely unduly on the forward-looking statements. This advisory applies to all forward-looking statements, whether expressed orally or in writing, attributed to the Company or to any individual expressing them in the name of the Company. Unless required by law, the Company is under no obligation to publicly update these forward-looking statements, whether to reflect new information, future events, or other circumstances.

This news release does not constitute an offer to sell or a solicitation of an offer to buy any of the securities in the United States. The securities have not been and will not be registered under the United States Securities Act of 1933, as amended (the "U.S. Securities Act") or any state securities laws and may not be offered or sold within the United States unless registered under the U.S. Securities Act and applicable state securities laws or an exemption from such registration is available.
