

Vecima Networks Honoured With Multiple Award Wins

Vecima Networks takes top honours in three award shows

VICTORIA, B.C., June 18, 2018 -- Vecima Networks Inc. (TSX:VCM), an experienced designer and manufacturer of innovative technology solutions, is delighted to announce recent award wins that honour the company.

2018 BC CFO Awards

Mr. John Hanna, Vecima's Chief Financial Officer, was honoured as the winner in the Small Public Company category at the 2018 BC CFO Awards Gala held on June 7th at the Fairmont Waterfront in Vancouver. The BC CFO Awards are a partnership between the Chartered Professional Accountants of British Columbia and Business In Vancouver magazine. These awards recognize the top CFOs in the province with the honourees chosen based on their performance relating to corporate growth, overall performance and execution, sound business principles, and reporting.

2018 Victoria Chamber of Commerce Business Awards

Vecima Networks was announced as the winner in the Innovation category at the Victoria Chamber of Commerce 2018 Business Awards held on May 10th at Victoria's Fairmont Empress. The Victoria Chamber of Commerce is the city's largest business association, funded by businesses to support business interests.

2018 VIATEC Awards

Vecima took top honours in the category of Technology Company of the Year (50+ employees) at last Friday's 2018 VIATEC Awards Gala. VIATEC, the Victoria Innovation, Advanced Technology and Entrepreneurship Council, is an organization dedicated to the development and promotion of the Greater Victoria technology sector.

"We're thrilled that Vecima's team has been recognized by these distinguished organizations," said Sumit Kumar, President and CEO of Vecima Networks. "We are especially proud to see John's accomplishments formally recognized as it speaks to the competence and caliber of our management team."

About Vecima Networks

Vecima Networks Inc. (TSX:VCM) is a globally recognized leader in creating breakthrough technology solutions that empower network service providers to connect people and enterprises to information and entertainment worldwide. Vecima products for the cable industry allow service providers a cost-effective Last Mile Solution[®] for both video and broadband access, especially in the demanding business services market segment. Vecima's Video Content Delivery and Storage business, operated under the Concurrent brand, includes solutions and software for industries and customers that focus on storing, protecting, transforming, and delivering high value media assets. Vecima also provides fleet managers the key information and analytics they require to optimally manage their business under the Contigo, Nero Global Tracking, and FleetLynx brands.
