Meeting ID: 248 654 430 360

Passcode: B5r87h

Ostrom apologizes for any inconvenience that this has caused its shareholders.

About Ostrom Climate Solutions Inc.

Ostrom Climate is one of North America's leading providers of carbon project development and management services, climate solutions, and carbon credit marketing. Over the past 12 years, Ostrom Climate has validated and verified forest carbon projects globally for voluntary and regulated markets, having developed 16 million acres of forest land for conservation and monetized over 10 million carbon credits. Based out of Vancouver, B.C., Canada, the Ostrom Climate team has a global reach, has worked with over 200 organizations globally, including Fortune 500 companies, managed projects in partnership with indigenous stakeholders and has extensive on-ground experience in emerging markets.

Ostrom Climate is focused on developing high-quality carbon projects that have a positive impact on the environment, local communities and biodiversity. Ostrom Climate is publicly listed on the TSX Venture Exchange (COO) and the Frankfurt Stock Exchange (9EA).
