Alianza Minerals Announces $750,000 Non-Brokered Private Placement

Not for distribution to United States Newswire Services or for dissemination in the United States

Vancouver, BC, April 25, 2022 - Alianza Minerals Ltd. (TSX-V: ANZ, OTCQB: TARSF) ("**Alianza**" or the "**Company**") is pleased to announce a non-brokered private placement of 10 million Units of the Company at a price of C$0.075 per Unit for gross proceeds to the Company of up to $750,000 (the "**Offering**").

Each Unit is comprised of one common share and one half of a common share purchase warrant. Each full common share purchase warrant will entitle the holder to purchase one common share for a period of three years from closing of the placement for $0.125 per common share. The common share purchase warrants are non-transferable.

The proceeds from this private placement will be used to fund various activities of Alianza including exploration conducted outside of Canada, project generation and marketing of projects in 2022, investor relations out-reach programs and other corporate overhead costs.

Jason Weber, President and CEO of Alianza, noted that "After strong silver exploration results in 2021, we are making plans for further drilling at Haldane and will continue to advance our other projects focused on copper, silver and gold with our optionee partners."

The closing of the Offering is expected to occur in mid-May, 2022, and is subject to receipt of all necessary regulatory approvals including the TSX Venture Exchange (the "TSXV"). Finder's fees of 7% in cash will be paid to eligible parties. The common shares and warrants issued with respect to the Offering will be subject to a hold period of four months and one day in accordance with applicable securities laws.

This news release does not constitute an offer of securities for sale in the United States. The securities being offered have not been, nor will they be, registered under the United States Securities Act of 1933, as amended, and such securities may not be offered or sold within the United States absent U.S. registration or an applicable exemption from U.S. registration requirements.

About Alianza Minerals Ltd.

Alianza is a discovery focused minerals exploration company, working to provide metals for the modern economy following best ESG practices. Alianza has ongoing exploration programs at the 100% owned flagship Haldane Silver Project in the prolific Keno Hill District, Yukon Territory.
