ONTARIO SECURITIES COMMISSION – DECISION – MAY 14, 2018

The undersigned, for and on behalf of the Company, hereby undertakes to the Securities Regulatory Authorities that:

- a) in complying with its reporting issuer obligations, the Company will treat Galaxy Digital Holdings LP (**GDH LP**) as a subsidiary of the Company; however, if generally accepted accounting principles (**GAAP**) used by the Company prohibit the consolidation of financial information of GDH LP and the Company, then for as long as GDH LP (including any of its significant business interests) represents a significant asset of the Company, GDH LP will provide, or cause to be provided, to the Company, for filing and delivery to shareholders of the Company, separate audited annual financial statements and interim financial reports in respect of GDH LP, prepared in accordance with the same GAAP as the Company's financial statements, and related management's discussion and analysis, prepared in accordance with National Instrument 51-102 – *Continuous Disclosure Obligations* or its successor (**NI 51-102**), and filed in accordance with the Company's filing deadlines pursuant to NI 51-102, for GDH LP;
- b) GDH LP will provide, or cause to be provided, to the Company information that the Company requests in respect of GDH LP, for inclusion in the Company's annual information form (**AIF**) for any financial year, that would be material to the Company so that such AIF does not contain a misrepresentation pursuant to applicable securities laws;
- c) GDH LP will take the appropriate measures to:
 - a. require each person who would be a reporting insider (as defined in National Instrument 55-104 – *Insider Reporting Requirements and Exemptions* or its successor) of GDH LP, if GDH LP were a reporting issuer, to file insider reports about trades in securities of the Company; and

- b. require each person who would be an insider of GDH LP or a person or company in a special relationship with GDH LP, if GDH LP were a reporting issuer, to comply with prohibitions against insider trading with respect to securities of the Company under applicable securities legislation;
- d) GDH LP will issue a press release and deliver to the Company for filing a material change report in accordance with applicable securities laws with respect to any material change in GDH LP that would reasonably be expected to have a significant effect on the market price or value of any securities of the Company, if the Company does not issue such press release and file such material change report; and
- e) GDH LP will provide to the Company an annual certificate that it has complied with the above undertakings, for filing concurrently with the Company filing its annual financial statements.
