

Galaxy Schedules Webcast and Investor Call to Review First Quarter 2025 Results on May 13, 2025

NEW YORK, April 29, 2025 – [Galaxy Digital Holdings Ltd.](#) (TSX: GLXY) (“Galaxy” or the “Company”) is pleased to announce that it will report first quarter 2025 financial results before the opening of the Toronto Stock Exchange on Tuesday May 13th, 2025.

Michael Novogratz, CEO and Founder of Galaxy, and members of management will host a conference call to provide an update to investors and analysts on the Company’s activities and results on the same day at 8:30 AM Eastern Time.

A live webcast will be available at <https://investor.galaxy.com/>. The conference call can also be accessed by investors and analysts in the United States or Canada by dialing 1-800-445-7795, or +1-785-424-1699 (outside the U.S. and Canada) using the Conference ID: GALAXY. A replay of the webcast will be available and can be accessed in the same manner as the live webcast on the Company’s Investor Relations website.

About Galaxy

Galaxy (TSX: GLXY) is a global leader in digital assets and data center infrastructure, delivering solutions that accelerate progress in finance and artificial intelligence. Our digital assets platform offers institutional access to trading, advisory, asset management, staking, self-custody, and tokenization technology. In addition, we invest in and operate cutting-edge data center infrastructure to power AI and high-performance computing, meeting the growing demand for scalable energy and compute solutions in the U.S. The company is headquartered in New York City, with offices across North America, Europe, the Middle East and Asia.

A special meeting of the Company's shareholders to approve the Company's previously announced reorganization and domestication from the Cayman Islands to Delaware (together with related transactions, the "Reorganization") will be held on May 9, 2025 (the "Special Meeting"). Following completion of the Reorganization, references to the Company shall be references to the post-Reorganization entity, Galaxy Digital Inc. Additional information about Galaxy's businesses and products is available on www.galaxy.com
