Pacific Cascade adds to Management and Advisory Team

Vancouver, British Columbia, Canada – September 30, 2010 - Pacific Cascade Minerals Inc. (the "Company") is pleased to announce the following additions to the PCV Technical Advisory Board and the Company's management team.

Mr. Alain Charest has agreed to join the Company's Technical Advisory Board. Mr. Charest, a self-employed Geological Consultant, is the President and CEO of Arcelia Gold Corp. a privately held, British Columbia incorporated company. Previously he served as Vice President of Exploration at Chesapeake Gold Corp. from 2002 to April 2008 and as Vice President of Exploration for Francisco Gold Corp. from 1996 to 2002. Mr. Charest has over 25 years experience in mineral exploration throughout the America's, primarily in Mexico, where, in 1995, he discovered the world-class El Sauzal gold deposit while working for Francisco Gold Corp. Mr. Charest was also involved in the discovery of the 5 Million ounce (gold equivalent) Marlin deposit in Guatemala at the end of 2000. His experience and expertise will be a valued addition to the PCV team.

Mr. Daniel Whittle has joined the Company to manage the Investor Relations program. Mr. Whittle brings to the Company extensive experience in the public capital markets via his involvement with several junior companies over the years in the mining, energy and technology sectors. Mr. Whittle also has several years experience as an Investment Advisor at a national brokerage firm and investment bank prior to his founding Sealord Capital Corporation, a privately held investment and consulting company.

<u>Grant of Options</u>

The Company has granted an aggregate of 2,375,000 incentive stock options to directors and consultants, exercisable at a price of $0.10 per share for a period of ten years from the date of the grant. Any shares issued under the option grant will be subject to a four-month hold period from the date of granting, pursuant to the policies of the TSX Venture Exchange.
