The Board of Directors and management would like to thank Mr. Moubarak for his dedicated work and wishes him well in his future endeavors.

About Blue Sky Uranium Corp.

Blue Sky is one of Argentina's best positioned uranium exploration companies with more than 5,000 km^2 of tenements. The Company's mission is to acquire, explore and advance a portfolio of uranium projects with an emphasis on surficial deposits, in Argentina and other jurisdictions.

The Company is a member of the Grosso Group, a resource management group with experience in South America since 1993. As a member company of the Grosso Group, Blue Sky benefits from the signing of an agreement in principle for a strategic alliance with the Government of the Rio Negro province, Argentina, for the purpose of jointly exploring the potential for commercial mining activity. Argentina has an advanced nuclear industry, centered in the Rio Negro Province.

ON BEHALF OF THE BOARD
