Item 5. Full Description of Material Change

5.1 Full Description of Material Change

The Company announced that it had closed a non-brokered private placement previously announced on May 27, 2019. It issued a total 2,484,850 units (the "Units") at a price of $0.15 per Unit for aggregate gross proceeds of $372,727. Each Unit will consist of one common share and one transferrable common share purchase warrant ("Warrant"). Each Warrant will entitle the holder thereof to purchase one additional common share in the capital of the Company at $0.25 per share for three years from the date of issue, expiring on June 4, 2022. The warrants are also subject to an accelerator clause as more fully described in the May 27, 2019 news release.

Finder's fees of $4,374.3 were paid in cash on a portion of the private placement to parties at arm's length to the Company. In addition, 29,162 non-transferable finder's warrants are issuable. All other terms and conditions are the same as the private placement warrants.

The proceeds of the financing will be used for exploration programs on the Company's projects in Argentina and for general working capital.
