8. **Executive Officer**

   Mitchell Adam

   604-669-9330

9. **Date of Report**

   January 13, 2010

Schedule "A"

Vancouver, BC – January 14, 2010: Weststar Resources Corp. (TSX-V: WER Frankfurt: HN3) (the "Company") is pleased announce it has purchased a 100 percent interest in 27 strategic claims in the Red Chris area of northwestern British Columbia. The claims are within 10 km of the Red Chris copper-gold property owned by Imperial Metals Corp. (TSX - III).

In a recent announcement (see NR Dec 20, 2009 for Imperial Metals Corp.) results of drilling assays from Imperial metals Deep East zone at Red Chris included the following:

> "Drill hole RC09-350 previously reported the highest grade intercepted at Red Chris to date (Stockwatch news, Nov. 9, 2009: RC09-350 returned 152.5 metres grading 4.12 per cent copper and 8.83 grams per tonne gold starting at a depth of 540 metres). The higher-grade material extends to 962.5 metres and averages 2 per cent copper and 3.8 grams per tonne gold over 432.5 metres. With all intervals assayed, drill hole RC09-349 intercepted 625.3 metres of 0.82 per cent copper and 0.93 gram per tonne gold starting at a depth of 390 metres."

The 27 claims acquired by Weststar cover an area of approximately 26,544.48 acres located to the northwest of the Red Chris property. Terms of the agreement include a cash payment of $10,000 and the issuance of 1,000,000 shares of Weststar upon TSX Venture Exchange approval. A finder's fee is payable on this transaction. The acquisition is subject to the acceptance of the TSX Venture Exchange.

The Company is planning an exploration program to follow up on numerous historic copper showings located on the northwest portion of the newly acquired claims.

The Company is also in preliminary discussions to acquire additional claims in the area, which if successfully concluded, will be announced in a timely manner.

On Behalf of the Board

Mitchell Adam, President
Weststar Resources Corp.
