Re. Engagement Letter

Services

Mine Management Partners Limited ('MMP') would be pleased to provide the following services to Omni Commerce Corp ('the Client').

1. Act as a technical advisor to the Client as required
2. Provide assistance on evaluation and due diligence of potential property acquisitions
3. Other services as mutually agreed upon

Fees

[redacted: sensitive monetary information]
MMP's standard rate is [redacted] to a maximum of [redacted]. Travel time is considered billable hours and travel related expenses are reimbursable by the Client. Additional associates such as geologists, technicians and other industry professionals will vary in rates from [redacted] for all hours applicable to work for the Client.

Payment

MMP shall submit to the Client a monthly invoice detailing all fees accrued during the preceding month. All such invoices shall be due and payable within 30 calendar days after receipt thereof by the Client. All fees and commissions are subject to applicable taxes and are in Canadian dollars.

Duration

Services and fees will be invoiced as of May 1, 2020. This is to include work done for the Client from this date until the execution of this agreement and continues until August 31, 2020 unless extended through the mutual agreement of MMP and the Client. MMP or the Client can terminate the engagement by written confirmation at any time.

Limit of Liability

MMP shall not be liable for, nor shall the Client make claim for, consequential, incidental or special damages, or for loss of profits or revenues. In no event shall MMP be liable for any damages, loss or injury for performance under this contract in any amount exceeding the total compensation paid to MMP by the Client under this contract.

Confidentiality

MMP understands the importance of confidentiality and as such as executed an NDA with the Client which will be strictly adhered to as per the agreement.

We look forward to working with the you to grow your company.

Best regards,
