Item 4 Summary of Material Change

Provide a brief but accurate summary of the nature and substance of the material change.

Uranium North Resources Corp (UNR – TSX-V) announces that it intends to complete a non-brokered private placement of up to \$800,000, comprising a combination of flow-through common shares at a price of \$.08 cents per share and non-flow-through units at a price of \$.08 cents per unit subject to regulatory approval. The funds will be used to finance the Company's exploration projects and for working capital.

Each non-flow-through unit will consist of one common share and one-half share purchase warrant. Each such common share purchase warrant will be exercisable into one common share for a period of one year from closing at a price of \$.12 cents per share.

Finder's fees of 7% of the units and/or flow-through shares sold may be payable in cash or shares on a portion of the financing to finders who assist in the placement, as permitted under applicable securities laws. In addition, any brokerage firms participating as finders may receive, as additional compensation, non-transferable share purchase warrants entitling the holder thereof to purchase such number of common shares in the capital of Uranium North that equals an aggregate of 7% of the number of units and/or flow-through shares sold by the brokerage firm (the "Broker's Warrants). Each such Broker's Warrant shall entitle the holder thereof to purchase one additional common share at a price of \$0.12 for a period of one year from the closing date.

Item 5 Full Description of Material Change

5.1 Full Description of Material Change

Supplement the summary required under Item 4 with sufficient disclosure to enable a reader to appreciate the significance and impact of the material change without having to refer to other material. Management is in the best position to determine what facts are significant and must disclose those facts in a meaningful manner. See also Item 7.

Some examples of significant facts relating to the material change include: dates, parties, terms and conditions, description of any assets, liabilities or capital affected, purpose, financial or dollar values, reasons for the change, and a general comment on the probable impact on the issuer or its subsidiaries. Specific financial forecasts would not normally be required.

Other additional disclosure may be appropriate depending on the particular situation.

5.2 Disclosure for Restructuring Transactions

This item applies to a material change report filed in respect of the closing of a restructuring transaction under which securities are to be changed, exchanged, issued or distributed. This item does not apply if, in respect of the transaction, your company sent an information circular to its security holders or filed a prospectus or a securities exchange takeover bid circular.

Include the disclosure for each entity that resulted from the restructuring transaction, if your company has an interest in that entity, required by section 14.2 of Form 51-102F5. You may satisfy the requirement to include this disclosure by incorporating the information by reference to another document.

INSTRUCTIONS

(i) If your company is engaged in oil and gas activities, the disclosure under Item 5 must also satisfy the requirements of Part 6 of National Instrument 51-101 Standards of Disclosure for Oil and Gas Activities.

(ii) If you incorporate information by reference to another document, clearly identify the referenced document or any excerpt from it. Unless you have already filed the referenced document or excerpt, you must file it with the material change report. You must also disclose that the document is on SEDAR at www.sedar.com.

Item 6 Reliance on subsection 7.1(2) or (3) of National Instrument 51-102

If this Report is being filed on a confidential basis in reliance on subsection 7.1(2) or (3) of National Instrument 51-102, state the reasons for such reliance.

INSTRUCTION

Refer to subsections 7.1 (4), (5), (6) and (7) of National Instrument 51-102 concerning continuing obligations in respect of reports filed under subsection 7.1(2) or (3) of National Instrument 51-102.

Item 7 Omitted Information

State whether any information has been omitted on the basis that it is confidential information.

NO INFORMATION HAS BEEN OMITTED.

In a separate letter to the applicable regulator or securities regulatory authority marked "Confidential" provide the reasons for your company's omission of confidential significant facts in the Report in sufficient detail to permit the applicable regulator or securities regulatory authority to determine whether to exercise its discretion to allow the omission of these significant facts.

INSTRUCTIONS

In certain circumstances where a material change has occurred and a Report has been or is about to be filed but subsection 7.1(2), (3) or (5) of National Instrument 51-102 is not or will no longer be relied upon, your company may nevertheless believe one or more significant facts otherwise required to be disclosed in the Report should remain confidential and not be disclosed or not be disclosed in full detail in the Report.

Item 8 Executive Officer

Give the name and business telephone number of an executive officer of your company who is knowledgeable about the material change and the Report, or the name of an officer through whom such executive officer may be contacted.

MARK KOLEBABA
Tel. (604) 484-2212

Item 9 Date of Report
