Dear Sirs/Mesdames:

Re: Scorpio Gold Corporation – Amended NI 43-101 Technical Report for the Manhattan Property, Nye County, Nevada with Effective Date of June 4, 2025

Scorpio Gold Corporation (the "**Company**") has today filed an amended version of the technical report for the Manhattan Property entitled "Mineral Resource Estimate and NI 43-101 Technical Report, Manhattan Property, Nye County, Nevada" with an effective date of June 4, 2025 (the "**Amended Technical Report**").

The Amended Technical Report is being filed to update the list of authors of the Technical Report and to remove certain content from Item 20 (*Environmental Studies, Permitting and Social or Community Impact*) that was not required to be included. Additional disclosure regarding historical drilling and quality assurance/quality control procedures has also been included. The mineral resource estimate and all other substantive technical content of the Technical Report remain unchanged.

Yours truly,

Scorpio Gold Corporation
