

Avante to Participate at the GSX 2024 Conference

- GSX 2024 takes place on September 23-25, 2024, at the Orange County Convention Center in Orlando, FL.

TORONTO, Ontario, September 20, 2024 – Avante Corp Inc. (TSX.V: XX) (OTC: ALXXF) (“**Avante**” or the “**Company**”), a global provider of technology enabled security solutions and services, is pleased to announce that the Company will be an exhibitor at GSX 2024, one of the most prestigious events in the security industry. GSX 2024, (or “**Global Security Exchange**”) will take place from September 23 to 25, 2024, at the Orange County Convention Center in Orlando, Florida.

Avante will be located at Booth #2175, where it will present its latest breakthroughs in security technology. The Company’s state-of-the-art booth will feature a comprehensive 20 foot by 10 foot display, offering immersive, interactive demos and hands-on experiences with Avante’s industry-leading solutions. Attendees will be able to explore **Halo**, the cutting-edge video monitoring system, and **Avante Black**, Avante’s specialized investigation and protection service. Furthermore, the Company will unveil **Avante AI**, the latest breakthrough within Avante Black which utilizes artificial intelligence to actively monitor, predict, and pinpoint the root causes of potential security threats in real time.

Avante will be joined by its newly acquired company, North Star Support Group (or “**NSSG**”), showcasing its extensive Global operations, cyber and security expertise. Attendees will have the opportunity to meet with key leadership from both companies, including Avante’s Chief Executive Officer, Emmanuel (Manny) Mounouchos, and NSSG’s Chief Executive Officer, Alessandro Martello. Avante team members will be on hand throughout the event to discuss innovative security solutions and explore potential partnerships and business opportunities.

Emmanuel Mounouchos, Chief Executive Officer of Avante commented, “GSX 2024 presents an excellent opportunity for Avante to showcase its products and services to the global security community and highlight our commitment to advancing security technology. With industry leaders in attendance from around the world, we are looking forward to engaging with top security professionals and demonstrate innovative solutions that solidify Avante’s position as a leader in delivering tech-enabled security solutions.”

For more information about GSX 2024 and to register, visit GSX.org. The conference is hosted by ASIS International, a global association for security management professionals, with a membership spanning various sectors including corporate, government and private security.

About Avante Corp.

Avante Corp Inc. is a Toronto based leading provider of security operatives and technology enabled security solutions to residential and commercial clients. Forward-Looking Statements

This news release may contain "Forward-Looking Information" within the meaning of applicable Canadian securities laws. Forward-Looking Information are necessarily based upon a number of estimates and assumptions that, while considered reasonable by management, are inherently subject to significant business, economic and competitive uncertainties, and contingencies. Forward-Looking Information generally can be identified by the use of forward-looking words such as "may", "should", "will", "could", "intend", "estimate", "plan", "anticipate", "expect", "believe" or "continue", or the negative thereof or similar variations. Forward-Looking Information involve known and unknown risks, uncertainties and other factors that may cause future results, performance, or achievements to be materially different from the estimated future results, performance or achievements expressed or implied by the Forward-Looking Information and the Forward-Looking Information are not guarantees of future performance. Avante's comments expressed or implied by such Forward-Looking Information are subject to a number of risks, uncertainties, and conditions, many of which are outside of Avante's control, and undue reliance should not be placed on such information. Forward-Looking Information are qualified in their entirety by inherent risks and uncertainties, including: direct and indirect material adverse effects from adverse market conditions; that future results may vary from

historical results; that market competition may affect the business, results and financial condition of Avante and other risk factors identified in documents filed by Avante under its profile at www.sedarplus.ca, including its most recent Annual Information Form and its most recent Management, Discussion and Analysis. Except as required by securities law, Avante does not assume any obligation to update or revise any forward-looking information, whether as a result of new information, events or otherwise.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
