MANAGEMENT INFORMATION CIRCULAR

ARTICLE 1 – VOTING AND PROXIES

1.1 Solicitation of Proxies

THIS MANAGEMENT INFORMATION CIRCULAR (THE “MANAGEMENT INFORMATION CIRCULAR”) IS FURNISHED IN CONNECTION WITH THE SOLICITATION, BY THE MANAGEMENT OF AVANTE CORP. (the “Corporation”), of proxies to be used at the annual general and special meeting (the “Meeting”) of shareholders of the Corporation (“Shareholders”), to be held on October 21, 2025, at the time and place and for the purposes set forth in the Notice of the Annual General and Special Meeting of Shareholders (the “Notice of Meeting”) or any adjournment or postponement thereof.

Unless otherwise indicated, the information contained in this Management Information Circular is given as of September 15, 2025. Unless otherwise specified, all dollar amounts in this Management Information Circular refer to Canadian dollars.

While it is expected that the solicitation of proxies will be conducted primarily by mail, proxies may also be solicited personally, by facsimile, electronic communication or by telephone. Some proxies may also be solicited directly in the case of directors, officers or employees of the Corporation, but without further compensation. The Corporation may also reimburse brokers and other persons holding the Corporation’s common shares (“**Common Shares**”) on their behalf or on behalf of nominees, for costs incurred in sending the proxy documents to principals and to obtain their proxies. The Corporation will assume the solicitation costs, which are expected to be minimal.

1.2 Meeting Materials

The Corporation has posted the Notice of Meeting, this Management Information Circular, the form of proxy, the Corporation’s audited consolidated financial statements for the fiscal years ended March 31, 2025 and 2024, along with the auditor’s report thereon, as well as the unaudited condensed interim consolidated financial statements for the three-month period ended June 30, 2025 and 2024 (collectively, the “**Financial Statements**”) on the Corporation’s profile on SEDAR+ at www.sedarplus.ca.

1.3 Voting at the Virtual Meeting

Only Shareholders whose names appear on the records of the Corporation as the registered holders of Common Shares or duly appointed proxyholders are permitted to vote at the Meeting. A registered Shareholder whose name has been provided to the Corporation’s registrar and transfer agent, TSX Trust Company, will appear on a list of Shareholders prepared by the registrar and transfer agent for purposes of the Meeting. Non-registered (beneficial) Shareholders must appoint themselves as a proxyholder to vote virtually at the Meeting. See also “**Non-Registered Holders of Shares**” below.

The Meeting is virtual only and will be held via live webcast online at Web URL: <https://virtual-meetings.tsxtrust.com/1845>. The password is: “avante2025” (case sensitive). The Meeting ID is 1845. There will be no in-person component to the Meeting.

Registered Shareholders and duly appointed proxyholders: Shareholders and duly appointed proxyholders will be able to attend, participate and vote at the Meeting via live webcast online by following the steps listed below:

1. Type in <https://virtual-meetings.tsxtrust.com/1845> on your browser at least 15 minutes before the Meeting starts. Please do not do a Google Search. Please use the latest version of your internet browser, but do not use Internet Explorer.
2. Click on “**I have a control number / meeting access number**”.

3. Enter your 12-digit control number (on your proxy form) as your username. Duly appointed proxyholders are required to contact TSX Trust Company at tsxtrustproxyvoting@tmx.com & email the “Request for Control Number” form (which can be found here: <https://tsxtrust.com/resource/en/75>) in order to obtain a unique meeting access number.
4. Enter the password: “avante2025” (case sensitive).
5. Once the polls have been opened, Shareholders would simply click on the “Voting” icon on the left side of their screen. From there, Shareholders would proceed to go through the resolutions listed, voting accordingly. Once a Shareholder is satisfied with their vote, they would click “Submit” and would then see a confirmation message displayed thanking them for voting at the meeting.

Beneficial Shareholders: Guests, including Non-Registered Holders (as defined below) who have not duly appointed themselves as a proxyholder, can login to the Meeting by following the steps listed below:

1. Type in <https://virtual-meetings.tsxtrust.com/1845> on your browser at least 15 minutes before the Meeting starts. Please do not do a Google Search. Please use the latest version of your internet browser, but do not use Internet Explorer.
2. Click on “I am a Guest” and fill out the online registration form. Please note that no password is required to login as a Guest.

Guests will be able to listen to the Meeting but will not be able to ask questions or vote at the Meeting.

Any registered Shareholder, or duly appointed proxyholder who has been properly registered to attend the Meeting is eligible to ask questions during the Meeting. In order to ask a question during the Meeting, click on the “Ask a Question” button located on the left side of your screen, type your question into the space provided and then press the “Submit” button. The Chair of the Meeting reserves the right to edit or reject questions he deems inappropriate, or to limit the number of questions per Shareholder in order to ensure that as many Shareholders as possible will have the opportunity to ask questions. The Chair of the Meeting has broad authority to conduct the Meeting in an orderly manner. To ensure the Meeting is conducted in a manner that is fair to all Shareholders, the Chair of the Meeting may exercise broad discretion in the order in which questions are asked and the amount of time devoted to any one question.

If you have any questions or require further information with regard to voting your shares, please contact TSX Trust Company toll-free in North America at 1-866-600-5869 or by email at tsxtis@tmx.com.

1.4 Appointment of Proxyholders

If a registered Shareholder cannot attend the Meeting but wishes to vote on the resolutions, the registered Shareholder should sign, date and deliver the enclosed form of proxy to the Corporation’s registrar and transfer agent, TSX Trust Company, 100 Adelaide Street West, Suite 301, Toronto, Ontario M5H 4H1, Attention: Proxy Department, so it is received by no later than 10:00 a.m. (Toronto time) on October 17, 2025 (or at least 48 hours, excluding Saturdays, Sundays and holidays, prior to the commencement of any reconvened Meeting in the event of any adjournment(s) or postponement(s) thereof). The time limit for the deposit of proxies may be waived by the Chair of the Meeting without notice.

The persons named in the enclosed form of proxy are directors and/or officers of the Corporation. A Shareholder has the right to appoint a person other than the persons named in the enclosed form of proxy to represent the Shareholder at the meeting or any adjournment or postponement thereof. A SHAREHOLDER GIVING A PROXY CAN STRIKE OUT THE NAMES OF THE NOMINEES PRINTED IN THE ACCOMPANYING FORM OF PROXY AND INSERT THE NAME OF ANOTHER NOMINEE (THE “PROXY NOMINEE”) IN THE SPACE PROVIDED, OR THE SHAREHOLDER MAY COMPLETE ANOTHER FORM OF PROXY. A PROXY NOMINEE NEED NOT BE A SHAREHOLDER OF THE CORPORATION.

The persons named as proxies will vote for, against, or withhold from voting the Common Shares in respect of which they are appointed (as applicable), or vote for, against or withhold from voting on any particular matter, in accordance with the instructions of the Shareholder appointing them, on any ballot that may be called for. If the Shareholder specifies a choice with respect to any matter to be acted upon, the Shareholder's Common Shares will be voted accordingly. **IN THE ABSENCE OF SUCH INSTRUCTIONS, THE COMMON SHARES WILL BE VOTED OR WITHHELD FROM VOTING AS RECOMMENDED BY MANAGEMENT HEREIN AND IN THE ENCLOSED FORM OF PROXY. THE ENCLOSED FORM OF PROXY CONFERS DISCRETIONARY AUTHORITY UPON THE PERSONS NAMED THEREIN WITH RESPECT TO AMENDMENTS OR VARIATIONS TO MATTERS IDENTIFIED IN THE NOTICE OF MEETING AND TO OTHER MATTERS WHICH MAY PROPERLY COME BEFORE THE MEETING, TO THE EXTENT PERMITTED BY LAW, WHETHER OR NOT THE AMENDMENT, VARIATION OR OTHER MATTER THAT COMES BEFORE THE MEETING IS ROUTINE AND WHETHER OR NOT THE AMENDMENT, VARIATION OR OTHER MATTER THAT COMES BEFORE THE MEETING IS CONTESTED. AT THE TIME OF PRINTING OF THIS MANAGEMENT INFORMATION CIRCULAR, THE MANAGEMENT OF THE CORPORATION KNOWS OF NO SUCH AMENDMENT, VARIATION OR OTHER MATTER EXPECTED TO COME BEFORE THE MEETING OTHER THAN THE MATTERS REFERRED TO IN THE NOTICE OF MEETING. HOWEVER, IF ANY AMENDMENTS OR OTHER MATTERS NOT KNOWN TO MANAGEMENT SHOULD PROPERLY COME BEFORE THE MEETING, THE ACCOMPANYING FORM OF PROXY CONFERS DISCRETIONARY AUTHORITY UPON THE PERSONS NAMED THEREIN TO VOTE ON SUCH AMENDMENTS OR MATTERS IN ACCORDANCE WITH THEIR BEST JUDGMENT.**

A Shareholder giving a proxy has the right to attend the Meeting, or appoint someone else to attend as their proxy at the Meeting and the proxy submitted earlier can be revoked in the manner described under “**Revocation of Proxies**” below.

Registering a third-party proxyholder (including appointing yourself as a proxyholder if you are a Non-Registered Holder (as defined below)) requires an additional step to be completed after you have submitted your form of proxy. Failure to register the proxyholder will result in the proxyholder not receiving a unique meeting access number that is required for them to vote at the Meeting.

- **Step 1: Submit your Form of Proxy:** To appoint yourself or a third-party proxyholder, insert such person's name in the blank space provided in the form of proxy and follow the instructions for submitting such form of proxy. This must be completed prior to registering such proxyholder, which is an additional step to be completed once you have submitted your form of proxy.
- **Step 2: Register your Proxyholder:** To register yourself or a third-party proxyholder, you (if you are appointing yourself as a proxyholder) or such third-party proxyholder must contact TSX Trust Company in advance of the Meeting by emailing the “**Request for Control Number**” form (which can be found here: <https://tsxtrust.com/resource/en/75>) to tsxtrustproxyvoting@tmx.com.

Failure to register yourself or your proxyholder in the manner set out above will result in the proxyholder not receiving a unique meeting access number that will act as the proxyholder's log-in credentials and which is required for them to vote at the Meeting and, consequently, the proxyholder will not be able to vote or ask questions at the Meeting, instead only being able to attend the Meeting online as a guest. Guests will be able to listen to the meeting but will not be able to submit questions. Non-Registered Holders located in the United States must also provide TSX Trust Company with a duly completed legal proxy if they wish to vote at the Meeting or appoint a third party as their proxyholder.

1.5 Revocation of Proxies

A Shareholder giving a proxy may revoke the proxy by a document signed by him or her or by a proxyholder authorized in writing or, if the Shareholder is a corporation, by a document signed by an officer or a proxyholder duly authorized, given to TSX Trust Company, 100 Adelaide Street West, Suite 301, Toronto, Ontario M5H 4H1, Attention: Proxy Department, no later than 5:00 p.m. (Toronto time) on the last business day prior to the date of the

Meeting or any adjournment or postponement thereof at which the proxy is to be used, or to the Chair of the Meeting on the day of the Meeting or any adjournment or postponement thereof.

1.6 Non-Registered Holders of Shares

Only registered Shareholders or the persons they appoint as their proxies are permitted to vote at the Meeting. However, in many cases, Common Shares beneficially owned by a holder (a “**Non-Registered Holder**”) are registered either:

- (a) in the name of an intermediary (an “**Intermediary**”) that the Non-Registered Holder deals with in respect of the Common Shares. Intermediaries include banks, trust companies, securities dealers or brokers, and trustees or administrators of self-administered RRSPs, RRIAs, RESPs and similar plans; or
- (b) in the name of a depository (such as The Canadian Depository for Securities Limited).

Non-Registered Holders do not appear on the list of Shareholders of the Corporation maintained by the transfer agent.

The information set forth in this section should be reviewed carefully by the Non-Registered Holders of the Corporation. Shareholders who do not hold their Common Shares in their own name should note that only proxies deposited by Shareholders who appear on the records maintained by the Corporation’s registrar and transfer agent as registered holders of shares will be recognized and acted upon at the Meeting.

Non-Registered Holders fall into two categories – those who object to their identity being made known to the issuers of securities which they own (“**Objecting Beneficial Owners**” or “**OBOs**”) and those who do not object to their identity being made known to the issuers of the securities they own (“**Non-Objecting Beneficial Owners**” or “**NOBOs**”). Subject to the provisions of National Instrument 54-101 – Communication with Beneficial Owners of Securities of a Reporting Issuer (“**NI 54-101**”), issuers may request and obtain a list of their NOBOs from Intermediaries via their transfer agent. Pursuant to NI 54-101, issuers may obtain and use the NOBO list for distribution of proxy-related materials directly to such NOBOs.

Proxy-related materials are being sent to both registered and non-registered Shareholders, and are being sent directly to NOBOs under NI 54-101. If you are a NOBO and the Corporation or its agent has sent the Notice of Meeting and this Management Information Circular directly to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding the securities on your behalf. By choosing to send these materials to you directly, the Corporation (and not the Intermediary holding on your behalf) has assumed responsibility for: (i) delivering these materials to you; and (ii) executing your proper voting instructions as specified in the request for voting instructions. Please return your voting instructions as specified in the request for voting instructions delivered to you.

The Corporation’s decision to deliver proxy-related materials directly to its NOBOs will result in all NOBOs receiving a Voting Instruction Form (“**VIF**”) from TSX Trust Company. Please complete and return the VIF to TSX Trust Company, 100 Adelaide Street West, Suite 301, Toronto, Ontario M5H 4H1, Attention: Proxy Department, in the envelope provided or by facsimile. In addition, instructions in respect of the procedure for internet voting can be found in the VIF. TSX Trust Company will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the Common Shares represented by the VIFs received by TSX Trust Company.

OBOs may expect to receive their materials related to the Meeting from Broadridge, Mediant or an Intermediary. If a reporting issuer does not intend to pay for an Intermediary to deliver materials to OBOs, OBOs will not receive the materials unless their Intermediary assumes the cost of delivery. The Corporation, however, does intend to pay for Intermediaries to deliver the proxy-related materials to OBOs.

Intermediaries are required to forward the proxy-related materials to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. Very often, Intermediaries will use service companies such as Broadridge

or Mediant to forward the proxy-related materials to Non-Registered Holders. Generally, Non-Registered Holders who have not waived the right to receive the proxy-related materials will receive one of the following:

- (a) *Voting Instruction Form.* In most cases, a Non-Registered Holder will receive, as part of the meeting materials, a VIF. If the Non-Registered Holder does not wish to attend and vote at the Meeting virtually (or have another person attend and vote on the holder's behalf), the voting instruction form must be completed, signed and returned in accordance with the directions on the VIF. If a Non-Registered Holder wishes to attend and vote at the Meeting virtually (or have another person attend and vote on the Non-Registered Holder's behalf), the Non-Registered Holder must complete, sign and return the VIF in accordance with the directions provided and a form of proxy giving the right to attend and vote will be forwarded to the Non-Registered Holder; or
- (b) *Form of Proxy.* Less frequently, a Non-Registered Holder (other than a NOBO) will receive, as part of the meeting materials, a form of proxy that has already been signed by the Intermediary (typically by a facsimile, stamped signature) which is restricted as to the number of shares beneficially owned by the Non-Registered Holder but which is otherwise uncompleted. If the Non-Registered Holder does not wish to attend and vote at the Meeting virtually (or have another person attend and vote on the holder's behalf), the Non-Registered Holder must complete the form of proxy and deposit it with the Corporation's registrar and transfer agent, TSX Trust Company, 100 Adelaide Street West, Suite 301, Toronto, Ontario M5H 4H1, Attention: Proxy Department, as described above. If a Non-Registered Holder wishes to attend and vote at the Meeting virtually (or have another person attend and vote on the holder's behalf), the Non-Registered Holder must strike out the names of the persons named in the proxy and insert the Non-Registered Holder's (or such other person's) name in the blank space provided.

In either case, the purpose of this procedure is to permit Non-Registered Holders to direct the voting of the Common Shares they beneficially own. Should a Non-Registered Holder who receives a VIF or a form of proxy wish to vote at the Meeting virtually, the Non-Registered Holder should strike out persons named in such form of proxy, insert the Non-Registered Holder's name in the blank space provided and follow the instructions set forth in **"Appointment of Proxyholders"** above to register the Non-Registered Holder as proxyholder. Non-Registered Holders should carefully follow the instructions on the VIF or the instructions received from their Intermediary including those regarding when and where the VIF or form of proxy is to be delivered.

All references to "Shareholders" in this Management Information Circular and the accompanying Notice of Meeting and any proxy or voting instruction form sent to Shareholders are to registered Shareholders unless specifically stated otherwise or the context requires otherwise.

1.7 Voting Shares and Principal Shareholders Thereof

The shares conferring voting rights at the Meeting are Common Shares. At the date of this Management Information Circular, no shares of any other class are issued and outstanding. Each Common Share confers the right to one vote. As of the date of this Management Information Circular, there were 26,648,739 Common Shares issued and outstanding.

The Corporation has prepared a list of all persons or entities who are registered holders of Common Shares on September 15, 2025 (the **"Record Date"**) and the number of Common Shares registered in their name on that date. Each Shareholder is entitled to one vote for each Common Share registered in their name as it appears on the list.

To the knowledge of the directors and executive officers of the Corporation, as of the date hereof, the following are the only persons who beneficially own, or control or direct, directly or indirectly, securities carrying more than 10% of the voting rights attached to any class of outstanding voting securities of the Corporation entitled to be voted at the Meeting:

Name of Shareholder	Common Shares	Percentage of Voting Rights
Fairfax Financial Holdings Limited	5,297,434 ⁽¹⁾	19.88%
Emmanuel Mounouchos	3,936,784	14.77%
George Christopoulos	5,327,000 ⁽²⁾	19.99%

1. Of such Common Shares, 3,973,076 are held by Allied World Assurance Company, Ltd. and 1,324,358 are held by Northbridge General Insurance Corporation, each of which are subsidiaries of Fairfax Financial Holdings Limited (“Fairfax”).
2. Of such Common Shares, 5,227,000 are held by 1000068462 Ontario Limited.

So long as Fairfax and its subsidiaries own at least 10% of the Common Shares, Fairfax has the right to maintain the same percentage ownership of the Common Shares subsequent to an issuance of the Common Shares as held by Fairfax immediately prior to such issuance. If Fairfax and its subsidiaries own more than 10% of the Common Shares, Fairfax is entitled to nominate one member to the Board. Wade Burton, one of the directors proposed for election to the Board at the Meeting, is a representative of Fairfax.

1.8 Quorum

Two Shareholders present virtually, each being a Shareholder entitled to vote at the Meeting, or a duly appointed proxyholder or representative for a Shareholder so entitled will constitute a quorum at the Meeting or any adjournment or postponement thereof.

The Corporation’s list of Shareholders as of the Record Date has been used to deliver to Shareholders the Notice of Meeting and this Management Information Circular as well as to determine who is eligible to vote at the Meeting.

1.9 Notice to Shareholders in the United States

The solicitation of proxies involves securities of an issuer located in Canada and is being effected in accordance with the corporate laws of the Province of Ontario, Canada and securities laws of the provinces of Canada. The proxy solicitation rules under the United States Securities Exchange Act of 1934, as amended, are not applicable to the Corporation or this solicitation, and this solicitation has been prepared in accordance with the disclosure requirements of the securities laws of the provinces of Canada. Shareholders should be aware that disclosure requirements under the securities law in the provinces of Canada differ from the disclosure requirements under United States securities laws.

The enforcement by Shareholders of civil liabilities under United States federal securities laws may be affected adversely by the fact that the Corporation is incorporated under the *Business Corporations Act* (Ontario), certain of its directors and its executive officers are residents of Canada and elsewhere outside the United States and a substantial portion of its assets and the assets of such persons are located outside the United States. Shareholders may not be able to sue a foreign company or its officers or directors in a foreign court for violations of United States federal securities laws. It may be difficult to compel a foreign company and its officers and directors to subject themselves to a judgment by a United States court.

ARTICLE 2 – BUSINESS TO BE TRANSACTED AT THE MEETING

2.1 Presentation of the Financial Statements and Auditor’s Report

Management, on behalf of the board of directors of the Corporation (the “Board”), will submit to the Shareholders at the Meeting the Financial Statements (which includes, in the case of the annual Financial Statements, the auditor’s report thereon). Receipt at the Meeting of the Financial Statements will not constitute approval or disapproval of any matters referred to therein. The Financial Statements, as well as management’s discussion and analysis (“MD&A”) in respect of same, can be located on the Corporation’s profile on SEDAR+ at www.sedarplus.ca. In the alternative, upon receiving a written request to the address provided under the heading “Additional Information” of this Management Information Circular, the Corporation will mail a copy of any of the Financial Statements and MD&A to you.

2.2 Election of Directors

The Compensation, Corporate Governance and Nominating Committee identifies and recommends to the Board the proposed nominees for appointment to election as directors of the Corporation at each annual meeting of Shareholders consistent with criteria approved by the Board. The Board proposes the five persons named in the table on the following page as candidates for election as directors. Each elected director will remain in office until the next annual meeting of the Shareholders or until their successor is elected or appointed, unless their post is vacated earlier. The candidates proposed by the Board have been directors of the Corporation since the dates indicated below and the present term of office of each director will expire at the close of the Meeting.

THE BOARD AND MANAGEMENT RECOMMEND THAT YOU VOTE FOR THE ELECTION OF THE FIVE NOMINEES WHOSE NAMES ARE SET OUT IN THE TABLE BELOW AS DIRECTORS. UNLESS INSTRUCTIONS ARE GIVEN TO WITHHOLD FROM VOTING WITH REGARD TO THE ELECTION OF DIRECTORS, THE PERSONS WHOSE NAMES APPEAR ON THE ENCLOSED FORM OF PROXY WILL VOTE FOR THE ELECTION OF EACH OF THE FIVE NOMINEES WHOSE NAMES ARE SET OUT IN THE TABLE BELOW.

The Board does not foresee that any of the following nominees listed below will be unable or, for any reason, unwilling to perform his or her duties as director. In the event that the foregoing occurs for any reason, prior to the election, the persons indicated on the enclosed form of proxy reserve the right to vote for another candidate of their choice unless otherwise instructed by the Shareholder in the form of proxy to abstain from voting on the election of directors.

In order for the resolution to be passed, approval by the majority of the votes cast by all of the Shareholders, present virtually and by proxy at the Meeting, is required.

The enclosed form of proxy allows Shareholders to direct proxyholders to vote individually for each of the nominees named below as director of the Corporation.

The following table and notes set out the name of each of the individuals proposed by the Board for election as a director of the Corporation, their principal occupation, the date they first became a director of the Corporation and the number of shares of the Corporation beneficially owned, or controlled or directed, directly or indirectly, by each such individual as at September 15, 2025:

A firm of auditors is to be appointed by vote of the Shareholders at the Meeting to serve as auditors of the Corporation until the close of the next annual meeting. SPECIAL MATTERS TO BE VOTED ON

2.4 Ratification of Stock Option Plan

The Corporation's 10% rolling stock option plan (the "**Plan**") is described in detail below in this Management Information Circular under "**Stock Option Plan**". The Plan does not specify a fixed and specific maximum number of Common Shares that may be reserved for issuance thereunder. Rather, the Plan is considered to be a 'rolling' stock option plan by the TSX Venture Exchange in that the aggregate number of Common Shares issuable pursuant to the exercise of outstanding stock options granted under or subject to the Plan at any one time may not exceed 10% of the issued and outstanding shares of the Corporation from time to time. The policies of the TSX Venture Exchange require that a 'rolling' stock option plan receive yearly shareholder approval at a company's annual general meeting. Accordingly, at the Meeting, Shareholders will be asked to consider, and if thought advisable, to pass, with or without variation, an ordinary resolution ratifying the Plan (the "**Option Plan Resolution**"). The terms of the Plan remain the same as approved at the 2024 annual and special meeting of shareholders of the Corporation.

In order to be passed, the Option Plan Resolution must be passed by an affirmative vote of the majority of the votes cast at the Meeting, present virtually or represented by proxy at the Meeting.

THE BOARD AND MANAGEMENT RECOMMEND THAT YOU VOTE FOR THE RATIFICATION OF THE PLAN. UNLESS OTHERWISE INSTRUCTED, THE PERSONS DESIGNATED IN THE ENCLOSED FORM OF PROXY INTEND TO VOTE FOR THE RATIFICATION OF THE PLAN.

The text of the Option Plan Resolution to be submitted to Shareholders at the Meeting is set forth below:

"BE IT RESOLVED THAT:

1. Avante Corp.'s (the "**Corporation**") 10% rolling stock option plan be and is hereby ratified and confirmed; and
2. any director or officer of the Corporation be and each is hereby, authorized to do all acts and things, to execute, under the seal of the Corporation or otherwise, to deliver all agreements, documents and instruments, to give all notices and to deliver, file and distribute all documents and information which such persons determine to be necessary or desirable in connection with or to give effect to and carry out the foregoing resolutions."

A copy of the Plan is attached to the Management Information Circular as Schedule C.

ARTICLE 3 – STATEMENT OF CORPORATE GOVERNANCE PRACTICES

3.1 General

Effective June 30, 2005, the Canadian Securities Administrators adopted National Policy 58-201 – *Corporate Governance Guidelines* (the "**Guidelines**") and National Instrument 58-101 – *Disclosure of Corporate Governance Practices* ("**NI 58-101**") which requires that each reporting issuer annually disclose its corporate governance practices.

The following disclosure is based on the disclosure requirements of the Guidelines and NI 58-101.

3.2 Board Mandate

The Board assumes ultimate responsibility for the stewardship of the Corporation and carries out its mandate directly and through considering recommendations it receives from the committees of the Board and from management. The Board approves all material acquisitions and dispositions of its operating businesses.

Effective July 23, 2019, the Board adopted an amended and restated code of business conduct and ethics that applies to directors, officers, employees and consultants, a copy of which is available for review under the Corporation's profile on SEDAR+ at www.sedarplus.ca.

Management is responsible for the day-to-day operations of the Corporation, and pursues Board-approved strategic initiatives within the context of authorized business, capital plans and corporate policies. Management is expected to report to the Chief Executive Officer, who reports to the Board on a regular basis on short-term results and longer-term development activities.

The Board is specifically responsible for adoption of a strategic planning process, identification of principal risks and implementing risk-management systems, succession planning and the continuous disclosure requirements of the Corporation under applicable securities laws and regulations.

3.3 Composition and Operation of the Board

The Guidelines recommend that a majority of directors of a listed corporation be “independent” as defined by National Instrument 52-110 – *Audit Committees* (“NI 52-110”). An independent director is a director who does not have any direct or indirect material relationship with the issuer. “Material relationship” is defined as a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of a director's independent judgment. NI 52-110 further sets out certain relationships which are deemed to be material relationships.

Each director is elected annually by the Shareholders and serves for a term that will end at the Corporation's next annual meeting of Shareholders. The Board has determined that out of the five members of the Board nominated by management for election at the Meeting, four of the members are independent.

The Board has regularly scheduled quarterly meetings and special meetings to review matters when needed. The Board met (virtually or by conference call) six times during the fiscal year ended March 31, 2025. The Board encourages its independent members to hold separate discussions regarding the Corporation to the extent such directors believe this is necessary.

The Chair of the Board is responsible for providing overall direction to the Board and is responsible for carrying out its overall mandate. Specific written position descriptions for the Chair of the Board and the chairs of each of the Board's committees have been created. Individual directors may, with the approval of the Chair of the Board or of the entire Board, engage outside advisers at the expense of the Corporation.

The following table outlines the Corporation's independent and non-independent Board nominees and directors during the fiscal year ended March 31, 2025:

Director	Independent/Non-Independent
Emmanuel Mounouchos (CEO and Board Chair)	Non-Independent
Wade Burton	Independent
Daniel Argiros	Independent
Robert Klopot	Independent

Director	Independent/Non-Independent
Bruce Bronfman	Independent

Emmanuel Mounouchos is considered to be non-independent by virtue of his position as Chief Executive Officer of the Corporation.

3.4 Directorships

The following directors are currently directors (or the equivalent) of other issuers that are reporting issuers (or the equivalent) in a jurisdiction in Canada or abroad:

Director	Issuer	Jurisdiction
Daniel Argiros	Sun Residential Real Estate Investment Trust	Ontario
Wade Burton	Kennedy-Wilson Holdings, Inc.	Delaware

3.5 Ethical Business Conduct

The Board, as a whole, deals with the values, principles and practices that guide the business conduct of the Board and the performance of their responsibilities. The Board has adopted a Director Code of Conduct (the “**Code**”) in order to support a culture of integrity and transparency. Pursuant to the Code, each director must act with integrity and observe the highest ethical standards of business conduct in his or her dealings with the Corporation and his or her fellow directors.

3.6 Board Committees

The Corporation has two committees of the Board, being: (i) the Audit Committee and (ii) the Compensation, Corporate Governance and Nominating Committee.

The Chair of the Board reviews and recommends, on an annual basis, to the Board a list of candidates for the composition of the Board committees. The committees are reconstituted on an annual basis at the first meeting of the Board following the Corporation’s annual general meeting.

The Board ensures that new directors receive an appropriate orientation in order that they understand the role of the Board and its committees. Each new director meets the Chief Executive Officer and members of the Compensation, Corporate Governance and Nominating Committee to discuss with the new director what is expected as a member of the Board and/or its committees.

3.7 Audit Committee

As a company listed on the TSX Venture Exchange, the Corporation is required to have an Audit Committee for the purpose of monitoring and enhancing the quality of the financial information disclosed by the Corporation. A copy of the Audit Committee Charter of the Corporation (the “**Audit Committee Charter**”) is attached as Schedule A to this Management Information Circular.

Composition of Audit Committee

The Audit Committee consists of three members, being Daniel Argiros (Chair), Wade Burton and Bruce Bronfman (the “**Audit Committee**”). All members of the Audit Committee are independent, and all members of the Audit Committee are financially literate.

Mandate

The mandate of the Audit Committee provides that its members shall meet at least quarterly prior to the release of the interim and annual financial results. The Audit Committee met four times during the fiscal year ended March 31, 2025. It is expected that the Audit Committee will be reconstituted at the first meeting of directors immediately following the Meeting.

Relevant Education and Experience

All members of the Audit Committee have the education and practical experience required to understand and evaluate financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of issues that can reasonably be expected to be raised by the Corporation’s financial statements. See “**Election of Directors**” above for biographical information in respect of the Audit Committee members.

Audit Committee Oversight

At no time since the commencement of the Corporation’s most recently completed fiscal year have any recommendations by the Audit Committee respecting the appointment and/or compensation of the Corporation’s external auditors not been adopted by the Board.

Reliance on Certain Exemptions

At no time since the commencement of the Corporation’s most recently completed fiscal year has the Corporation relied on exemptions in relation to “De Minimis Non-Audit Services” or any exemption provided by Part 8 of NI 52-110.

Pre-Approval Policies and Procedures

The Corporation has not adopted any specific policies in relation to the engagement of non-audit services.

Exemption

The Corporation is relying upon the exemption in section 6.1 of NI 52-110.

3.8 Compensation, Corporate Governance and Nominating Committee

The Compensation, Corporate Governance and Nominating Committee (the “**CCGNC**”) consists of two members, being Wade Burton (Chair) and Robert Klopot. It is expected that the CCGNC will be reconstituted at the first meeting of directors immediately following the Meeting.

A copy of the Compensation, Corporate Governance and Nominating Committee Charter (the “**CCGNC Committee Charter**”) is attached as Schedule B to this Management Information Circular.

The principal responsibilities of the CCGNC include: (i) reviewing the compensation of senior officers and executives of the Corporation, as well as directors of the Corporation; (ii) reviewing the corporate governance practices of the Corporation and assessing the functioning for the Board members and its committees; and (iii) providing recommendations concerning individuals qualified to serve as members of the Board.

The CCGNC approves overall compensation of Named Executive Officers (as defined under the heading “**Compensation Discussion and Analysis**”). The Board, acting on the recommendation of the CCGNC, reviews and approves the overall compensation of the Chief Executive Officer, including benefits and employment conditions. Any compensation or award to the Chief Executive Officer under any of the elements of the compensation described below is determined and approved independently and without participation of the Chief Executive Officer. In addition, the Board reviews and approves the recommendations of the CCGNC for stock option grants for the CEO, CFO and senior executives and employees of the Corporation.

To succeed and to achieve business and financial objectives, the Corporation needs to attract, retain and motivate talented directors with strong leadership and management capabilities. Director compensation is determined by the CCGNC annually based on this need and is determined by the director’s performance, level of expertise, responsibility, length of service to the Corporation and comparable levels of remuneration paid to directors of other companies of comparable size and development within the industry.

The CCGNC discusses with the Board potential candidates to the Board. The Board then examines and recommends new candidates for the Board. Board nominees are then submitted by the management of the Corporation for voting by Shareholders at the Corporation’s annual general meeting.

The skills and experience possessed by members of the CCGNC acquired as a result of their lengthy and extensive business careers and experience, as described above, will assist and enable them to make decisions on the suitability of the Corporation’s compensation policies and practices.

3.9 Assessments

Pursuant to the CCGNC Committee Charter, the CCGNC is responsible for reviewing annually and assessing the effectiveness of the Board as a whole, the Chair of the Board, each committee of the Board and the contribution, competency and skill of individual directors. Assessments of individual board members are informal in nature and may take the form of meetings between the chairperson of the CCGNC and each individual director in order to facilitate a discussion of the director’s contribution and that of the other directors. Any areas for improvement identified by the Chair of the CCGNC would then be reported to the CCGNC and the Board as required. Time may also be set aside at a meeting of the CCGNC or the Board for a discussion regarding the effectiveness of the Board and its committees.

3.10 Attendance at Board and Committee Meetings

The attendance records of the members of the Board at Board and committee meetings during the fiscal year ended March 31, 2025 were as follows:

	Regular Board Meetings	Audit Committee Meetings	Compensation, Corporate Governance & Nominating Committee Meetings	Total
Daniel Argiros	6/6	4/4	-	10/10

Robert Klopot	6/6	-	-	6/6

Emmanuel Mounouchos	6/6	-	-	6/6
Bruce Bronfman	5/6	4/4	-	9/10

3.11 Board Compensation

Directors of the Corporation (excluding those that are also Named Executive Officers) are paid \$50,000 on an annualized basis. Additional meeting fees are not paid to directors unless the total number of Board meetings during a particular fiscal year exceeds 12 meetings, at which point an incremental fee of \$1,250 per meeting is payable.

ARTICLE 4 – STATEMENT OF EXECUTIVE COMPENSATION

4.1 Compensation Discussion and Analysis

Compensation of Officers

The following is intended to disclose all compensation paid, payable, awarded, granted, given or otherwise provided, directly or indirectly, by the Corporation to each Named Executive Officer in accordance with National Instrument 51-102 – *Continuous Disclosure Obligations* (“NI 51-102”) and Form 51-102F6V – *Statement of Executive Compensation – Venture Issuers*. For these purposes, a “**Named Executive Officer**” means Emmanuel Mounouchos as Chief Executive Officer and Raj Kapoor as Chief Financial Officer.

The administration of the Corporation’s compensation practices is handled by the Board, pursuant to the recommendations of the CCGNC. The Board must ensure that the compensation of the Corporation’s executive officers is consistent with the aggregate compensation philosophy of the Corporation, as set out below. Any compensation or award to the Chief Executive Officer under any of the elements of the compensation described below is determined and approved independently. In addition, the Board reviews and approves the recommendations of the CCGNC for stock option grants for the senior executives.

The Board has not formally established a mechanism to consider the implications of the risks associated with the Corporation’s compensation policies and practices. However, the Board inherently considers these risks. The Board, along with the CCGNC, reviews and manages the policies and practices of the Corporation and ensures that they are aligned with the interests of the Shareholders. The Board reviews, among other things, the overall compensation and the annual salary increases of the executive officers of the Corporation while keeping as a reference both the financial performance of the Corporation and the turnover risk for the Corporation. The Board also addresses risk related to compensation policies in the context of compensation mechanisms that are linked to the achievement of certain goals or projects (e.g., short term and long-term objectives).

The Corporation does not have a policy in place that permits, limits or prohibits the directors or Named Executive Officers to hedge the securities of the Corporation that they own. However, to the knowledge of the Corporation, none of the current directors or Named Executive Officers of the Corporation are hedging any of the securities of the Corporation that they own.

Compensation Objectives

The Corporation’s executive compensation philosophy is designed to attract, retain and reward highly qualified individuals and motivate them to achieve performance objectives aligned with the Corporation’s vision and strategic orientation and consistent with shareholder value creation. The Corporation’s goal is to provide market competitive remuneration consistent with responsibility level, experience and performance. That said, the Board must also ensure that the compensation of the Corporation’s Named Executive Officers is consistent with the aggregate compensation philosophy and prevailing financial condition of the Corporation.

In accordance with the Corporation's executive compensation philosophy, a significant portion of the compensation of the Corporation's Named Executive Officers is related to the financial performance of the Corporation and the responsibilities inherent to each executive's duties. The Board reviews the compensation programs of the Named Executive Officers and of all the executive officers annually in order to ensure their competitiveness and compliance with the objectives, values and strategies of the Corporation.

Elements of Compensation

The Corporation seeks to achieve the compensation objectives described earlier through different elements of compensation, including salary and both short-term and long-term incentive plans, with the incentives having both equity and non-equity components. The Corporation believes that these various elements are important to effectively achieve the objectives of its executive compensation philosophy. Total compensation is based upon key performance factors set for each Named Executive Officer and the performance of the Corporation. These elements of the Named Executive Officers' compensation are:

- (a) base salary;
- (b) short and long-term incentive plans and benefits; and
- (c) stock options.

If the circumstances require, the Board may, in its sole discretion, recommend employment conditions that are different from the policies in effect. See "**Executive Employment Agreements**" below for information regarding performance criteria or goals relating to the compensation of the Named Executive Officers.

Base Salary

Base salary is reflective of responsibilities and annual increases, if any, should, at a minimum, reflect inflationary pressures and changes in duties. At the date of hire, base salary is determined using a number of factors including industry comparisons and relevant experience and is set out in the employment agreements with each Named Executive Officer. Annual increases are determined based upon reference to data on compensation levels of executives in comparable companies (i.e., public companies in the security and monitoring sector) as well as annual performance evaluation and underlying economic circumstances.

Short and Long-Term Incentive Plans and Benefits

In respect of the fiscal year ended March 31, 2025 and March 31, 2024, short-term cash bonuses were paid to Named Executive Officers as referenced in the table below. A target short-term bonus as a percentage of Base Salary is set for each executive based on their respective employment contracts. On completion of the fiscal year, the target amount is then adjusted upon review of the CCGNC and as recommended by the CEO, based on achievement of pre-approved performance measures. Such bonus amount is then subject to a discretionary CCGNC and Board-approved multiplier of 0 to 2.0 times based on the recommendation of the CEO. The basis for the annual bonus is reviewed annually by the CCGNC who shall make recommendations to the Board, including establishing baseline and stretch targets based on achieving an agreed number of targets for each executive, using a balanced scorecard methodology.

Share Based Awards (Stock Options)

The long-term incentive component of compensation for Named Executive Officers includes stock option awards. This component of compensation is intended to reinforce management's commitment to long-term improvements in the Corporation's performance and shareholder value. The Board may at any time and from time-to-time grant options to senior executives and employees of the Corporation on such terms and conditions as it considers appropriate. Stock options are granted according to the specific level of responsibility of the particular executive, and the number of options for each level of responsibility is determined by the CCGNC. Where new grants are made, previous grants are also taken into consideration to ensure that the overall options granted are fair in relation to those of other employees and executives within the range of option grants of similar companies in the same industry.

Risk Management

The Board, based on recommendations of the CCGNC, reviews the performance objectives associated with annual incentive plans to ensure that they do not result in any undue risks for the Corporation. The balance between short and long-term objectives in the design of the compensation programs is taken into account by the Corporation in the design of compensation plans and in the annual evaluation of the achievement of objectives when deciding on the amounts of annual incentive awards. The Corporation has not implemented any claw-back arrangements related to the executive compensation programs.

The Board has not formally established a mechanism to consider the implications of the risks associated with the Corporation's compensation policies and practices; however, the Board inherently considers these risks.

ARTICLE 5 – STOCK OPTION PLAN

5.1 Stock Option Plan

The Corporation has a 10% rolling stock option plan (i.e. the Plan), under which the aggregate number of Common Shares issuable pursuant to the exercise of outstanding stock options granted under or subject to the Plan at any one time may not exceed 10% of the issued and outstanding shares of the Corporation as of that date, including shares issued as a result of the exercise of options. The Plan provides an incentive to the directors, management, employees and consultants of the Corporation to act in the best interests of the Corporation and contribute to the future growth and success of the Corporation.

The principal features of the Plan are as follows:

- (a) Eligible participants include consultants, directors, employees, management company employees, members of management and certain other persons who provide services to the Corporation or its affiliates (“**Eligible Participants**”).
- (b) The aggregate number of Common Shares which may be issuable under the Plan and all of the Corporation’s other previously established or proposed share compensation arrangements within a one-year period is limited under the Plan, as follows:
 - (i) no more than 5% of the total number of issued and outstanding Common Shares on the grant date on a non-diluted basis to any one optionee; and
 - (ii) no more than 2% of the total number of issued and outstanding Common Shares on the grant date on a non-diluted basis to consultants and persons undertaking investor relations activities.
- (c) The exercise price for an option shall be determined from time to time by the Board but, in any event, shall not be lower than the discounted market price (as defined by the TSX Venture Exchange) of the Common Shares on the day prior to the grant.
- (d) The term for each option shall be set by the Board at the time of issue of the option and shall not be greater than a period of ten years after the grant date.
- (e) The Board may, at its discretion, determine when any option will become exercisable and may also establish any vesting schedule relative to any options granted, provided that schedule is not shorter than any time period prescribed by the TSX Venture Exchange.
- (f) Under the Plan, if an optionee ceases to be an Eligible Participant, his, her or its option shall be exercisable as follows:
 - (i) if the optionee ceases to be an Eligible Participant, due to his or her death, any vested option held by him or her at the date of death shall be exercisable if the option was issued 10 days or more prior to the date of death only by the persons or persons to whom the optionee’s rights under the option shall pass by the optionee’s will or the laws of descent and distribution at any time up to but not after the earlier of: (a) one year after the date of death; and (b) the expiry date of such option;

- (ii) if the optionee ceases to be an Eligible Participant as a result of termination for cause, as that term is interpreted by the courts of the jurisdiction in which the optionee is employed, any outstanding option held by such optionee on the date of termination shall be cancelled as of that date;
 - (iii) if the optionee ceases to be an Eligible Participant for any reason other than termination for cause or death, any vested option held by such optionee may be exercised within a reasonable period of time (not to exceed one year) following the date on which such optionee ceases to be an Eligible Participant, provided that such date is no later than the expiration of the applicable option term; or
 - (iv) if an optionee who is a consultant of the Corporation or its affiliates ceases to be retained by the Corporation by virtue of a breach of the consulting agreement or the expiry thereof, or such retainer is otherwise terminated (other than for reasons above), no option held by such consultant may be exercised following such breach, expiry or termination.
- (g) No optionee may assign any of his, her or its rights under the Plan or any option granted thereunder, except as expressly permitted under the terms of the Plan.
- (h) The Plan permits the Board to interpret the Plan from time to time and to adopt, amend and rescind rules and regulations for carrying out the Plan. The interpretation and construction of any provision of the Plan by the Board shall be final and conclusive. However, disinterested shareholder approval will be required for changes to the Plan that: (a) reduce the exercise price of, or extensions to, any outstanding options if the Eligible Participant is an insider of the Corporation (as that term is defined by the TSX Venture Exchange) at the time of the proposed amendment; or (b) increase the aggregate number of Common Shares available for issuance under the Plan to any one person. In addition, any adjustment to stock options granted or issued by the Corporation (except in relation to a share consolidation or share split) is subject to the prior acceptance of the TSX Venture Exchange.
- (i) If any stock option expires within the Blackout Period (as defined in the Plan), such stock options will be automatically extended to that day which is ten (10) business days following the expiry of the Blackout Period, excluding those stock options that expire within nine (9) business days following the expiration of a Blackout Period for such stock option(s).
- (j) If an offer is made to all holders of the Common Shares that would result in a change of control of the Corporation, in accordance with the Securities Act (Ontario), then all Eligible Participants are entitled to exercise options held regardless of applicable vesting requirements in order to tender the resulting Common Shares to such offer.
- (k) The Plan provides additional powers to the Board with respect to the withholding of tax and other required deductions in connection with the exercise of an option.

The Plan does not specify a fixed and specific maximum number of Common Shares that may be reserved for issuance thereunder. Rather, the Plan is considered to be a 'rolling' stock option plan by the TSX Venture Exchange in that the aggregate number of Common Shares issuable pursuant to the exercise of outstanding stock options granted under or subject to the Plan at any one time may not exceed 10% of the issued and outstanding shares of the Corporation from time to time. The policies of the TSX Venture Exchange require that a 'rolling' stock option plan receive yearly shareholder approval at a company's annual general meeting. The Plan was approved at the Corporation's last annual general and special meeting held on October 24, 2024. The Plan must also be submitted for review and acceptance by the TSX Venture Exchange on an annual basis, and if the TSX Venture Exchange finds the disclosure to shareholders in respect of the Plan to be inadequate, shareholder approval of the Plan may not be accepted by the TSX Venture Exchange.

Appendix A **to Avante Corp. Audit Committee Charter**

Whistleblower Policy

Procedures for the Submission of Complaints or Concerns Regarding Accounting, Internal Accounting Controls, Auditing Matters and Inappropriate or Unethical Conduct

Purpose

The purpose of this policy is to provide a mechanism for reporting unlawful or unethical conduct regarding accounting and auditing matters. It may also be used to report other inappropriate or unethical conduct.

Eligibility/Coverage

This policy applies to all full time and part time employees, consultants and contractors of Avante Corp. (together with its subsidiaries, the “Corporation”).

Policy

The Corporation endeavors to comply with all applicable laws, regulations and rules. All employees are responsible for ensuring that the Corporation achieves that objective. Any deviation from such laws, regulations or rules is serious misconduct and may result in discipline, up to and including termination of employment. Such deviations may also subject the person(s) responsible to personal legal and financial liability, and in certain cases may be criminal offenses.

To assist the Corporation in ensuring compliance with laws, regulations and rules relating to accounting and auditing matters, the Audit Committee of the Board of Directors (the “Committee”) has established these procedures for:

- (1) the confidential, anonymous submission by employees of concerns regarding questionable accounting or auditing matters; and
- (2) the receipt, retention and treatment of complaints received by the Corporation regarding accounting, internal accounting controls or auditing matters. These can include any of the following activities:
 - questionable accounting practices;
 - inadequate internal accounting controls;
 - the misleading or coercion of auditors;
 - disclosure of fraudulent or misleading financial information; and
 - instances of corporate fraud.

Employees are encouraged to report concerns regarding accounting or auditing practices in a form that is as clear and specific as possible under the circumstances, and should submit relevant records, if available. However, employees are neither required nor encouraged to personally investigate questionable accounting or auditing practices on their own; such a private investigation might compromise the Corporation’s own investigation, result in the loss or tainting of evidence, or otherwise prevent a full and fair investigation into the underlying facts.

These procedures apply only to complaints regarding accounting, internal accounting controls, or auditing matters and do not apply with respect to any other grievance or complaint. For example, complaints of violation of our policies regarding bullying, harassment, compensation or discrimination should be reported and handled in accordance with the applicable procedures and guidelines of the Corporation.

Submission of Confidential and Anonymous Concerns by Employees

In an effort to foster an environment where employees feel free to voice their concerns regarding questionable accounting or auditing matters, the following procedures are designed to allow concerns and information to be submitted confidentially and anonymously. Any employee who believes that he or she possesses any information.

relating to questionable accounting or auditing matters or other concerns of an ethical nature should report such concerns to the Chairperson of the Audit Committee in writing in a sealed envelope at:

Chairperson of the Audit Committee of the Board of Directors
1959 Leslie Street
Toronto, Ontario M3B 2M3

The envelope is to be clearly marked, "To be opened by the Audit Committee only". Please be advised that any complaint that has been filed with respect to any Employee, Contractor, Executive or Board Member of the Corporation will be reviewed in confidence without fear of reprisal, except as necessary to conduct the investigation and take any remedial action and subject to applicable law.

Additional contact information including a phone number and e-mail address shall be published for the Chair of the Committee on the Corporation's website. Anonymous written or telephone communications will be accepted.

Employees of the Corporation are encouraged to provide as much specific information as possible including names, dates, places and events that took place, the employee's or consultant's perception of why the incident(s) may be a violation, and what action the employee or consultant recommends be taken.

Within 10 business days following the receipt of any information by the Chair pursuant to this Appendix, the Committee shall review and consider any such complaints or concerns and take any action that it deems appropriate in the circumstances.

The Committee shall retain any such complaints or concerns along with the material gathered to support its actions for a period of no less than seven years. Such records will be held on behalf of the Committee by the Committee Secretary.

Any questions regarding this Whistleblower Policy shall be directed to the Chair of the Audit Committee.

If:

- (a) the Offer is withdrawn by the offeror; or
- (b) the Optionee does not tender the Optioned Shares pursuant to the Offer; or
- (c) all of the Optioned Shares tendered by the Optionee pursuant to the Offer are not taken up and paid for by the offeror in respect thereof,

then the Optioned Shares or, in the case of Section 2.8(c) above, the Optioned Shares that are not taken up and paid for, shall be returned by the Optionee to the Corporation and reinstated as authorized but unissued Shares and the terms of the Option as set forth in Section 2.5 shall again apply to the Option. If any Optioned Shares are returned to the Corporation under this Section, the Corporation shall refund the exercise price to the Optionee for such Optioned Shares. In no event shall the Optionee be entitled to sell the Optioned Shares otherwise than pursuant to the Offer.

If and for so long as the Shares are listed on the Exchange, the continued effectiveness of the Plan is subject to annual approval of the Plan by the holders of Shares of the Corporation at each subsequent annual general meeting of the Corporation and annual approval of the Plan by the Exchange as soon as practicable following such shareholder approval.

The obligation of the Corporation to issue and deliver Shares in accordance with the Plan is subject to the approval of any governmental or securities regulatory authority having jurisdiction which may be required in connection with the authorization or issuance of such Shares by the Corporation.
