About Select Sands Corp.

Select Sands Corporation is an industrial silica product company and is currently in production at its 100% owned, 520-acre Northern White, Tier-1, silica sands property located near Sandtown, Arkansas, U.S.A. Select Sands' goal is to become a key supplier of premium industrial silica sand and frac sand to North American markets. Select Sands' has a significant logistical advantage of being significantly closer to oil and gas markets located in Oklahoma, Texas and Louisiana than sources of similar sands from the Wisconsin area.
