CONSENT OF QUALIFIED PERSON

I, Carl Pelletier, state that I am responsible for preparing or supervising the preparation of a part of the technical report summary titled Rose Lithium-Tantalum Project, Feasibility Study with an effective date of August 29, 2023, as signed and certified by me (the "Technical Report").

Furthermore, I state that:

- (a) I consent to the public filing of the Technical Report by Critical Element Lithium Corporation (Critical Elements);
- (b) the document that the Technical Report supports is the press release by Critical Elements, dated August 29, 2023 (the "Document");
- (c) I consent to the use of my name in the document, or any quotation from or summarization, in the Document of the parts of the Technical Report for which I am responsible, and to the filing of the Technical Report as an exhibit to the Document; and
- (d) I confirm that I have read the Document, and that the Document fairly and accurately reflects, in the form and context in which it appears, the information in the parts of the Technical Report for which I am responsible.

Dated at Val-d'Or, Québec this 11th of October 2023.
