Dear Shareholder

THE 2014 ANNUAL GENERAL MEETING

I am pleased to be writing to you with details of our 2014 Annual General Meeting which we are holding at The Lincoln Centre, 18 Lincoln's Inn Fields, London WC2A 3ED at 12 noon on Friday 9 May 2014.

Following the format of previous annual general meetings, our Chief Executive Officer, Mark Robertshaw, will give a presentation on the Group's business and performance over the last 12 months. Shareholders will then have the opportunity to ask questions before moving onto the formal business of the Annual General Meeting.

Notice of the Annual General Meeting can be found on pages 2 and 3 of this document and contains the resolutions dealing with the business of the meeting. The Explanatory notes for all business of the Annual General Meeting are given on pages 4 to 6 of this document.

Only holders of Ordinary shares or their proxies or duly authorised representatives may vote at the Annual General Meeting.

All your votes are important to us and, once again this year, you will be asked to vote on each of the resolutions on a poll, as permitted by the Articles of Association. This is in line with practice increasingly adopted by UK public companies, primarily as a result of the complexities of the law around voting on a show of hands. It also means that the voting results will be a more representative reflection of the views of our shareholder base.

Action to be taken

You are requested (whether or not you intend to be present at the meeting) to complete and submit a proxy appointment form in accordance with the Notes to the Notice of the Annual General Meeting set out on pages 7 and 8. To be valid, the proxy appointment form must be received at the address for delivery specified in the Notes by 12 noon on Wednesday 7 May 2014. Completion and return of a proxy appointment form will not preclude a shareholder from attending and voting at the meeting.

Recommendation

Your Directors consider all the resolutions to be put to the meeting to be in the best interests of the Company and its shareholders as a whole, and accordingly, unanimously recommend you to vote in favour of them as they intend to do so in respect of their own beneficial shareholdings.

Yours faithfully

Andrew Shilston
Chairman

Explanatory notes to the business of the Annual General Meeting

Resolution 1 – Receipt of the Annual Report and Accounts

The Companies Act 2006 requires the Directors of a public company to lay before the Company in general meeting copies of the Directors' reports, the independent auditor's report and the audited accounts of the Company in respect of each financial year. In accordance with the UK Corporate Governance Code, the Company proposes, as an ordinary resolution, a resolution on its Annual Report and Accounts.

Resolutions 2 and 3 – Approval of the Directors' remuneration report and remuneration policy

Resolutions 2 and 3 deal with the statutory requirements that apply to the Company for the financial year ended 31 December 2013 in relation to the content and approval of the Directors' remuneration report, following changes made to the Companies Act 2006.

The Company will propose at the Annual General Meeting an ordinary resolution (resolution 3) to seek shareholder approval of the Directors' remuneration report for the financial year ended 31 December 2013 (other than the part containing the Directors' remuneration policy which will be covered by resolution 2). The Directors' remuneration report can be found on pages 59 to 80 of the 2013 Annual Report and Accounts. The vote on resolution 3 is advisory in nature and the Directors' entitlement to remuneration is not conditional on its being passed.

For the first time this year, the Company will also propose at the Annual General Meeting an ordinary resolution (resolution 2) to seek shareholder approval of the Directors' remuneration policy set out on pages 60 to 67 of the Directors' remuneration report for the financial year ended 31 December 2013.

The Companies Act 2006 requires the remuneration policy to be put to shareholders for approval annually unless the approved policy remains unchanged, in which case it need only be put to shareholders for approval at least every three years. The remuneration policy sets out how the Company proposes to pay the Directors and includes details of the Company's approach to recruitment remuneration and loss of office payments.

The vote on resolution 2 is binding and, if passed, will mean that the Directors can only make remuneration payments in accordance with the approved policy unless such payments have been approved by a separate shareholder resolution.

Resolution 4 – Final Dividend

The Directors are recommending the payment of a final dividend of 6.7 pence per share on the Ordinary shares in respect of the year ended 31 December 2013 which, if approved by ordinary resolution of the shareholders, will be payable on 30 May 2014 to shareholders on the register at the close of business on 16 May 2014. The Company is not offering a scrip alternative to the cash dividend.

Resolutions 5 to 13 – Election/Re-election of Directors

In accordance with the Company's Articles of Association and the provisions of the UK Corporate Governance Code, Andrew Reynolds Smith, Douglas Caster and Rob Rowley, each of whom were appointed as Directors by the Board since the last Annual General Meeting, will retire from office at the 2014 Annual General Meeting and will seek election by shareholders for the first time.

In accordance with the provisions of the UK Corporate Governance Code and as permitted by the Company's Articles of Association, the Board has decided that all other Directors will retire from office at the 2014 Annual General Meeting and each of them (with the exception of Martin Flower) will seek re-election by shareholders. Each of resolutions 5 to 13 shall be proposed as an ordinary resolution.

The Chairman confirms that, following a performance evaluation, each Director continues to be effective, demonstrating significant commitment to their roles. The Board believes that the considerable and wide-ranging experience of these Directors will continue to be invaluable to the Company, and recommends their election/re-election.

Biographies of all Directors, apart from those of Douglas Caster and of Rob Rowley, are set out on pages 46 to 47 of the 2013 Annual Report and Accounts.

The biographies of Douglas Caster and Rob Rowley are set out below.

Douglas Caster, Non-executive Director (aged 60)

Appointed: February 2014

Career history: Douglas started his career as an electronics design engineer with the Racal Electronics Group in 1975, before moving to Schlumberger in 1986 and then to Dowty as Engineering Director of Sonar & Communication Systems in 1988. In 1992, he became Managing Director of that business and, after participating in the management buy-out that formed Ultra Electronics, joined the Board in October 1993. In April 2000, he was promoted to the position of Managing Director of Ultra's Information & Power Systems division. In April 2004, he was appointed Chief Operating Officer and became Chief Executive in April 2005. He was appointed deputy Chairman in April 2010 and became Chairman of Ultra in April 2011.

Additional appointments: Chairman of Ultra Electronics Holdings plc.

Committees: Audit, Nomination and Remuneration

Resolutions 5 to 13 – Election/Re-election of Directors (continued)

Rob Rowley, Non-executive Director (aged 64)

Appointed: February 2014

Career history: Rob joined Reuters in 1978 where he held various senior management positions, including Finance Director from 1999 to 2000. He retired as a director of Reuters Group plc in December 2001. Rob was previously Deputy Chairman of Cable & Wireless plc, and a non-executive Director of Intu Properties plc from 2004 to 2013, Prudential plc and Taylor Nelson Sofres plc.

Additional appointments: Non-executive Director, Chairman of the Audit Committee and Senior Independent Director of Taylor Wimpey plc; non-executive Director and Chairman of the Audit Committee of Moneysupermarket.com Group PLC.

Committees: Audit, Nomination and Remuneration

Resolutions 14 and 15 – Auditor appointment and remuneration

At each meeting at which the Annual Report and Accounts are laid, the Company is required to appoint an auditor to serve until the next such meeting. Following their intention to restructure their business and gradually wind down the activity in their registered firm, KPMG Audit Plc, KPMG have proposed an alternative entity, KPMG LLP, to become the Company's auditor in the future. Accordingly, KPMG have notified the Company that KPMG Audit Plc are not seeking reappointment as the Company's auditor at the Annual General Meeting.

In their place, KPMG have proposed that KPMG LLP be appointed as the Company's auditor to hold office from the conclusion of the 2014 Annual General Meeting until the conclusion of the next general meeting at which accounts are laid before the Company.

In accordance with the requirements of the Companies Act 2006, KPMG Audit Plc have provided the Company with a 'statement of circumstances' confirming that they are ceasing to hold office. A copy of the statement is set out as an appendix to this document. Special notice of this resolution has been given to the Company in accordance with sections 312 and 515 of the Companies Act 2006.

Resolution 15 is an ordinary resolution giving the Directors the discretion to determine the auditor's remuneration.

Resolution 16 – Political donations and expenditure

This renews a similar authority given at last year's annual general meeting, which is due to lapse at the 2014 Annual General Meeting. This ordinary resolution seeks approval from shareholders to enable the Company, and all companies which are, or which become, subsidiaries of the Company, to make donations or incur expenditure which it would otherwise be prohibited from making or incurring by the Companies Act 2006. The Company's policy is not to make donations to political parties and there is no intention to change that policy. However, the Companies Act 2006 defines political expenditure, political donations and political organisations very widely, such that normal business activities, which might not be thought to be political expenditure or a political donation to a political organisation in the usual sense, may be included. For example, sponsorship of industry forums, funding of seminars and other functions to which politicians are invited, matching employees' donations to certain charities, expenditure on organisations concerned with matters of public policy, law reform and representation of the business community and communicating with the Government and political parties at local, national and European level, may fall under the terms of the Companies Act 2006.

Accordingly, the Company, in common with many other companies, seeks an authority to incur a level of political donations to political parties, independent election candidates and political organisations as well as political expenditure, to cover these kinds of activities on a precautionary basis, in order to avoid possible inadvertent contravention of the Companies Act 2006. The authority does not purport to authorise any particular donation or expenditure but is expressed in general terms, as required by the Companies Act 2006. Furthermore, as permitted under that Act, the authority has been extended to cover any political donations made or political expenditure incurred by any subsidiaries of the Company. Therefore, as a precautionary measure, you will be asked to give the Company and each of its subsidiaries authority to make political donations to political parties or independent election candidates, to make political donations to political organisations (other than political parties) and to incur political expenditure. These authorities are limited to a maximum aggregate amount of £100,000.

If given, this authority will expire at the conclusion of the Company's next annual general meeting or on 30 June 2015 (whichever is earlier). It is the Directors' intention to renew this authority each year.

Resolution 17 – Authority to allot shares

The Directors currently have an authority to allot shares in the Company and to grant rights to subscribe for or convert any securities into shares in the Company. This authority is due to lapse at the 2014 Annual General Meeting. The Board is seeking, by ordinary resolution, to renew that authority over Ordinary shares having an aggregate nominal amount of £23,780,832, representing one third of the issued Ordinary share capital of the Company as at 25 March 2014 and also to give the Directors authority to allot Ordinary shares having an aggregate nominal amount of £47,561,664, representing two thirds of the issued Ordinary share capital of the Company as at 25 March 2014 by way of a rights issue. For the avoidance of doubt, the authority sought pursuant to this resolution will give the Directors the ability to allot shares (or grant rights to shares) up to a maximum aggregate nominal amount of £47,561,664. The authority will lapse on 30 June 2015 or at the next annual general meeting, whichever shall first occur. The authority sought under this resolution is standard for most UK companies. The Directors have no present intention to issue any shares under the authority being sought. The Company holds no treasury shares.

Resolution 18 – Disapplication of pre-emption rights

This is a special resolution which renews a similar authority given at last year's annual general meeting and, if approved, would enable the Board to allot Ordinary shares for cash other than to existing shareholders in proportion to their existing holdings. Otherwise than in connection with a rights or similar issue or scrip dividend (where difficulties arise in offering shares to certain overseas shareholders and in relation to fractional entitlements), the authority contained in this resolution will be limited to new Ordinary shares having an aggregate nominal amount of £3,567,124, representing just less than 5% of the Company's issued Ordinary share capital as at 25 March 2014.

The authority sought under this resolution is standard for most UK companies. In accordance with the recommendations of the Association of British Insurers, the Directors confirm their intention that no more than 7.5% of the Company's issued Ordinary share capital will be issued for cash on a non pre-emptive basis during any three-year period without appropriate consultation. The Directors have no present intention to exercise this authority. The authority will lapse on 30 June 2015 or at the next annual general meeting, whichever shall first occur.

Resolution 19 – Enabling the Company to call a general meeting on 14 days' notice

This is a special resolution which renews an authority given at last year's annual general meeting and is required as a result of section 307A of the Companies Act 2006. The Company currently has power under its Articles of Association to call general meetings (other than an annual general meeting) on at least 14 clear days' notice and would like to preserve this ability. In order to be able to do so, shareholders must first approve the calling of meetings on at least 14 days' notice. This resolution seeks such approval. The approval will be effective until the Company's next annual general meeting, when it is intended that a similar resolution will be proposed. The shorter notice period would not be used as a matter of routine for general meetings, but only where the flexibility is merited by the business of the meeting and is thought to be to the advantage of the shareholders as a whole.

Resolution 20 – All Employee Share Incentives

The Company currently operates the Morgan Advanced Materials plc Sharesave Scheme (the 'Sharesave Scheme'). The Sharesave Scheme is an all-employee tax-approved share ownership plan, which enables the Board to provide Ordinary shares to UK employees in a tax-efficient manner.

It will not be possible to grant further options under the Sharesave Scheme after 17 June 2014. Shareholder approval is being sought to extend the life of the Sharesave Scheme for a further ten years until 17 June 2024 to enable the Company to continue to operate the Sharesave Scheme.

Resolution 20 seeks approval, as an ordinary resolution, for the renewal and amendment of the Sharesave Scheme.

The following changes are proposed to the Sharesave Scheme:

1. the life of the Sharesave Scheme is to be extended so that it will now expire on 18 June 2024; and
2. limitations on the timing of despatch of invitations to participate in the Sharesave Scheme are to be deleted. However, the Board will still need to take into account the close period restrictions set out in the UKLA's Model Code when deciding when to despatch invitations.

The Remuneration Committee has also taken the opportunity to update the rules of the Sharesave Scheme (i) to reflect the legislative changes brought in by the Finance Act 2013, and (ii) taking into account modern practice.

The existing and amended rules of the Sharesave Scheme will be available for inspection during normal business hours on Monday to Friday (excluding bank holidays) at the Company's registered office at Quadrant, 55-57 High Street, Windsor, Berkshire SL4 1LP and at the offices of Slaughter and May at One Bunhill Row, London EC1Y 8YY from the date of this document until the close of the Annual General Meeting and at the place of the Annual General Meeting for at least 15 minutes before and during the meeting.

Notes

1. A member of the Company entitled to attend, speak and vote at the Annual General Meeting ('the meeting') is also entitled to appoint a proxy or proxies to attend, speak and vote on their behalf provided that if more than one proxy is appointed, each proxy is appointed to exercise rights attaching to different shares. A proxy need not be a member of the Company.
2. All resolutions to be proposed at the meeting will be put to vote on a poll. This will result in a more accurate reflection of the views of shareholders by ensuring that every vote is recognised, including the votes of those shareholders who are unable to attend but who have appointed a proxy for the meeting. On a poll, each shareholder has one vote for every share held.
3. Members (and any proxies or representatives they appoint) agree, by attending the meeting, that they are expressly requesting and that they are willing to receive any communications (including any communications relating to the Company's securities) made at the meeting.
4. A pre-paid proxy form is enclosed with this document. The proxy form, together with any power of attorney or other authority (if any) under which it is signed, or a notarially certified copy thereof, should be sent to the Company's registrar, Capita Asset Services, PXS 1, 34 Beckenham Road, Beckenham, Kent BR3 4ZF so as to arrive not later than 12 noon on Wednesday 7 May 2014 or, if the meeting is adjourned, no later than 48 hours (excluding any part of a day that is not a working day) before the time of the adjourned meeting.

Alternatively, you may return the proxy form in an envelope to FREEPOST RSBH-UXKS-LRBC, PXS, 34 Beckenham Road, Beckenham, Kent BR3 4TU (no stamp required).

5.
 - a) CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the meeting and any adjournment(s) thereof by using the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
 - b) In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by Capita Asset Services as the issuer's agent (ID RAI0) by the latest time for receipt of proxy appointments specified in Note 4 above. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
 - c) CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
 - d) The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
6. Members who have returned proxy forms in accordance with Note 4 or who register the appointment electronically in accordance with Note 5 are not thereby precluded from attending the meeting and voting in person if they so wish.
7. A shareholder that is a corporation may authorise one or more persons to act as its representative(s) at the meeting. Each such representative may exercise (on behalf of the corporation) the same powers as the corporation could exercise if it were an individual shareholder, provided that (where there is more than one representative and the vote is otherwise than on a show of hands) they do not do so in relation to the same shares.

8. The Company specifies that only those holders of Ordinary shares registered in the register of members of the Company at 6.00pm on Wednesday 7 May 2014 (or, in the event that the meeting is adjourned, in the register of members at 6.00pm on the day that is two days (excluding any part of a day that is not a working day) before the day of the adjourned meeting) shall be entitled to attend and vote at the meeting in respect of the number of Ordinary shares registered in their names at that time. Changes to entries on the register of members after 6.00pm on Wednesday 7 May 2014 (or, in the event that the meeting is adjourned, in the register of members after 6.00pm on the day that is two days (excluding any part of a day that is not a working day) before the day of the adjourned meeting) shall be disregarded in determining the rights of any person to attend or vote at the meeting.
9. This Notice is sent for information only to holders of First Preference shares and Second Preference shares, such holders not being entitled to attend or vote at the meeting.
10. As at 25 March 2014 (being the last practicable date prior to the publication of this document) the Company's issued share capital consists of 285,369,988 Ordinary shares carrying one vote each, 125,327 First Preference shares which do not carry voting rights and 311,954 Second Preference shares which also do not carry voting rights. The total voting rights in the Company as at 25 March 2014 were 285,369,988.
11. Your personal data includes all data provided by you, or on your behalf, that relates to you as a shareholder, including your name and contact details, the votes you cast and your Reference Number (attributed to you by the Company). The Company determines the purposes for which and the manner in which your personal data is to be processed. The Company and any third party to which it discloses the data (including the Company's registrar) may process your personal data for the purposes of compiling and updating the Company's records, fulfilling its legal obligations and processing the shareholder rights you exercise.
12. Any person to whom this notice is sent who is a person nominated under section 146 of the Companies Act 2006 to enjoy information rights ('a Nominated Person') may have a right, under an agreement between him and the shareholder by whom he was nominated, to be appointed (or to have someone else appointed) as a proxy for the meeting. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he may, under any such agreement, have a right to give instructions to the shareholder as to the exercise of voting rights. The statement of the rights of shareholders in relation to the appointment of proxies in Note 1 above does not apply to Nominated Persons. The rights described in that note can only be exercised by shareholders of the Company.
13. A shareholder or shareholders having a right to vote at the meeting and holding at least 5% of the total voting rights of the Company (see Note 10), or at least 100 shareholders having a right to vote at the meeting and holding, on average, at least £100 of paid up share capital, may require the Company to publish on its website a statement setting out any matter that such shareholders propose to raise at the meeting relating to the audit of the Company's latest accounts (including the auditor's report and the conduct of the audit) or any circumstances connected with the Company's former auditor ceasing to hold office since the Company's previous annual general meeting. The Company cannot require the shareholders concerned to pay its expenses in complying with sections 527 and 528 of the Companies Act 2006. The Company must forward any such statement to its auditor by the time it makes the statement available on the website. The business which may be dealt with at the meeting includes any such statement.
14. Shareholders have the right to ask questions at the meeting relating to the business being dealt with at the meeting in accordance with section 319A of the Companies Act 2006. The Company must answer any such question unless:
 - a) to do so would interfere unduly with the preparation for the meeting or would involve the disclosure of confidential information;
