Cautionary Statement Regarding “Forward-Looking” Information

Statements in this news release that are forward-looking statements are subject to various risks and uncertainties concerning the specific factors disclosed here and elsewhere in China Minerals' periodic filings with Canadian securities regulators. When used in this news release, words such as “will”, “could”, “plan”, “estimate”, “expect”, “intend”, “may”, “potential”, “appear”, “should,” and similar expressions, are forward-looking statements.

Although China Minerals has attempted to identify important factors that could cause actual results, performance or achievements to differ materially from those contained in the forward-looking statements, there can be other factors that cause results, performance or achievements not to be as anticipated, estimated or intended. There can be no assurance that such information will prove to be accurate or that management's expectations or estimates of future developments, circumstances or results will materialize. As a result of these risks and uncertainties, the results or events predicted in these forward looking statements may differ materially from actual results or events.

Accordingly, readers should not place undue reliance on forward-looking statements. The forward-looking statements in this news release are made as of the date of this news release, and China Minerals disclaims any intention or obligation to update or revise such information, except as required by applicable law.
