

## CERTIFICATE OF QUALIFIED PERSON

I, Scott Weston, P.Geo., am employed as the Vice President, Business Development, with Hemmera Envirochem Inc., an Ausenco company, with an address at 18th Floor, 4730 Kingsway, Burnaby, BC, V5H 0C6.

This certificate applies to the technical report titled "Preliminary Economical Assessment for Marimaca Project, Antofagasta, II Region, Chile" that has an effective date of 4 August 2020 (the "Technical Report").

I am registered as a Professional Geoscientist (P.Geo.) with Engineers and Geoscientists British Columbia (EGBC).

I graduated from the University of British Columbia in 1995 with a Bachelor of Science degree, and from the Royal Roads University in 2001 with a Master of Science degree.

I have practiced my profession for 25 years, and have experience in geomorphic and landscape genesis interpretation, soil science, terrain stability analysis, natural hazard assessment, hydrology, and environmental impact assessment and permitting related to mining projects in Canada, Chile and Brazil.

As a result of my experience and qualifications, I am a Qualified Person as defined in National Instrument 43-101 *Standards of Disclosure for Mineral Projects* (NI 43-101).

I have not visited the Marimaca Project property.

I am responsible for Sections 1.15, 1.22.4; 20, 25.10, 26.5 and partially for Sections 25.16, 25.17 of the technical report.

I am independent of Marimaca Copper Corp.

I have been involved with the Marimaca Project property since 2020, during preparation of the Preliminary Economic Assessment report.

I have read NI 43-101 and the sections of the technical report for which I am responsible have been prepared in compliance with that Instrument.

As of the effective date of the technical report, to the best of my knowledge, information and belief, the sections of the technical report for which I am responsible contain all scientific and technical information that is required to be disclosed to make those sections of the technical report not misleading.
